Mount Stewart Notes.

In the notes telephoned last week appeared a few errors, viz: Mr. McDonald should be Mr. Feehan, and it was Mr. Egan who loaded and sent off five vessels.

The leading business men of Mt. Stewart are D. Egan, J. Ross, S. C. Clarke, Newbery Bros., and H. F. Feehan. All these have fine stores, do a crnsiderable amount of business, and ship large quantities of produce.

Messrs. James McCarthy, Gordon Douglas, Allan J. McDonald, Wm. Sellars and G. B. McEachern all do a fair business in dry goods and groceries. Mr. Manson has a store and does some trading on the south side of the river. Mr. Thos. Cowan has a good store, and deals largely n boots and shoes. There are two doctors at this place—Drs. Walsh and Toombs. They both have an extensive practice.

There are two churches here, a Presbyterian and a Methodist. The former is attended by the Rev. Mr. McLeod, and the latter by the Rev. Mr. Slackford. The Presbyterian Church has recently been repaired and painted.

There are two good schools, one graded, taught by Mr. Isaac Jay, with Miss McEwen as assistant, the other by Mr. F. Logan. It is to be regretted that many of our best taught and conducted schools are entirely too near the highway.

Among the mechanics of Mount Stewart may be mentioned Mr. Joseph Egan, carpenter and builder, and Messrs. Jay and McKenzie, blacksmiths. Grant & Co's. carding mill also does an extensive business in fulling and pressing cloth. Mr. William Vickerson carries on the tanning and currying business. There are two good carriage building establishments at this place, kept by H. M. Sterns and John McKenna. They both do a fair business. The latter gentleman showed your correspondent a very fine sleigh, which reflects credit on the builder. Mr. John J. McDonald is the leading tailor here; he does a good business and keeps some hands employed. Wallace Clark has a steam sawmill, where large quantities of lumber are cut.

Mount Stewart has a good Hall, where lectures, meetings and entertainments are frequently held.

The principal hotel is kept by Mrs. W. E. Clark, and two good boarding houses by Mrs. McAskill and Mrs. McEachern.

The magistrates are J. R. McEwen, W. J. Logan and James Ross, Esqs., before whom law cases are tried.

The temperance advocates have, no doubt, gained a heavy victory here. The village is quiet and orderly, contrasted with that of former years.

There are many neat and attractive private residences at and around Mount Stewart, tastefully decorated with fruit and ornamental trees. This village, centrally situated as it is at the head of navigation and a railway junction, is now a very important place.

AT LAST!

A Wonderful Vegetable Discovery That Removes the Terrible Results of Overwork.

A True Invigorator.

Weakness and prostration of the nervous system surely follow that overwork and worry which brings sorrow and suffering to so many Canadian homes. The terrible results of nervous weakness, are seen on every hand. Pains in the back, poor and unrefreshing sleep, lack of appetite dyspepsia, and lost energy and strength, are the first symptoms of more serious and dangerous trouble. This is the way that Paralysis, Paresis and Insanity begin. Do not delay a moment longer, for some time it will be too late to regain your lost health and vitality. Use Paine's Celery Compound now, and the dull eyes will regain their brilliancy, the cheeks will grow rosy, the brain become clear, the nerves strong and steady, your sleep restful and refreshing, appetite good, and health and happiness will take the place of misery and suffering.

A. Sabiston, the well known lithographer of Montreal, writes: "In the summer of 1888 I had to work very hard, and was troubled considerably with insomnia (sleeplessness). I resolved to try your Paine's Celery Compound, and after taking the contents of two bottles, felt like a new man. A good night's rest gave me strength for the duties of the day, and instead of starting out to business in the morning feeling as if I had completed a day's work instead of being about to commence one I started out in good spirits, feeling fresh and strong. My wife and various friends, to whom I recommended the medicine, have been benefited greatly, and in fact 'Paine's Celery Compound is a household word in our family."

The treatment of many thousands of cases of those chronic weaknesses and distressing ailments peculiar to females, at the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., has afforded a vast experience in nicely adapting and thoroughly testing remedies for the cure of woman's peculiar maladies.

Dr. Pierce's Favorite Prescription is the outgrowth, or result, of this great and valuable experience. Thousands of testimonials, received from patients and from physicians who have tested it in the more aggravated and obstinate cases which had baffled their skill, prove it to be the *most* wonderful remedy ever devised for the relief and cure of suffering women. It is not recommended as a "cure-all," but as a most perfect Specific for woman's peculiar ailments.

As a powerful, invigorating tonic, it imparts strength to the whole system, and to the womb and its appendages in particular. For overworked, "worn-out," "run-down," debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," housekeepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequaled as an appetizing cordial and restorative tonic.

As a soothing and strengthening nervine, "Favorite Prescription" is unequaled and is invaluable in allaying and subduing nervous excitability, irritability, exhaustion, prostration, hysteria, spasms and other distressing, nervous symptoms commonly attendant upon functional and organic disease of the womb. It induces refreshing sleep and relieves mental anxiety and despondency.

Dr. Pierce's Favorite Prescription is a legitimate medicine, carefully compounded by an experienced and skillful physician, and adapted to woman's delicate organization. It is purely vegetable in its composition and perfectly harmless in its effects in any condition of the system. For morning sickness, or nausea, from whatever cause arising, weak stomach, indigestion, dyspepsia and kindred symptoms, its use, in small doses, will prove very beneficial.

"Favorite Prescription" is a positive cure for the most complicated and obstinate cases of leucorrhea, excessive flowing, painful menstruation, unnatural suppressions, prolapsus, or falling of the womb, weak back, "female weakness," anteversion, retroversion, bearing-down sensations, chronic congestion, inflammation and ulceration of the womb, inflammation, pain and tenderness in ovaries, accompanied with "internal heat."

As a regulator and promoter of functional action, at that critical period of change from girlhood to womanhood, "Favorite Prescription" is a perfectly safe remedial agent, and can produce only good results. It is equally efficacious and valuable in its effects when taken for those disorders and derangements incident to that later and most critical period, known as "The Change of Life."

"Favorite Prescription," when taken in connection with the use of Dr. Pierce's Golden Medical Discovery, and small laxative doses of Dr. Pierce's Purgative Pellets (Little Liver Pills), cures Liver, Kidney and Bladder diseases. Their combined use also removes blood taints, and abolishes cancerous and scrofulous humors from the system.

"Favorite Prescription" is the only medicine for women, sold by druggists, **under a positive guarantee,** from the manufacturers, that it will give satisfaction in every case, or money will be refunded. This guarantee has been printed on the bottle-wrapper, and faithfully carried out for many years.

Large bottles (100 doses) **$1.00, or six bottles for $5.00.**
