Splendid Musicales at Notre Dame Academy

Large Audience Last Night Enjoyed Brilliant Concert in Aid of New City Hospital.

The large number who attended the musicale at Notre Dame Academy last night were treated to a feast of excellent music by the students of the institution.

This Lordship Bishop O'Leary presided at the entertainment, which was in aid of the new City Hospital, and judging from the excellent attendance a good sum was evidently realized.

The programme was mostly made up of instrumental music, by such artists as Hoffmann, Thome, Bachmann, Schubert and others well known to the music lover. The interpretation of the works of these masters by the pupils was wonderful and elicited well deserved applause at the conclusion of each number.

Favorable comment was heard on every side on the work of the orchestra, composed of twelve young ladies, with violins, mandolins, guitar, harp and piano. Although encores were graciously refused the orchestra were compelled to respond to an insistent recall.

Vocal solos most enjoyable and capably rendered, were interspersed throughout the instrumental numbers. Action songs, by a number of girls, some of whom were mere "tots," proved that the Sisters of the Academy spent considerable time in preparing the students, who performed the slightest movements without the slightest hesitation.

A most amusing sketch "Interruption" kept the large audience in a constant uproar and the two clever young ladies were amply rewarded by rounds upon rounds of applause.

The entertainment concluded with a grand chorus and "God Save the King."

Russia's Reply to Allies Has Been Delivered

As Reply Will Require Alteration its Final Consideration is Delayed Till Tomorrow.

(Special to The Guardian)
GENOVA, May 10.—The Russian reply to the Allied memorandum which was ready for presentation this forenoon was delivered to the Allies as expected at the last moment. After a conversation between Foreign Ministers Tchitcherine of Russia and Schanquer of Italy it was decided the reply would have to undergo some alterations.

M. Tchitcherine left Genoa at 2 p.m. returning to Santa Margherita to consult the other members of the Russian delegation and it was not expected therefore that the reply could be presented until tomorrow. The fact that the delay was due to M. Tchitcherine's visit to Signor Schanquer was regarded in some quarters as a favorable indication.

Fatal Traffic Accident At Summerside Yesterday

Nine Year old Son of Mr. Pascal Sonier Killed While Crossing Street by Slow Moving Motor Car.

A very sad accident occurred in Summerside at noon yesterday (Wednesday) when little Donald Sonier, nine year old son of Mr. Pascal Sonier, and a scholar of the Summerside High School, ran into and was fatally injured by a motor car owned and driven by Mr. J.E. Gallant, of Summerside, while crossing Central Street, before the convent building.

The injured boy was immediately taken to the Prince County Hospital and received prompt attention by Drs. J. J. McPherson, E. T. Tanton and J. P. McNeill but his injuries about the head and from the shock were so severe that no hope could be entertained and within fifteen or twenty minutes he expired.

Everything possible to avert the accident was done by Mr. Gallant who is known to be one of the most careful driver motorists in the province. At the inquest held in the afternoon by Coroner Dr. E.T. Tanton he was completely exonerated from any blame in connection with the accident.

At the inquest it was shown by Mr. Gallant and by Mr. Jas. H. Pritchard, passenger in the car, that the vehicle was not being driven over two miles an hour; that the motor horn was sounded at the street crossing and that many children were playing in the street at the time.

Liberals Held Their Caucus During the Past Week

Yesterday's Caucus Was Devoted to Consideration of Budget. A Reduction in Tariff on Some Lines is Expected.

(Special to The Guardian)
OTTAWA, May 10.—For the third time within the space of little more than a week Liberals gathered in caucus again this morning with a full representation from both Houses of Parliament. As a result of the two recent gatherings an agreement was reached on the militia estimates and on the bonus question the Government's policy in regard to both indicating that private member's views are not always disregarded. The budget will be the next important item in the Parliamentary program while it is quite impossible for the Finance Minister to divulge even to his own party the details of his fiscal policy. Members feel that they are entitled to at least some broad and general outline of the tariff proposals which the Minister intends to submit and it is quite probable that at today's caucus Mr. Fielding permitted the members to do most of the talking in this regard and that his own statements were of the most general character. There is an impression, however, that the new Fielding budget will be almost as interesting as the first which he delivered in 1917 and that there will be a very considerable tariff revision. It is predicted that textiles will be deprived of a considerable portion of the protection which they now enjoy and that on which they now derive a large number of the necessities of life and the implements of production. Members feel that they are

Mother Held for Her Sons Murder

(Special to The Guardian)
PETERBORO, Ont., May 10.—Abraham Filion and Mrs. William Edwards are being held in the county jail here charged with the murder of Ernest Edwards. This is today's latest development in the series of incidents that began on Wednesday, April 12 by the finding of the lifeless body of Ernest Edwards in the backyard of the premises which the family was occupying on the fifth line of Dummer, by John Williamson, of Norwood.

Succeeding episodes were the several sittings of the inquest presided by Dr. T. N. (Coroner) Greer. Mrs. Edwards, mother of the deceased, was of a suspicion that her son might have taken strychnine although she could ascribe no reason for such an act, and also her announcement that a bottle containing a quantity of the poison that had been kept in a trunk of her son's room was missing.

The coroner's jury will continue its hearing on Thursday night, chief interest attaching to the expected report of the analysis of the contents of Edward's stomach.

Dail Committee Failed to Agree

DUBLIN, May 10.—A Committee of the Dail Eireann, which has been making efforts to find a ground upon which the factions in Ireland in Ireland could unite has failed to reach a basis for a settlement. It was officially announced this afternoon.

50,000 WHITEFISH FRY

SAULT STE. MARIE, May 10.—Today the Sault fish hatchery commenced the planting of 50,000 whitefish fry in the eastern end of Lake Superior, and St. Mary's River. This spring the hatchery has released 800,000 speckled trout fry and 10,000,000 lake trout, and are now collecting pickered and rainbow trout spawn.

THE PURITAN UNLOADING HER FIRST CATCH

GLOUCESTER, Mass., May 10.—The fishing schooner Puritan, prospective International Fishermen's Cup race contender, was unloading today her first catch of fish. On her maiden voyage of three weeks she caught 25,000 pounds of halibut. Captain Jeffrey Thomas said he was well pleased with the showing of the Puritan. She proved fast, he said, on every point of sailing and especially under heavy weather conditions.

A Fine Shipment

The following is a copy of a letter received from one of the buyers of the Island Seed Potatoes:

May 6th, 1922
Mr. W. Boulter,
Charlottetown, P.E. Island,
Dear Sir:

The car of potatoes we ordered from you arrived in first class shape and I wish to personally thank you for your promptness and kindness in sending this car.

I have never had the pleasure of unloading a nicer stock of potatoes. They are the right size, fair and very well graded. If I might offer a suggestion, it seems to me that stock of this quality deserves better containers than were used, with these, but that is only a matter of opinion.

Yours very truly,
(Sgd.) E. N. MOSEMAN,

Meeting of Presbytery In Zion Church Tuesday

At Charlottetown and within the hall of Zion Church there on Tuesday the ninth day of May in the year one thousand nine hundred and twenty-two at eleven o'clock in the forenoon.

At which place and time the Presbytery of Prince Edward Island was constituted with prayer by Rev. J. S. MacKay.

Sederunt—G. S. Mitchell, Moderator, G. C. Taylor, J. M. MacLeod, J. A. Greenlee, W. H. MacEwan, J. M. Murchison, R. H. Stavert, John Stirling, J. C. Martin, G. A. Christie, E. Lockhart, J. A. McLellan, M. D. MacDonald, D. MacGowan, J. S. MacKay, G. P. Tattler, A. J. MacNeill, W. O. Mulligan, R. G. Sinclair, D. MacLean, ministers, and H. E. Brehm, J. J. McLeod, R. W. Stevenson and A. Bonnell, Elders.

The minutes of the meetings held on Jan. 24th and March 7th, being printed and in the hands of members were read and sustained.

Messrs. Geo. Cameron and W. L. Green were invited to sit and correspond.

Notices were read from the Presbyteries of Alameda, Castor, Montreal, Sudbury, Toronto, Westminster.

The Clerk intimated that he had received an extract minute from the Presbytery of Pictou that Mr. A. W. Robertson had accepted the call to Kensington and the date of his induction was fixed for Thursday, May 11th at 2 p.m. in the Church at Kensington.

The matter of a suitable monument to the memory of the late Dr. Fullerton was discussed and a committee consisting of the Clerk, the Moderator, Messrs. Mulligan, Miller and Greenlee was appointed to cooperate with the Session of St. James congregation in the matter.

Mr. Lockhart made a statement regarding the Missionary moving pictures and requested that any congregation, desiring to have these pictures shown, should communicate with him.

The Clerk reported that since the last meeting Mr. J. W. MacKenzie had declined his commission to the General Assembly and that by rotation this commission had gone to Mr. J. M. MacLeod. Presbytery confirmed the appointment. Mr. Stirling having intimated that there is some uncertainty as to his being able to accept his commission, Mr. R. S. Sinclair was elected as his alternate.

The Sessions of Dundas and Georgetown, having declined the Commission offered them, the appointment of the following Elders-Commissioners was confirmed:

Zion—A. D. Fraser,
Cowhead—N. Ira Shaw,
Hampton—J. J. McLeod,
Kensington—Arch. McMurdo; alternate D. MacKenzie,
Marshfield—J. T. Ferguson,
Montague—D. L. McKinnon.

Reference was made to the death of the late Rev. James MacDonald and of Mr. J. D. Martin, a brother of a member of the court. A committee consisting of Messrs. Greenlee, Tattler, Stavert, Dr. MacEwan was appointed to draft a suitable resolution. This is as follows: "In the lamented death of the late Rev. James MacDonald, the Presbytery of Prince Edward Island extends to his bereaved congregation and relatives their deepest sympathy; as also to Mr. J. C. Martin in the decease of a loved brother."

The Moderator reported on the committee to investigate the working of co-operation at Inverness and stated that in the judgment of the committee, there was no need for any action on the part of the Presbytery. This report was received and adopted.

Mr. J. A. MacLellan reported for

rearrangements within the bounds of the congregations of Murray Harbour South, Caledonia and Wood Islands as also for Presbyterial Visitation. His report was received, the committee continued and asked to submit more definite proposals at the afternoon Sederunt. They were also congratulated on their activity.

Mr. J. C. Martin moved, duly seconded, that Mr. Donald MacKinnon, K. C., be elected to represent the Presbytery on the Board of the Protestant Orphanage in the place of Mr. K. J. Martin retiring. This motion was carried.

Presbytery then adjourned to meet in the same place at two o'clock in the afternoon, of which public intimation was made and this sederunt closed with the Benediction.

G. S. MITCHELL, Mod.,
G. A. CHRISTIE, Clerk.

In the name place and at two o'clock in the afternoon, the Presbytery met pursuant to adjournment and was constituted with prayer by the Moderator.

Sederunt Ut Supra.

Mr. J. A. MacLellan reporting for the Committee on rearrangements of congregational boundaries, submitted the following recommendations:

"That under circumstances favorable to the Methodist congregation at Murray Harbor South, Caledonia, Murray Harbor and Murray Harbor South be formed into one pastoral charge, each as a separate congregation, the manse to be at Murray River, and services to be as agreed on by the several Sessions in conference with a committee of Presbytery;

And, that Wood Islands and Little Sands be united to form a pastoral charge, each as an independent congregation, with services to be as agreed upon by the several Sessions in conference with a committee of Presbytery.

"We further recommend that Caledonia make compensation to Little Sands for their interest in the Manse property at Murray River.

Mr. Stirling moved, duly seconded, that the Presbytery tentatively approve this recommendation and summon all parties to appear for their interests at the regular meeting of the Presbytery in August and that the Committee be continued. This motion was agreed to.

The Clerk read the resignation of Mr. Roland Davidson, of the pastoral charge of Richmond Bay East and moved, duly seconded, that the resignation be laid on the table and the congregation be cited to appear for their interests at a meeting of Presbytery in Cavendish on May 30th.

Mr. Stavert reported that he had moderated in a call at Cavendish, which had come out heartily and unanimously in favor of Mr. J. Sidney Bonnell, a licentiate of our Church. A guarantee of stipend accompanied the call and an offer of four weeks vacation.

The conduct of the Moderator was approved, the call received and Messrs. Stevenson and Moffatt, Commissioners heard in support. Thereafter it was sustained and placed in Mr. Bonnell's hands, who intimated his acceptance of it. Arrangements were made for his ordination and induction in the Church at Cavendish on May 30th at 7 p.m. as follows:—

The Moderator of Presbytery to preside and induce Mr. A. W. Robertson to preach; Mr. Stirling to address the Minister and Mr. Stavert the people.

Presbytery then adjourned, to meet in Kensington on Tuesday the eleventh day of May and at two o'clock in the afternoon, of which public intimation was made and this sederunt closed with the Benediction.

G. S. MITCHELL, Mod.,
G. A. CHRISTIE, Clerk.

Mr. A. A. Paoli Wins Honors

In the May Number of the "Engineering Journal," the Journal of the Engineering Institute of Canada, appears the following extract from a report of the operations of the Kingston Branch of the Institute:

The next regular meeting was held on February 14th. At this meeting three prize papers written by student members of the Branch were read.

The paper winning first prize was entitled "A Canadian High Speed Steel Plant." It was written by A. A. Paoli, a final year engineering student. Mr. Paoli has spent three years in the steel electric smelting industry and has gathered such a valuable fund of information on the subject that he is indeed an authority on electric smelting and the operation and design of steel plants.

It was sought to show that it was possible to operate a tungsten steel plant in the vicinity of Vancouver so that it could compete to advantage with the British and American industries. Incidental with the main object in view, a steel plant and high speed steel was discussed. The contents of the essay as submitted were as follows:

1. Definitions of high speed steel, its uses, unique qualities, commercial status and manufacture of the steel.
2. Location of the plant as regards raw material, freight rates, tariff, power, labor market. Design of the plant and description of the building.
3. Equipment entering into the manufacture of high speed steel. Design of a furnace.
4. The working of a typical heat. Details of refining and alloying. Metallurgical reactions.
5. Mechanical treatment of the steel.
6. Advantages of the duplex process over the crucible process of making high speed steel.
7. Analysis of costs for a Canadian operated plant.

The paper was well illustrated by slides and the subject matter was presented practically without the help of notes.

Mr. Paoli, mentioned above is Mr. Ambrose A. Paoli, B. A., B. Sc., A. M. E. I. C., son of Mr. Simon Paoli of Charlottetown.

He is a brilliant graduate of Queen's University and has just completed a post graduate course at his Alma Mater, making six years in all in engineering.

He holds an excellent position on the Highways Commission for the province of Ontario.

He received a substantial cash prize for the winning of the paper referred to above.

Village Imperilled By Gas Explosion

ROME, May 10.—The village of Marostica is imperilled owing to the explosion of 200 large calibre shells, a majority of them gas shells, says a despatch from Vienna.

The countryside is filled with dense clouds of yellow vapor, which endangers life throughout the entire community. Other explosions are feared, as there are large accumulations of all kinds of munitions at Marostica. Troops have been sent to the village in an endeavor to isolate the dangerous district.

Two Farmers Take Their Own Lives

HOLSTEIN, Ont., May 10.—The body of Richard Ellis, a farmer, who has been missing for more than a month was found on Saturday floating in a stream a few miles from here. His coat was hanging on a stump and suicide is suspected. He was between 50 and 60 years of age and unmarried. Robert Machin, a farmer, 37 years old, and residing six miles north of Holstein, committed suicide this morning by shooting himself. He had been dependent for some time, owing to ill health. He leaves a widow and grows up family.

Lady Astor Declines Prohibition Debate

NEW YORK, May 10.—Lady Astor said tonight, by telephone from her home in Virginia, that she would decline a challenge from Miss Elizabeth Marbury, National Democratic Chairman of the Women of State of New York, to a public debate on Prohibition. The challenge was telegraphed her yesterday by Stuyvesant Fish, Vice-President and Treasurer of the Association Against the Prohibition Amendment.

Graduate Nurses Hold Banquet at Victoria Hotel

The annual meeting of the Graduate Nurses of this city and Summerside was held Tuesday night at the Victoria Hotel.

The twenty-two young ladies first sat down to a sumptuous repast in the Hotel dining room after which, through the courtesy of Mr. Harry Brown, the popular manager, they proceeded to the parlor, where the first annual meeting was held, Miss Bessie Beer occupying the chair.

The election of officers resulted as follows:

President—Miss Bessie Beer.
Vice Pres.—Miss Mamie Profit.
Secy Treas.—Miss Ora B. Profit.
Registrar—Miss A. M. Ross.
Three new members were admitted and five names submitted to the Credential Committee.

The meeting instructed the sick committee to send flowers to Miss Gordon, who is ill at the P. E. Island Hospital.

A resolution of sympathy was passed and a copy ordered to be sent to the relatives of the late Dr. James Ralph.

A vote of thanks was also passed to Messrs. E. T. Higgs, C. Gavin Duffy, and M. McKinnon for assistance in the passing of the Act of Incorporation.

The speakers were all enthusiastic, and from the tone of the meeting will make the association a success as it was pointed out last night the nurses up to a year ago had no organization, notwithstanding the fact that the P. E. I. Hospital had been graduating nurses since 1884, and also Prince County Hospital since its founding, some few years ago, the latter graduating twenty six nurses and the P. E. I. Hospital over one hundred.

The City Hospital opened a training school two years ago, and will have a graduating class of ten, in June 1923.

The graduate nurses eventually banded together and organized the association which was incorporated by act of parliament at the recent session for the purpose of elevating and maintaining the standard of qualifications for graduate nurses; of securing their registration by the Province; of advancing the interests of the nursing profession; of establishing cordial re-
