can now be purchased right at home, it is the most successful preparations ever introduced to our people. It works like a charm in all cases of Consumption, Pneumonia, Hemorrhages, Asthma, severe Coughs. Group and all other Throat and Lung Diseases. No person has ever used this medicine without getting immediate relief, yet there are a great many poor, suffering, skeptical persons going about our streets with a suspicious cough, and the voice of consumption coming from their lungs, that will not try it. If you die, it is your own fault, as you can go to your druggist and get a sample bottle and try it; three doses will relieve any case. Regular size only 75 cts.

SEMINARY FOR YOUNG LADIES.

VISITOR:

The Lord Bishop of Nova Scotia

PRINCIPAL:

The Rev. John Padfield.

THIS SCHOOL offers, at very moderate cost, the advantages of a comfortable and pleasant home together with a thorough and refined education.

The course of Instruction is the same as that of the best Schools in England and is founded upon the University Examinations for Women. Eight young ladies from this School passed the Local Examination of the University of King's College in June last. This is the only School in Canada that has passed pupils at a University Examination.

The number of pupils is limited, rendering the School select, and while it possesses all the educational advantages of a large public school, each pupil is enabled to receive that individual care and oversight which is so important, and which cannot be given in a large establishment.

Mr. and Mrs. Padfield are assisted by a staff of four resident governesses, besides visiting masters.

Parisienne French is taught conversationally. There are two resident French Governesses.

References given to parents of pupils. For further particulars address the Principal.

CATARRH.

Constitutional Catarrh Remedy CURES CATARRH.

Hear what a Reverend Gentleman says of the Constitutional Remedy.

T. J. B. HARDING, Esq., Brockville, Ont.—DEAR SIR—It is now two years since your "Constitutional Catarrh Remedy" was introduced to me. I have waited this long to see if the cure would remain permanent before doing this, my duty, to you, as at first the happy effects seemed to me to be "too good to be true."

I was afflicted in my head for years before I suspected it to be Catarrh. In reading in your Circular I saw my case described in many particulars. The inward "drop" from the head had become very disagreeable, and a choking sensation often preventing me from lying long, I would feel like smothering and be compelled to sit up in the bed. My health and spirits were seriously affected. When your agent came to Warkentown in August, 1876, I secured three bottles. Before I had used a quarter of the contents of one bottle I found decided relief, and when I had used two bottles and a third, I quit taking it, feeling quite cured of that ailment, and have not used any since until of late I have taken some for a cold in my head.

A sense of duty to sufferers from that loathsome disease, Catarrh, prompts me to send you this Certificate, unsoftened, with leave to make what use of it you may see proper.

Yours truly, W. TINDALL, Methodist Minister. Port Elgin, Ont., Aug. 24, 1878.

Ask for Littlefield's Constitutional Catarrh Remedy and take no other.
