

Maybelline Lipstick: "Some women have lips as smooth as they talk, so supple, so luscious, they make anything sound fascinating. Gift of nature? Get real."

Buf-Puf "Beauty Driven."

Nike Air: "You are emotional about the way you work out. You are emotional about what you work out in. And you are even more emotional if you have to wear really ugly shoes."

These advertisements tell women how they should look, how they should feel about what they are wearing and that beauty is not natural, it has to be put on like a mask. They say how far we've come politically but we are still not in control of ourselves.

"From birth to age 18, a girl needs good parents, from 18 to 35 she needs good looks, from 35 to 55 she needs a good personality, and from 55 on she needs cash."

## Cribbage Challenge!

On Saturday, Feb. 15, second floor of the barn, U.P.E.I. C.F.F. presents... cribbage tournaments! Yes, you heard right, cribbage tournaments! For the paltry sum of two dollars per person (couples only), you can peg your way to fame and glory. The Grand Prize will be half of the take at the door, so the more people that show up the richer you could be. There's other prizes and giveaways too, so get your cards warmed up!
