

TRADES IN 1932 CAR
 TORONTO (CP) — Rev. Paul Charboneau, 71, traded in his 1932 car, which he has been driving for 24 years, and entered the "auto buy now" sales campaign here. He bought a 1954 model and got \$200 for his old car.

Who Stole The Pennant?
 MILWAUKEE (AP) — While Milwaukee Braves were concentrating on beating St. Louis Cardinals 3-2 Tuesday night, someone stole the club's World Series championship pennant from the flag pole.
 The 37-foot blue and white banner was flying from a 59-foot temporary flag pole just behind the left field fence. Someone got to the pole, ran the flag down to the ground and quietly walked off with it.
 A policeman spotted two young men taking the flag. He was attempting to get their names when they were carried away in the crowd pressing for the exits.
STAGE FAMILY
 Ethel Barrymore made her acting debut in a play starring her grandmother, Mrs. John Drew, at Montreal in 1894.

Reuben Says He Won't Pay
 PHILADELPHIA (AP) — Pitcher Ruben Gomez of San Francisco Giants said Wednesday he would not pay the \$100 fine levied against him by National League president Warren Giles for the ruckus in Pittsburgh last Sunday.
 Gomez, teammate Orlando Cepeda and Pittsburgh manager Danny Murtaugh were fined \$100 each by Giles for the argument and fist throwing that almost mushroomed into a free-for-all between the Giants and Pittsburgh Pirates.
 The ruckus started when Murtaugh protested umpire Frank Dascoli's warning to Pittsburgh pitcher Vernon Law for a "dust-up," he threw at Gomez.
 "I won't pay the fine," said Gomez here Wednesday.
 "I think I don't deserve it," he said. "I didn't start any trouble."
 Giles informed Gomez he was being fined for swinging a bat during the fracas. Gomez observed, "What does he want me to do, swing with my fist. I was batting."

Race Favourite Pulls A Muscle
 LONDON (AP) — Alcide, betting favorite for the June 4 running of the Epsom Derby, has pulled a muscle in his stomach opening the way for the American entry Bald Eagle to take over favorite spot for the big race.
 Alcide was the 6-to-1 favorite at the last call-over. Bald Eagle and French-owned Neoler II were joint 8-to-1 second favorites.

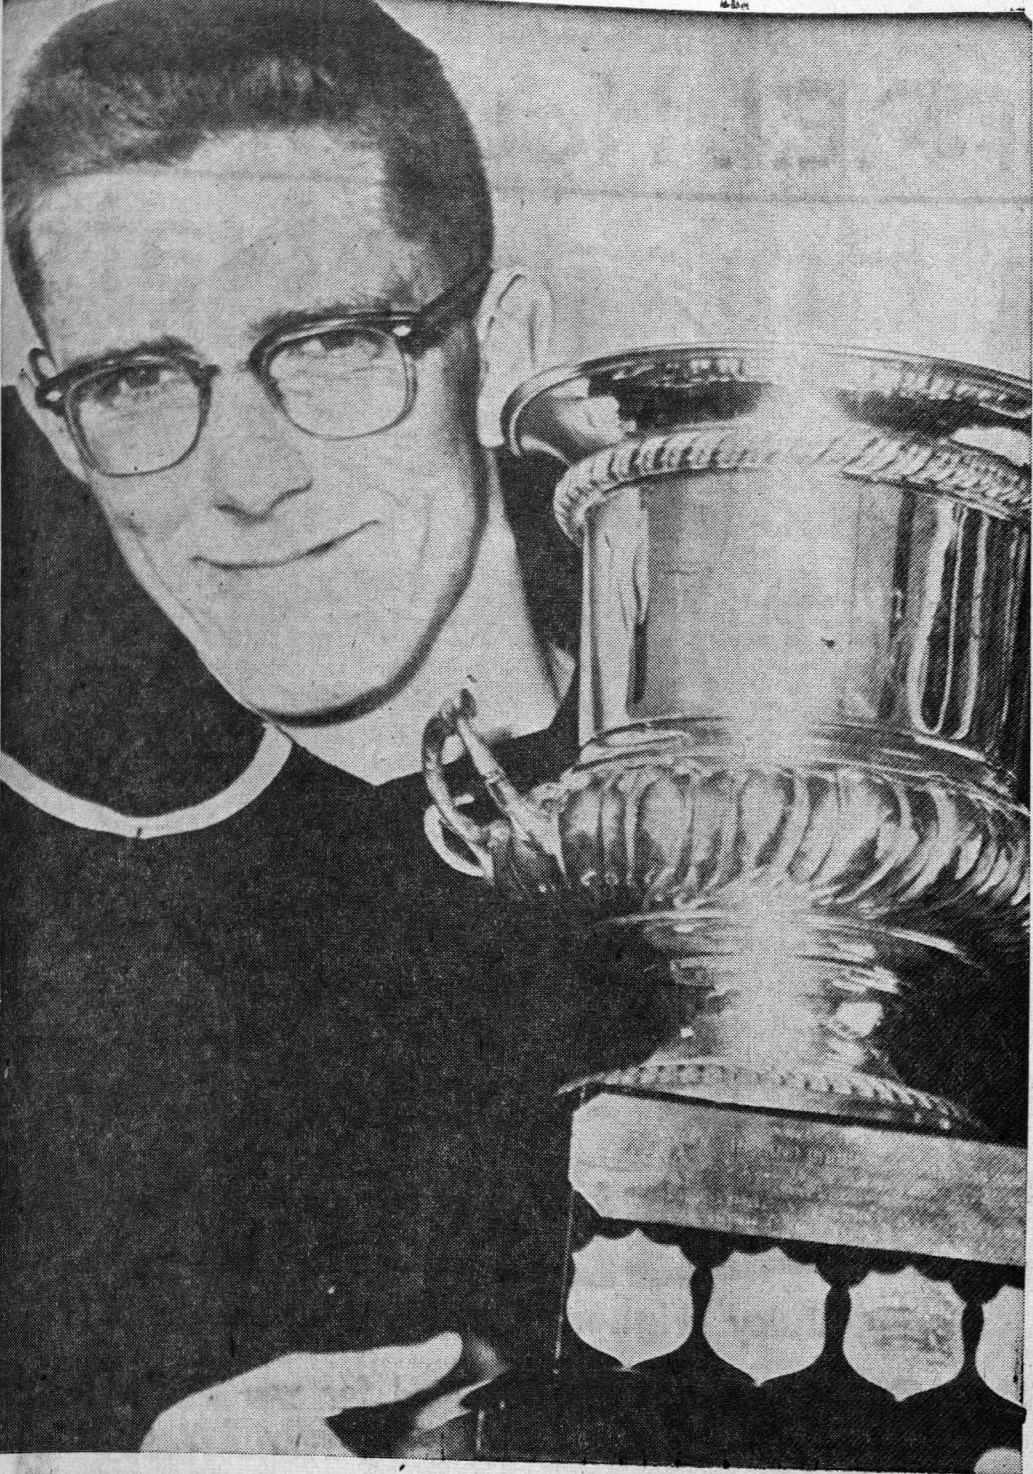

Ball Pennant Back In Place
 MILWAUKEE (AP) — Milwaukee Braves' world championship baseball pennant, which disappeared from Count Stadium Tuesday night during an uproar following a winning rally by the Braves, was back in place Wednesday.
 Two solemn young men were waiting for District Attorney William McCauley when the prosecutor arrived at his office Wednesday morning.
 "It was like pulling down the goal posts, after Joe Adcock hit the home run that won the game," one said. "We don't think it's funny this morning."
 McCauley conferred with Braves general manager John Quinn, who declined to prosecute, and the youths took the 37-by-15 foot pennant back to the stadium.

Softball Practice
 Junior Basilica Youth Club hold a softball practice this evening at 5.45 at the old diamond in Victoria Park. All players are urged to attend.

Air Force Team Edges Rollaway

Summerside Air Force edged Rollaway Aces 5-4 last evening in a regular City Softball League Fixture played at Victoria Park.
 It was the first appearance of the Airmen in this year's loop and they made their initial performance a winning one. For the Aces it was their second loss in as many starts. They bowed to Barry's Lions in the league opener on Monday night.
 The few fans who braved the inclement weather witnessed a really thrilling battle last evening as the two teams went all out to grab the laurels. Aces trailed 5-2 entering the last of the seventh, got two runs to make it 5-4 and had the tying run at second when Joey Leclair grounded to first for the final out.
 Marchand went the distance for the winners and gave up seven hits to Willis Hennessey's Rollaway Aces. That was one more than losing hurler Henry Hartinger yielded to the Airmen.
 The Flyers opened the scoring in the top of the third sending two runs across home plate on two walks, a single and an error. The Aces knotted the account in their half of the inning using a double, single and an error as the ammunition. The Air Force came back with three more in the fourth and the score remained 5-2 till Aces staged their last inning rally which fell one run short.
 Bryson of the Airmen and Hillson Carr of the Aces were the only players to collect more than one base hit. Each had two singles in three official trips to the plate.
 Joey Leclair of the losers and Little of the winners banged out doubles, the longest hits of the evening.
 Kip Ready was umpire at the plate with Len Arsenault doing the bases.

500-Mile Auto Race On Friday
 INDIANAPOLIS (AP) — Engineers tuned up 33 race cars and 250 loudspeakers Wednesday for America's noisiest sports event, the 42nd 500-mile auto race, and then closed up shop until the furious flying start Friday.
 The 2½ mile track, closed since the end of qualifications Sunday, was re-opened for three hours Wednesday to let drivers get the feel of their cars with full tanks and give mechanics a last chance to make adjustments.
 The "500" festival, inaugurated last year, already had boomed into a major carnival. It starts today with Mayor Philip Bayt's breakfast honoring former 500 winners, clear back to Ray Harroun, first Indianapolis champion of 1911.
 Many of the more recent winners will be missing. Three of the Indianapolis champions since the Second World War — George Robson, Bill Vukovich and Bob Sweikert — have died in racing smashups.
 The last two 500s have been run without a serious injury. Two drivers suffered relatively minor injuries in practice runs for this year's race.

BREAKS RECORD
 Gordon Dickson, 26-year-old native of Clarksburg, Ala., appears certain of gaining a berth on Canada's British Empire Games team after breaking the BEG and Olympic records for the marathon run. He covered the 26 miles, 385 yards in two hours, 21 minutes and 50.5 seconds, 10 minutes faster than his own Canadian mark. The BEG record is 2:30:49.3 and the Olympic mark 2:23:03.2, set in 1932 by Emil Zitopek of Czechoslovakia. There is no recognized world record because courses vary but the lowest record time is 2:14:14, set by Antti Viikari of Finland in 1956. Dickson, shown here with a trophy won in earlier competition, reached his mark in the BEG trials at Hamilton.

School Children Present Sparkling Spring Frolic
 The children of O'Leary School presented a delightful concert, "A Spring Frolic," Wednesday evening, May 21, in O'Leary Hall.
 Mrs. Mae Palmer's Class Grades 1 and 2, opened the program with a Welcome Chorus, then followed with little action songs and choruses. The Roybin and the Chicken, by Lloyd Adams and Wayne MacDonald, was clever. The Playlet "Dolly has the Flu" by the small children of local Doctors: Ellen Dewar, Robert Bruvels and Donald Fraser, was thoroughly enjoyed.
 Mrs. Isabel Campbell's Class, Grades 5 and 6, presented a group of songs: The Shepherdess — featuring Ruth Buchanan and Keith MacDonald. Work and Play — with Agnes Phillips, Sheila Carruthers, Carol MacDonald and Carol MacGregor, Robert Turner, Robert Matheson, Muncy Buchanan, and Dale Turner. The Farmer and his Wife — with Noelle Gray and Charles Vey. O! Dear, What Can the Matter Be? — featuring Mary Coughlan and George Saunders.
 Some of O'Leary's young pianists who entertained were, Dorothy Dennis, Sheila Carruthers, George Saunders, Betty Phillips and Valerie MacWilliam.
 Mrs. Matthews Class — Grades 3 and 4 presented a Play: Clare MacWilliam as the "old farmer" in the Musical Play, Down on Old MacDonald's Farm, carried this character to the delight of the audience. The supporting cast of children as farmers, farmerettes, chickens, ducks, pigs, and a dancing cat and dog, depicted by Nicky Bruvels and Larry Dumville rounded out the excellent performance.
 The chickens represented by Janice MacWilliam, Frances Stang, Blair Ellis, Rita Johnson, and little ducks by Phyllis Dennis, Cathy Jelley, Pauline Bernard, were soloists in humorous verse; and the little pigs, Norman MacDougall and Boyd Smallman sang and acted their parts well. Jean Adams, Judy Pate and Sylvia Matheson as Farmerettes, each sang a pretty song. John Strang, one of the Farmers, step-danced to the delight of all.
 A Song-and-Dance number, The Banjo's Back in Town, by Alice Silliker, was a "hit." Elaine Vey, Ruth Buchanan, Caroline Adams, and Alice Silliker sang a lovely version of Catch a Falling Star. Olive Harris singing Allegheny Moon; Virginia Silliker, singing, "Sweetheart" from the Operetta, Maytime and Ruth Saunders singing "I'll See You Again" from the Operetta, Bitter Sweet, all received hearty applause and encores.
 The numbers were all well presented and the audience was appreciative. The program was produced and directed by Mrs. Rogan of the teaching staff (music), and was under the auspices of the Women's Institute. Mr. Douglas Adams was master of ceremonies.

Tighten Up On Dumping Of Foreign Goods
 OTTAWA (CP) — The federal government is hiring 40 new customs appraisers and tightening up its regulations against "dumping" of imported goods, particularly textiles, Revenue Minister Nowlan informed the Commons Wednesday.
 Replying to a question by Howard Graffey (PC—Brome-Missisquoi), he said the 40 appraisers will be hired as quickly as possible. They would be posted through Canada and to foreign exporting points to check values of goods shipped to Canada.
 Mr. Graffey inquired specifically about "unfair" dumping of textiles.
 Dumping generally is considered to be the export of goods for less than the domestic market price in the country of origin. For some years Canada has had a special anti-dumping provision against end-of-line or end-of-season textile sales whereby valuation for duty purposes is averaged over a period to protect against sudden seasonal price drops.
 Mr. Nowlan said new instructions call for more detailed information about imports, especially textiles, and for a sample of material to accompany invoices in cases of textile imports.
 J. W. Pickersgill (L—Bonaventure-Twillingate) asked whether any of the 40 new appraisers will be sent to the United Kingdom.
 Mr. Nowlan said they will be sent "wherever the department in its wisdom decides they are needed."
