THE prisoners Lamb and Cavanagh were arraigned for further examination this forenoon and remanded again for eight days.

AN excellent oil portrait of Hon. H. Beer, in his Speaker's robes, is on exhibition at Mr. Harvie's bookstore. It is by Mr. Harris.

THE Mayor of Halifax also has received \$400 from the Marquis of Lorne and Princess Louise, to be distributed among the different charities of that city.

HON. MR. TILLEY arrived in Ottawa on the 24th inst. The Temperance people presented him with an address in the Dominion Methodist Church last evening.

THE reported theft of the body of Costaflores, recently executed (Rouses Point murderer), is confirmed. The remains are believed to be in a Montreal medical school.

BEER & GOFF are selling Fruit and Pound Cake, Biscuit, Confectionery, Nuts, Raisins, Figs, Green Grapes, Oranges, Apples, Citron Peel, Essences, etc., etc., very choice for Christmas.

THE Halifax Herald is wrong. Mr. McKechnie, Superintendent, has not resigned. It was Mr. McKechnie's son, who held a subordinate position in the freight department, who resigned.

PRESENTATION.—Mr. J. T. Mellish, M. A., Principal of Albro Street School, was presented by the senior class with a Gold Pen and Pencil-case, on the closing of the school for the holidays.—Hc. Chronicle.

CHRISTMAS at Ottawa was observed, generally, in a very quiet way. The Vice-regal household attended divine service at St. Bartholemew's Episcopal Church, where Bishop Lewis preached the annual sermon.

THE proprietor of the Toronto Mail has purchased a large property in that city, and it is intended to build a splendid publishing house, which shall be the handsomest in the Dominion.

AN inquest was held on the body of Joseph Scully, alias Mitchell,—the Indian found drowned at Morell on Monday evening last—before Edward B. Alleyne, Esq., J. P., and a jury, when a verdict of "found drowned, accidentally," was rendered.

CONVICTION.—Murdoch McNeill, of Vernon River, was convicted and fined before J. R. Bourke, J. P., on the 21st inst., in the sum of two dollars with costs, for an assault and battery upon Joseph McMillan, of Cardigan Bridge, and two dollars for injury done the said Joseph McMillan.

THE schooner "C. B. Jones," Capt. B. F. Swan, cleared to-day from Souris, for the United States, with 2,972 bushels potatoes, in bulk and barrels, loaded by Mr. Simon Chiverie, for Messrs. F. S. Hanford & Co., of this city. We understand that that this is the last shipment of potatoes from P. E. Island this season. The cargo is, we are informed, one of the best that has been sent forward from Souris this year.

W. C. BOURKE, Esq., of this City, lost a very valuable mare to-day, under the following circumstances: Mr. Bourke's son and two ladies were out driving. The mare took fright, ran away, and in her headlong career dashed her head against the side of Mr. Duchemin's house, corner of Prince and Dorchester Streets, and was almost instantly killed. We learn that Mr. Bourke was, during the past summer, twice offered \$400 for her. The occupants of the sleigh escaped unhurt.

ACCIDENT TO MR. DOMVILLE.—The St. John Globe says: "Mr. Domville, M. P., had the misfortune to break his arm, while skating on the Kennebecais, at Rothsay, near his residence, on Saturday afternoon last. The fracture is at the elbow and is very painful. No doubt it will confine him to his home for the coming week, as there is much inflammation accompanying it. Dr. Earle, who happened to be at Rothsay, set the injured limb."

HARD ON MR. BROWN.—The Toronto Globe says: "The trouble with Hon. Geo. Brown is that he cannot bear anybody to have an opinion different to his own. He thinks everybody should think as he does, or should not think at all. He has a cheerful habit of jumping down people's throats when they differ from him. He has been doing this at the meetings of the Citizens' Committee, where they have been discussing municipal reform. Among other things, he said, in reference to a statement made by Hon. Frank Smith concerning loans on the British market, that "no man in his senses would say that."

THE Montreal "Herald" jeers at M. Caron, M. P., as being willing to play "second fiddle" to Hon. Mr. Langevin. Mr. Huntington's organ is perhaps surprised that every M. P. is not in revolt against his leader. The revolt is, we believe, confined to the "party in a parlor" led by nobody, vice Mr. McKenzie, deposed.

All these brethren have excellent fields of labor in prospect. It is also rumored that Rev. John Lathern has been asked to return to his old friends in Yarmouth, North. Young, returned Missionary from Red River, for an Eastern charge, but without success. Rev. Thos. Rogers is invited, it is said, to the Horton Circuit."
