

# Mother is Queen

Sunday, May 10th

Mother's Day is "coronation day" in every Island family... the day Mom is crowned "Queen of Hearts" by all her loving subjects. Let's show Mother how much she really means to us by the thoughtfulness with which we choose the tokens of our devotion. Let's give Mother what she really wants most (but would never dream of buying for herself!) Let's make her eyes shine, her heart sing. Let's remember Mother's Day in a way she'll never forget!
