ALUMINUM SNOW SHOVELS

SHOVELLING SNOW CAN BE ENJOYABLE

Shovelling snow like skiing, can be quite an enjoyable exercise especially when the shovel you're using is light and durable. And here at Rogers Hardware we have just the kind of shovel you need. It's the aluminum snow shovel and we have different kinds to suit your particular needs. The Snollite sells for \$3.35 and our long handle special sells for only \$3.25. Then we have the 18" Superlite pushers which can be bought for \$4.45. We suggest you take the easy way this winter and protect your heart by using one of these light Aluminum shovels. And kindly don't delay. Those snow storms that are bound to come won't be such a problem when we're equipped to cope with them.
