

A Good Account.

"To sum it up, six long years of bed-ridden sickness and suffering, costing \$200 per year, total \$1,200—all which was stopped by three bottles of Hop Bitters taken by my wife, who has done her own housework for a year since, without the loss of a day, and I want everybody to know it for their benefit."

"JOHN WEAKE, Butler, N. Y."

A Gentle Hint.

In our style of climate, with its sudden changes of temperature—rain, wind and sunshine, often intermingled in a single day,—it is no wonder that our children, friends and relatives are so frequently taken from us by neglected colds, half the deaths resulting directly from this cause.
