REMEMBRANCE DAY AT MORELL

Solemn Remembrance Day services were held at Morell Monday, conducted by the Canadian Legion Branch, headed by the president, James Blaxland. The first wreath at the memorial was laid by Mrs. Gerald Barry for the motherhood of Canada.

Jet Shows Up Long Reach Of US

By VERN HAUGLAND

BUENOS AIRES (AP) — Gen. Curtis Lemay showed off the long reach of the U.S. Air Force Tuesday by flying a big jet stratotanker 6,350 miles in 13 hours and three minutes without stopping or refuelling.

The hop from Westover (Mass.) Air Force Base to Benos Aires' Exeica Field set a new mark in distance and speed for officially recorded non-stop, non-refuelling jet flight.

Gen. Lemay, an expert in strategic air power who recently became vice chief of staff of the U.S. Air Force, sat in the pilot's seat of the KC-135 tanker for about eight hours of the 485-mile-an-hour flight.

"It was just another cross-country flight, very pleasant," said Lemay.

He told reporters he does not expect guided missiles will replace manned bombers in the near future.

The "first generation" of missiles will not be as efficient as bombers, he said.

NO SOVIET EQUAL

So far as known, Soviet Russia, which has announced the successful firing of an intercontinental ballistic missile, has no long-range plane comparable to the KC-135 or the B-52 bomber.

The Soviet's TU-104 jet airliner has flown 5,570 miles from Moscow to New Jersey in 18½ hours —but with three refuelling stops.

The previously accepted record for non-stop, non - refuelling jet flight was set in 1955 by a French Mistral which flew 1,448 miles.

Britain's twin - jet Canberra bomber also has made longer, officially unrecorded flights than the Lemay plane.

Increase In Theft Cases Reported

In his report to last night's meeting of the City Council, Chief of Police C. W. MacArthur, stated that during the latter part of October there was an unusual number of cases of breaking, entering and theft.

With regard to Hallowe'en night he noted that there had been very little disturbance and a small amount of vandalism had been carried out.

During the month he reported that a total of sixty-five arrests had been made, out of which sixty-one convictions had been obtained and one case had been dismissed. Out of the number arrested forty-five were drunk and incapable, resulting in fourty-five convictions. The remaining one had been placed in hospital for treatment.

In addition to the above seventeen appeared in court by way of summons and convictions were obtained in every case, with the exception of one. Charges of failing to stop at a red traffic light headed this group with eight. Four of the remainder were charged and convicted for speeding.

Among the other duties performed by the department, thirty-nine prisoners were escorted from the Police Court to the Jail and eight in the reverse direction. Twenty bicycles were reported stolen out of which fourteen were recovered and returned to their owners. Of the three cars reported stolen recovery was made in every case.

A total of $402.50 was collected by the department for traffic violations, dog licences, bicycle licences and meter permits and rentals.

CONVICTS TALK REFORM

LUCKNOW, India (Reuters)—Sixty-five convicts, including 21 murderers, attended a conference here Tuesday to discuss prison reforms and the rehabilitation of lawbreakers. The convicts are being treated as guests of Uttar Pradesh State and lodged without guards in a hotel in the busiest part of Lucknow. After the conference they will return to their prisons.

In the 960 miles of its course through Egypt, the Nile receives no tributary stream.

Baptist Ideas Show Oneness

ORTTO (CP) — The Baptist World Alliance exists to show more fully the essential oneness of Baptist people throughout the world, Mrs. Edgar Bates of Hamilton, Alliance vice president, said Wednesday.

"I appeal to all Baptist women to accept our petty differences because the great truths we hold in common unite us," Mrs. Bates told the second continental assembly of the North American Women's Union of the BWA.

"Today we are living in an age of initials and are in danger of losing the sight and the real name and components of the Baptist World Alliance. We stand for Baptists who adhere to a common allegiance. We must never forget our wonderful contribution to religious freedom."

Mrs. Bates, dean of women at McMaster niversity, was the first woman elected to the executive of BWA for a five-year term in 1955.

She spoke briefly on the Baptist women's world day of prayer which is to be held Dec. 6.

MEDIUM OF PRAYER

Prayer is the highest function of the spirit of man and this world day of prayer will cement world-wide fellowship, she said. Nowhere does the sense of sisterhood become so apparent as through the medium of shared prayer, she added.

"Prayer must be the heart beat of the work of the women's department of the BWA."

Mrs. C. W. Dengate of Toronto, executive secretary of the BWA of Ontario and Quebec, in her report on the constitution of the NABWU called for the promotion of a closer relationship between Baptist women of North America and Baptist women in other parts of the world.

May Integrate Provost, Padre, Medical Corps

OTTAWA (CP) — The defence department is "looking into the possibilities" of integrating the provost, padre and medcal corps of the three services, informants said Tuesday.

One high source said it is premature to say at the present time that any concrete proposal or plan exists to bring this about. He added various services are being examined to determine whether efficiency can be increased or any savings will result from such a move.

"The more active examination is of the medical and padre crops," he said. "The look at the prospects of integrating the provost corps of the three services now is in an early stage."

The dental corps of the army, air force and navy already have been unified. All dentists serving with the armed forces now are members of the Royal Canadian Army Dental Corps and are attached to other services.

The defence department informant said a similar plan will likely be followed in unification of other branches of the service to simpify administration.

MONTE CARLO (Reuters)—Princess Grace of Monaco celebrated her 28th birthday Tuesday with a quiet party attended by her husband, Prince Rainier, and their eight-month-old daughter, Princess Caroline.

Well Known Resident Of St. Peters Dies In City Hospital

The death of James Gregory Gillis, 64, life-long resident of St. Peter's, occurred at the Charlottetown Hospital Monday night following a lengthy illness.

For the past 43 years the late Mr. Gillis was organist and choirmaster of St. Peter's Roman Catholic Church, being appointed to this position in succession to his brother Frank, who died in 1914.

Since 1941 he combined the duties of Clerk of the County Court (second circuit) with his farming, musical, and other activities.

A keen sportsman, the late Mr. Gillis in his youth played a prominent part in athletics both in his home district and during the years he attended St. Dunstan's University.

He was a member of the St. Peter's "Pioneers" one of the earliest-organized hockey teams in the Province.

He is survived by his wife, the former Elizabeth MacMillan; five sons: John, Joseph, and Gerald, in Hamilton, Ontario; Frank a student at St. Dunstan's University; and Charles, living at home and five daughters: Anna, Mrs. Wheeler, Quebec; Rose Mrs. Gerard Dawn, Boston; Adele, Mrs. Philip Binchan, Winnipeg; Kathleen and Veronica at home.

He is also survived by one brother Paul, St. Peter's and two sisters: Mrs. Daniel Powell and Mrs. Maisie Kesterton, both residents of Boston.

His remains were transferred yesterday afternoon from the Hennessey Funeral Home to his late residence in St. Peter's from where the funeral will be held on Thursday morning at nine o'clock to St. Peter's Bay Roman Catholic Church for Solemn Requiem High Mass. Interment will be in the Church cemetery.

MORELL EAST SCHOOL

ST. MARY'S parish chicken supper this evening at the Beaver Hall. Supper served from 5 to 9.

Canada Will Give Wheat To India Under Colombo Plan

OTTAWA (CP)—Canada, with a huge wheat surplus, is to give some away to India as part of her Colombo Plan contribution. The grain is to move shortly from Eastern Canadian ports.

Prime Minister Diefenbaker announced Saturday that India has agreed to accept $7,000,000 worth of the wheat. This together with other shipments to Pakistan and Ceylon will total wheat shipments under the Colombo Plan this year to $10,000,000.

The wheat is to help meet India's "pressing needs for food grains," Mr. Diefenbaker said.

DROUGHT CAUSED CRISIS

In New Delhi, W. J. Browne, Canadian minister without portfolio, said the details are being worked out by officials of the two governments. The wheat is to help in a food crisis caused by a serious drought in northern and central India last fall.

About 3,700,000 bushels of wheat are involved in the Indian deal.

The Canadian government announced earlier that Pakistan has agreed to take $2,000,000 worth of Canadian wheat this year and Ceylon plan contribution this year totals $34,400,000. This is to be increased by $600,000 during 1958-59. Of the current total India gets about $15,000,000; Pakistan about $12,000,000 and Ceylon about $2,000,000.

WOULD BUY CANADIAN

Countries receiving this contribution usually spend part of it to buy Canadian goods, such as industrial machinery, railway cars, electrical equipment and other capital goods.

Early in the Colombo Plan's history, recipient countries agreed to take part of the contribution in wheat and this helped reduce a large Canadian surplus. In recent years, however, most of the funds were spent on capital goods.

Under wheat agreements, countries would obtain the wheat without cost and then sell it to distributors for local currencies. These funds would then be used for capital development.

CORRAVILLE SCHOOL

The following is the report for the month of October of Coraville School.

Grade VI — 1. Cletus Ronaghan 2. Arthur Flynn.

Grade V — 1. Thomas Sharkey.

Grade IV — 1. Joseph Sharkey; 2. Wayne Sigsworth; 3. Barry Sigsworth; 4. Gloria Shaw

Grade II — 1. Richard Fraser.

Grade I — 1. Raymond Sharkey.

Highest Average: — Joseph Sharkey 88 per cent.

Teacher: Mrs. Helen Cobb.

ANNOUNCEMENT

Regarding the re-naming of the new Federal Building in Charlottetown:

As you know, this building was given the name of the **"Confederation"** Building following its opening last year. This has led to a great deal of confusion for our countless summer visitors and conflicts with our historic **Confederation** Chamber in the Provincial Building.

Accordingly this organization has supported the request of the Prince Edward Island Historical Society to the Department of Public Works of the Government of Canada to have the building re-named so as to avoid such existing confusion in this regard.

Advice has now been received from Ottawa that that Department is quite willing to go along with re-naming the said building provided our interested organizations and citizens can agree on a recommendation for a new name for the building which would meet with general local approval.

Therefore this Board is conducting a contest during the month of November, 1957, to secure suggestions for a new name for this building. The contest is open to all interested organizations and citizens of Queen's County, Prince Edward Island, and your suggestions in this regard are hereby solicited. Suggestions must be accompanied by a letter giving the reasons for your choice of name, and should be mailed to Charlottetown Board of Trade, P.O. Box 336, Charlottetown, P.E.I., prior to Midnight November 30th next.

$25.00 will be paid to the interested organization or citizen suggesting the name finally chosen to replace "Confederation" Building. In the event of more than one interested organization or citizen suggesting the name chosen, the winner shall be the one which the judges select on the basis of the best letter submitted giving reasons for the choice of such a name.

Judges shall be Hon. H. L. Palmer, President of the P.E.I. Historical Society; Hon. G. J. Tweedy, President of the Canadian Club of Prince Edward Island; and Mrs. William M. Brehaut, Provincial Educational Convenor, I.O.D.E., and the decision of the judges shall be final.

Following the close of this contest it is planned to call a meeting at City Hall of representatives of all our Organizations to choose from those submitted and any others brought up thereat a suitable new name for the Building which meets with such general local approval, and subsequently to recommend the same to Ottawa on behalf of all concerned.

Charlottetown Board of Trade.
