TIRED EYES.

Especially when reading or working to artificial light are nearly always a sure indication of defective vision. It is poor economy to refrain from wearing glasses when permanent injury to the eyes may result. It doesn't cost anything to find out the condition of your eyes. Examination by correct methods free at the Queen Street Store, opposite J. D. McLeod's.

Royal Baking Powder ABSOLUTELY PURE

Medicines for the sick are not wanting. They are about as plentiful as mosquitoes in Muskoka, and sometimes just as useless and annoying. But there is a serious side to the matter. Why should those who are broken down in health, weak and weary, and high upon death often, have their conditions aggravated by remedies that do them no good. Sometimes, as Mr. Tallman, who is a retired farmer, highly respected in the community, and now living in Merrickville, has said, temporary relief is secured. But the reaction that comes from disappointment is apt to set the patient back further than he was before.

The feature of South American Nerve is its permanent healing powers. It is a medicine which strikes at the root of disease, curing the deranged parts of the nervous system, and these cured, disease cannot exist. Mr. Tallman found this to be the case. He says: "Two years ago this fall I had an attack of La Grippe, and I have never been well since. My bowels, I may say, became perfectly dormant, and I tried a great many medicines, and got just temporary relief. But it was very temporary. Mr. E. E. Errett, lumber merchant, of this town, advised me to try South American Nerve, and I must, and can, truthfully say that I have received more benefit from it than from all the other remedies I have ever taken. I can honestly recommend it to all who are afflicted with this complaint. I know nothing better. I am a much better man since taking this remedy than I was a number of years ago, and I give this testimony freely of my own accord, wishing South American Nerve the success it deserves." Sold by Dr. S. W. Dodd.

For Dyspepsia and Bad Blood—Humors Manley's Celery-Nerve Compound is unexcelled.

Mr. Geo. Reid, G.T.R. Operator, New Hamburg, Ont., under date of March 3rd, 1896, writes as follows: "I was troubled for two years with Bile and Dyspepsia of the worst kind. Tried several medicines, but none gave much relief. Until I tried Manley's Celery-Nerve Compound my blood was in a dreadful state, but I am happy to say your medicine cured me."

A CURIOUS TESTIMONY. (From an old number of Tal-Bis.) There's danger in the glass. Beware lest it misleads. The who has drained it find, alas! Too often early graves. It sparkles to allure, With its rich ruby light! There is no antidote or cure. Only its course to flight. It changes men to brute; Makes women low their heads; Fills homes with anguish, want, distress. And takes from children bread. Then dash the glass away! And from the serpent flee; If drink the cold water day by day. And walk GOD'S FOOTSTOOL FREE!

The Dark Night. If You Would Avoid its Terrors and Sufferings Be Wise and Use Paine's Celery Compound.

The dark night of sorrow, suffering and terror has come to many a man and woman in our midst, and hope has almost fled from the troubled and anxious heart. The shadows and small clouds, or, in other words, the symptoms of disease that were noticed and felt some time ago, were disregarded, and the sufferers now find themselves completely overwhelmed, and are calling for succor and release.

To the disease-burdened we would say, despair not. You may renew life and establish a condition of health that will cause your friends amazement and wonder. Paine's Celery Compound will do the good work for you. It restores lost vigor and vitality, gives new, fresh blood, braces up the nerves, and builds up flesh and muscle.

Paine's Celery Compound, the center's work is no new and untried remedy. It has been tried and tested for years, and has proved triumphant in the most obstinate cases. It has saved life after all other medicines failed, and has the approval of the best medical men on this continent.

If the shadows of disease are hovering over you, if you are not as bright, energetic and strong as you were some weeks ago, a few doses of Paine's Celery Compound will tone up your whole system, cleanse the blood, correct indigestion, sharpen the appetite, and give you a vim and vigor that you will thoroughly appreciate.

By all means give Paine's Celery Compound a fair and honest trial at this season, and you will be compelled to sing its praises as thousands of others have done. Get the genuine "Paine's," as there are vile imitations.

Cripple

The iron grasp of scrofula has no mercy upon its victims. This demon of the blood is often not satisfied with causing dreadful sores, but racks the body with the pains of rheumatism until Hood's Sarsaparilla cures.

Made

Running sores broke out on my thighs. Pieces of bone came out and an operation was contemplated. I had rheumatism in my legs, drawn up out of shape. I lost appetite, could not sleep. I was a perfect wreck. I continued to grow worse and finally gave up the doctor's treatment to

Well

take Hood's Sarsaparilla. Soon appetite came back; the sores commenced to heal. My limbs straightened out and I threw away my crutches. I am now stout and hearty and am farming, whereas four years ago I was a cripple. I gladly recommend Hood's Sarsaparilla." URBAN HAMMOND, Table Grove, Illinois.
