

There are many  
*Good Seasons*  
for shopping at Dominion  
**CLEANLINESS**  
is one of them!

Keeping house at Dominion is a big costly job! It takes a lot of people. Eager People. Alert people... like the people at your Dominion Store. Day after day, there are hundreds of big windows to wash and shine... aisle after aisle of floors to brighten up... shelving galore to dust... meat cases to scrub up every night. It's a constant endless task... but, a satisfying one. And you should see our laundry bill! Fresh white coats and white jackets and white uniforms and white aprons go on and off daily to keep them neat and clean... the way both you (and we) like to see them. Dominion managers are proud of their housekeeping! If you shop elsewhere... look around! Then, if you want the standards you set in your own home... check Dominion, where you'll find a little more "elbow grease" in our housekeeping — and a whole lot more eagerness to make you feel "at home". Yes — 'keeping house' at Dominion is an around-the-clock affair for people like you, who expect and appreciate the cleanliness they find at Dominion, at the snack bar... the meat counter... the produce counter... the dairy case... the check-out stand... everywhere! Quite clearly you can see the difference at Dominion!
