MONEY IN YOUR POCKETS

If You Act on the Advice Given Below.

We can hardly impress too strongly upon our readers the necessity of a careful inspection and comparison of our stock before purchasing elsewhere.

It is impossible to show qualities on paper, neither can values be represented in words.

Prices tell best when the goods are before your eyes. Therefore we can only tell you in a general way that our Store is Headquarters for Bargains in

Clothing, Carpets, Hats, Dress Goods, Black & Colored Dry Goods of every description.

Nothing will please us so much as for you to call and test our claims. Nothing will be surer than the saving you will make by purchasing what you want at our Store.

Believing that quick sales and small profits will produce the best results for both buyer and seller, we have adopted this method in our business.

We do not claim to sell less than cost, but we claim to sell on a commission, and find it pays better than the old way of doing business (big profits and slow sales).

We are always ready to do the right thing by our customers, and it's a pleasure to show goods and quote prices, even if people don't want to buy.
