

The Beechcraft airplane in which Flying Officer Holten (left) and LAW Joan M. Moody (right), crashed, is shown above in this airview. The bodies of the 32-year old officer and the 23-year old airwoman were removed Sunday from the red-choked lake 25 miles southeast of North Bay, Ont., when the airplane crashed during bad weather Friday after setting off from Summerside, P.E.I. LAW Moody was a passenger to Morris, Man., where she hoped to spend Thanksgiving with her father, F. L. Moody.

Grade I—Carl Kennedy. The following are the new committees which were appointed: Sick, Mrs. Glover and Mrs. Graham; school, Mrs. MacLeod and Mrs. Newson; lunch, Mrs. Woodside, Mrs. McLeod and Mrs. Gillis. It was decided to give prizes to the pupils making the best progress in each grade again this year. Mrs. Woodside extended an invitation to meet at her home for next meeting. Roll call will be answered with a "hot supper dish." Lunch was served by the hostess assisted by the committee in charge, and a social half-hour was enjoyed.

Texas, the nation's largest state, also has the most counties, 254. Georgia, with 159 counties, ranks second.

An "annular" eclipse of the sun is one in which the moon appears to be slightly smaller than the sun, and a narrow ring or "annulus" of light is visible around the moon when it moves in front of the sun. This differs from a total eclipse in which the moon completely covers the sun, the National Geographic Society points out.

Most of the tannin used in the American leather industry comes from chestnut trees.

BEST GRAIN CROP

IN ISLAND HISTORY

Farmers tell us that we have the greatest crop of grain this fertile Island has ever harvested. Although we have a lot of grain and of top quality, we get the most value of it by making it last until the next crop. By balancing your grain with good concentrates you get the best possible feeding value.

How to tell if your child is really strong

- 1 He seldom catches cold, even after exposure to dampness or chill.
- 2 He has good appetite and abundant energy.
- 3 His teeth are sound.
- 4 His bones are straight and strong.
- 5 He is not undersize for his age.
- 6 When he gets sick, he gets well quickly.

When children catch colds frequently or are underweight, lack appetite—try giving them Scott's Emulsion.
Scott's contains Vitamins A & D in oil with added minerals. It helps build strong bones, sound teeth, stamina, energy and maintain resistance.
Four times easier to digest than plain cod liver oil—Scott's acts fast, tastes better. Get the big economical size at your druggist's today.
