

Rev. Denis Gallant Is Named Pastor Of Parish Of St. Ann's

Rev. Denis Gallant has been appointed pastor of St. Ann's parish, Hope River, and Rev. Gerald Steele has been named administrator of Sacred Heart parish, Alberton. It was announced last night by Very Rev. P.F. MacDonnell, chancellor of the Diocese of Charlottetown. The appointments are effective immediately.

Father Gallant, a native of South Justice, has been located to Quebec since early 1962 on temporary service as a chaplain with the RCAF. He was assistant for several years at Digby, and prior to his RCAF appointment was director of liturgical music for the diocese for several years.

O'LEARY HOSPITAL STARTS CAMPAIGN

The Community Hospital at O'Leary, shown above during official opening day ceremonies nearly six years ago, is still short of space. The hospital directors are appealing to the residents of the area served by the hospital to aid them in raising funds to help enlarge the hospital and to add to its equipment. The O'Leary Hospital like several other hospitals in the province is finding that it must appeal to the public to meet its capital costs requirements.

Double Sided Storage Wall Seen Useful In Play Room

How to divide a recreation room into sections for different activities is demonstrated by a double-sided storage wall, taken from the new book "THIS DOUBLE-SIDED storage wall separates ping pong area from man recreation room." Plans and discussions for building are contained in new book "46 Master-Designed Recreation Rooms".

is only eight feet long, yet provides ample storage space for all equipment. It can even house television, radio and stereo for a complete home entertainment centre. clever planning gives access on both sides to cupboards and open shelves. It is built in two sections for easier handling, and despite its size is not hard to construct. One of the outstanding features of this book is that it gives instructions, with everything provided to make the job easier, including cutting diagrams, bills of material and assembly instructions.

Actually, the book is a one-book library on recreation rooms, and is sold through lumber and building supply dealers and book stores.

Kensington Man Fined \$100 On Second Offence Charge

SUMMERSIDE — Bruce Allison, 41, Kensington, was fined \$100 and costs by Magistrate W. Chester S. MacDonnell in Prince George's County magistrates' court Thursday when he changed his plea to guilty to a charge of driving while disqualified from holding an operator's license. The fine was for a second offence.

The crown withdrew a second similar charge against Mr. Allison, charged in 1962 by Magistrate James DesRoches, Summerside and Roy Carl Ford, Mt. Allison.

Spud Market Outlook Good

Market prospects for island potatoes appear very bright. Agriculture Minister Andrew MacRae said yesterday.

He said recent figures from the Dominion Bureau of Statistics show that potatoes produced in Canada are "very much less" than they were at the same time last year.

"Potato holdings in the Maritimes," he said, "are 3,096,666 bushels less than at the same time last year. Last year the entire potato crop in the Maritime area was sold in this year's crop should move at a good price. Prices in Ottawa, Toronto and Montreal are remaining firm."

Potato shipments from this province are 454 carloads higher than at the same time last year.

Explosion Seen Building Under Haitian President

PORT AU PRINCE, Haiti (AP)—An explosion is building up under Haiti's President Francois "Papa Doc" Duvalier, a vodooistic dictator of this land of grinding poverty. If anti-Communists don't bring him down, diplomats believe the Communist eventually will take over.

Outwardly, the bespectacled 57-year-old Duvalier, a medical doctor, appears to rule firmly in defiance of his enemies and the official United States disapproval of his government.

But under the tense calm of grayward ponds, visitors feel the pulse of growing discontent that threatens to make Haiti, only 50 miles across the windward passage from Communist-ruled Cuba, the next storm centre of the Caribbean.

Some residents say Duvalier may fall within a few months. His first presidential term expires May 15 under the constitution. His opponent don't recognize a rigged election in 1961 that extended his time in office until 1967.
