New Director of Alumni, Development, and Information

The Board of Governors of the University of Prince Edward Island announces the appointment of Sonya R. Banks of Halifax as the Director of Alumni, Development and Information.

Ms. Banks is currently the Manager of the Annual Fund for the Department of Development at Dalhousie University. A graduate of Dalhousie, Ms. Banks received her Bachelor of Science Degree (Psychology) in 1984, and her Master of Business Administration (Marketing) in 1986.

In her new position at UPEI, Ms. Banks will have principal responsibilities for the administration of the alumni, development and publication relations components of UPEI. As well, she will be responsible for the development and implementation of fund-raising programs, and she will assist and help coordinate the efforts of the UPEI Boards of Governors, the UPEI Foundation and the University Needs Committee. She will split her time between Dalhousie and UPEI during December, taking her full-time duties at UPEI in January.
