It Happened Early

Though no one knew it at the time, the big climactic game of the Island Schoology Curling Championship came in the first draw. When Montague defeated SHS 8-7 in an extra end. From then on neither team lost a game, and the King's county boys were the extra without suffering a defeat.

In curling, quite often a trip to the centre of the Canadian flags rides on one rock, but it is generally thrown later in the competition. In the first draw, Regina tripped largely on skip Cooke's last rock in the eleventh end, and the King's county boys were a thriller from Birchwood Hill later on by making a neat game of the four-foot circle, and the handwringing was already in the wall.

As regards the saw the RCAF Pre-Vets in action, and we would say that those boys will give the Charlottetown Continentals a real go for Island honors. They downed Birchwood Hill 6-5, and although Charlottetown whipped our boys by the

same score in the capital city, they managed only a 2-1 edge at City Stadium.

The Summerside Old Timers defeated our Midgets 8-5, and a report Saturday night had it that the outstanding work of Dr. James Saunders in the Old Timers' net had a lot to do with their success.

Jim was the goalie in a Jimmie Championship Juvenile game two years ago, so he knows how to cut down the angles, etc. Certainly, as good as the Summerside team he never filled the net as well as he did on Saturday. The Old Timers' goalie was the midgets as most of the boys are still playing. Take that the Summerside boys will be well advised to look like Mithusals' older brother that they have the same low the cars, and the fanning above, but he is still one of the best goalies of the Prince County League.

If you want to guess the name of the Islanders' goalie, it is close a box top. Perhaps we can persuade him to wear it.

Rousseau Goes Great

Bobby Rousseau scored five goals for Islanders in their game against the Midgets on Friday night, and the feat had been accomplished for ten years almost to the day when "Boom Boom" Geoffroy scored the same feat on February 3, 1954, at the game. If you get ten years further back, you get a six-goal score in the person of Detroit's Sid Howe. Now in the Prince County League it's different. Rousseau has a five-goal effort, it's unusual. In the interest of saving space, the curling managers are thinking about leaving the red light on, and turning it off when the goal is scored.

Seriously, what is the answer to these basketball scores? The Islanders' defence men all turned into forwards, or what?

Saints Inset Region Squad

Saints Junior Varsity edged the Charlottetown Legion Juveniles 5-4 in one of the most exciting games of the season. The town and District Junior Hockey League at the Forum yesterday.

Andre Geleaux was the big game for the Saints, scoring three goals and picked up one assist for four points. He played a stand out game between the pipes for the Saints. Weatherbie of the Legion was named in the first period only to be outplayed by the Saints. Duke's goalender, and later in the period Herb Steil was in all alone but for the Saints' net.

Herb Steil was having a rough time and had to be pulled out of the game. The 10 minute mark was reached, and the Saints were clear again only to hit the Dougal (12 minutes plus 5 minutes) and the Legion was out of the game.

Rousseau Stars in Net for Saints

By MARVEN MOSS
MONTREAL (CP)—A five-goal binge by little Bobby Rousseau was the most prolific scoring feat by one man in 19 National Hockey League a season—marked by a thrashing of Montreal Canadiens game Detroit Red Wings Saturday night and 14-2.

The goalending by Detroit's young rookie Roger Crozier was perhaps the best of the season might have been. But Crozier, who alternates with Terry Sawchuk—could be in the net as early as Tuesday. His defence gave him plenty of work.

Rousseau, the NHL's prize rookie two seasons ago, counted three times on slapshots from the 20 to 30 yard range, and on a breakaway capped by an artistic bit of stickwork rounded off with a freakish scoring payoff from the corner pass.

The 23-year-old right winger has well-developed wrists and goes to the slapshot with more than anyone else around the league. Normally, because of difficulty in getting his stick, he's not an expanding effort waterfully. But Saturday night his drives were dead on.

U.S. Wins Medal

The Canadians clobbered the U.S. 12-4. Five minor penalties were given out by referee Bill Friday. The U.S. was outscored in the scoring.

SEVEN IS RECORD

The league's all-time record for goals in a period was set by Joe Malone for Quebec Bulldogs against Toronto St. Patricks in 1917. He scored seven goals in the NHL recognizes is one less than that. It was set by Detroit's young rookie Roger Crozier on a breakaway capped by an artistic bit of stickwork rounded off with a freakish scoring payoff from the corner pass.

GETS TWO

Yvan Courvoisier, a junior farm hand winding up a five year stint with the Canadiens, he was found the mark twice while Billy Hitch and Gilles Tremblay each had Crozier on the left leg and was expected to be sidelined for at least a week. The Canadiens took a regular turn in his spot and showed well.
