POINTS IN THE ISSUE.

Mutual Preferential Trade within the British Empire.

Rebuke of Politicians who broke their pledges to the people—increasing expenditures and debt when they promised to reduce them.

Honest Government for United Canada.

Down with Tarte and Tartarism.

"The record of our party while it has been in power under its present leaders is one long, shameful story of promises unfulfilled and broken; of reckless extravagance; of jobbery and corruption; and of utterly disgraceful betrayal of every principle for which as a party we stood. For the purpose of securing themselves in office the men who have been entrusted with positions of leadership have brought disgrace upon our party and dishonour upon the name of Liberalism."—H. H. Cook.

A CRITIC CRITICISED.

Sir,—In The Daily Patriot of the 18th inst., is what purports to be a criticism of your very fair and modest portrait of the Opposition member for East Queen's, and that from one who describes himself as almost a daily "meeter" of this honored member for the last twenty-five years. No one who is acquainted with the member for East Queen's can doubt that the statement is an "almost untrue one." The Opposition member for East Queen's is a well-bred gentleman whose ability is too well known, and whose kindly smile has often brought sunshine to many a troubled heart among the old and young of his acquaintance, all of whom love and respect him as a thoroughly cultured and refined gentleman whose political ability would cause the greatest of pain not only to those who are immediately connected with him but to the brightest intellects in Canadian politics. His being spoken of favorably in case of a change of Government delights all who are capable of estimating the merits of his noble qualities, but it most killed the pseudo Caledonia Conservative. Now, Mr. Editor, great consternation must be in the Liberal camp when some of their leaders sign themselves Conservatives.

This false Conservative's letter indicates a deplorable lack of education. The writer is a perfect stranger to the common usage of the most simple English words. The primary elements of the English language are foreign to him. The rules of syntax have been completely neglected in the formation of his education. The idiom of the English language is too far above his meagre intellect. No doubt he carries a bit of a wee-wee soul in a large body, a perfect misfit in a political campaign. Hence we, the Liberals and Conservatives in Caledonia, disown him and feel quite ashamed of his first literary contribution, and strongly urge him to stick to what nature has fitted him for, and not appear again in the press of our Province posing as an exponent of the intelligence of electors of East Queen's.

Truly this pseudo Conservative will get his deserts on the 7th November next from both Hibernians and Caledonians—which is "the burial of an ass."

WHAT PEOPLE SAY.

Is Not What Makes a Remedy Valuable.

Testimonials are good things and we are always glad to get them, but they don't make our remedy any better.

Stuart's Dyspepsia Tablets are good because they do good—because they cure.

Testimonials simply prove that the tablets have helped other people, but it's yourself you are most interested in, and whether they will cure you is the question.

It is very easy to find out—try them. A full package costs but fifty cents at your druggist's. They are well worth that if they only help you a little bit. The chance is worth taking at the price.

We put it on that basis because you don't know about the tablets. If you knew as much about them as we do you would have complete confidence; this advertising would be unnecessary. We have seen them cure the worst cases of stomach trouble. Cases of long standing and obstinacy, cases that other medicines and even high priced doctors had failed to subdue.

Here are some testimonials. If you care to read them we have thousands of them.

Rev. J. R. Hogg, of Wymore, Nebraska, writes: For six years I have been troubled with dyspepsia. Last fall I became very much alarmed at some symptoms of heart trouble and came to believe there was a sympathetic relation between the two diseases, or rather, that the stomach trouble was the cause of the heart disturbance. I hit upon Stuart's Dyspepsia Tablets for a remedy and invested a dollar and a half for three boxes which lasted me three months and I can eat any kind of food I want and have a good vigorous appetite. Although I am seventy-seven years old, I now feel perfectly well and without being requested by anyone I make this statement as a compliment to the virtue of Stuart's Dyspepsia Tablets.

Mrs. Lydia Bartram, of Assyria, Mich., writes: I have suffered from stomach trouble for ten years and five different doctors gave me only temporary relief. A Mr. E. R. Page advised me to try Stuart's Tablets and four boxes did me more permanent benefit than all the doctors' medicines that I have ever taken.

We honestly believe that Stuart's Dyspepsia Tablets is the best medicine ever made for the cure of stomach troubles.

Don't mistake our meaning. We don't claim them to cure anything but dyspepsia and stomach disorders. Just the one thing is what they are made for, but that one thing is the cause—the starting point of nearly all the sickness in the world.

Use Stuart's Tablets regularly. Keep your stomach right, and you can never be sick.

AT REST.

Again the people of Earncliffe have been called on to mourn the loss of one of our oldest residents, Mr. Donald Young, who passed to his eternal rest on the 19th inst. Mr. Young was taken ill last spring; since then he has been gradually declining in health until finally on Friday last the angel of death came and granted the sufferer sweet release. The deceased was ever a generous, kind-hearted man, who always had a pleasant, hearty greeting for everyone, and who will long be remembered by a large circle of friends and acquaintances. He leaves a widow and three daughters: Mrs Robert Jenkins, of Mount Albion; Mrs David Ross, of East Milton, Mass., and Mrs Henry Bellert, of Norwich, Conn. Four sons also mourn the loss of a kind and loving father, Henry, Robert, Richard and John, the two latter being at present in New York.

The interment at the English Church cemetery took place on Sunday, the pallbearers being Messrs. Roderick McKinnon, David Irving, John Morrissey, Wm. L. Irving, John Doyle and Gilbert Court. The service was conducted by Mr. Walter Cotton, B. A., who preached an eloquent sermon from Mark vii: 32-35.

The service in the church over, and they carry all that was mortal of our dear old friend out to the beautiful little cemetery, and there, in a quiet, secluded nook near loved ones who had passed on before, and with the rain gently falling like a blessing from heaven, they lay the weary soldier down to rest, for now the cares and troubles of life are over and the victory won.

Between the ages of fifteen and forty-five, the time when womanhood begins and motherhood ends, it is estimated that the aggregate term of woman's suffering is ten years. Ten years out of thirty! One third of the best part of a woman's life sacrificed. Think of the enormous loss of time! But time is not all that is lost. Those years of suffering steal the bloom from the cheeks, the brightness from the eyes, the fairness from the form. They write their record in many a crease and wrinkle. What a boon then to a woman is Dr. Pierce's Favorite Prescription. It promotes perfect regularity, dries up debilitating humors, heals ulceration, cures female weakness, and establishes the delicate womanly organs in vigorous and permanent health. No other medicine can do for woman what is done by Dr. Pierce's Favorite Prescription.
