

SPORTS FRONT

By PIUS CALLAGHAN

Look Who's Here

WELL look who's here. It's Cape Traverse Evinrude basking away for admission into the final round of the Island Senior Hockey League finals. This is the team that was two games throughout the regular schedule and amassed the horribly low total of seven points out of a possible forty. This is the team that many predicted would bow out of the semi-finals in four straight games, leaving Penguins well rested for their battle with the survivor of the 'A' series.

WELL, what is going on? Four games have been played to date in the 'B' classic and the underdog Cape boys are away out in front three games to one. They dropped that first one at the Sports Arena, then ran off with the next three. The defending champions can't afford another loss in this set. If that happens to them, their hockey for the 1961-62 season has come to an end. Of course, the Penguins must not be counted out yet. They had that game in Civic Stadium on Wednesday night 'in the bag' until Evinrude ripped the bag wide open. You can hardly expect the Cape to close out the series next time the clubs meet in Charlottetown. Penguins will be out in full force for that one. Wednesday night at Civic Stadium they were missing several key players and that surely made a big difference in a 6-5 hockey game. These absences will be present for the next one and the Cape will undoubtedly run up against the strongest club Penguins have led this season.

THE BIRDS are still shaking their heads at what has been happening. This team that could manage two victories all season has beaten them three times in a row. It's almost unbelievable but facts are facts. But to a man, the Penguins aren't talking about elimination. They feel they can bounce back and take three in a row from the Evinrudes and go into the ISHL finals. If they did, it would be no more surprising than the Cape sweeping three from the Old Spicers.

Cape Looks Great

BUT let's not forget how fine a brand of hockey these Evinrudes are serving up. Rather than damn the Penguins for their poor play, it would be more appropriate to laud the Cape boys for their efforts. They are skating like fiends, bumping hard and showing signs of some pattern play. Particularly is their defence playing with far more authority. Perhaps the Cape is playing over its head. Perhaps the Penguins are not performing at full speed. At any rate, the facts are there to see and they do not make nice reading for Frank Acorn and his band. We understand the teams do not meet again until Thursday February 15. This seems like the craziest of schedules but that's the way things are. We would say the long layoff would help the Penguins rather than hurt them. Right now the Evinrudes are hot and the long layoff could take some of the edge off them. Any change whatever surely should help the defending champions.

SANDY'S Royals haven't eluded the 'A' series yet but it seems more than likely that they'll emerge triumphant here. We don't think the Frizzellmen care a hoot who wins in the 'B' section. The Parkdalers think they can wallop either survivor and we are in agreement with them. But the fact of getting into the finals means much financially to a club and both Penguins and Evinrudes could use the extra dollars. Houses are starting to pick up and by the time the finals arrive the seats should be pretty well taken up.

Ice Sports Tonight

TONIGHT Prince Street School holds its annual ice sports at the Sports Arena and the teachers and children expect a record crowd of patrons. All the usual age races will be run off. In addition there'll be novelty races and relay races in addition to the feature hockey game between Prince Street Hornets and Spring Park Parkers. These sports are big things in the lives of the youngsters and parents and friends should see to it that the place is crowded for this activity. A special feature will be the 1871-1962 revue. Starting time is 7:15.

OUR apologies to Craswell Portrait Studio for omitting their hockey trophy in yesterday's column. This trophy goes to the player leading the scoring race and is retained by that player. Angie Carroll has won this one all wrapped up.

Breedon Is Tops In Rifle Shoot

For the first time in several years, the match rifle class has been done away with, and the class was incorporated into the service rifle classes at this week's matches conducted by the RCMP ranges by the Charlottetown Civilian Rifle Club. The change was brought about when it was discovered after a series of trial shoots, that marksmen using the service rifle were firing at the newly adopted reduced small bore targets, were put to no disadvantage by those using the match rifle. In fact several of the shooters estimate that the service rifle is the more suitable of the two weapons.

At this week's shoot, Bev Breedon and Ken Jay, each registered 98 out of a possible 100, with Breedon taking top honors in class one by having five shots in the "X" ring against Jay's four. In class two, Eidon MacLean came out on top with 96, while with 97 Bill Hillstrom, held down a similar spot in class three. In class four a five point margin of 88 to 86 gave Ian Auld the lead over G. Ross.

Following are the results by classes:

CLASS ONE	
B. Breedon	98
Ken Jay	97
B. Hamby	96
W. MacLean	96
D. Durbin	95
A. Mutch	94
E. Jones	94
CLASS TWO	
E. MacLean	96
P. Taylor	95
P. J. Landrigan	94
L. MacDonald	94
L. Dowling	93
CLASS THREE	
B. Hillstrom	97
K. Dowling	96
D. Johnston	95
C. Taylor	95
C. Brown	94
E. Kelly	91
CLASS FOUR	
L. Auld	98
G. Ross	93

3 Double Winners Seen At Causeway

Jolity's Pride set the fastest time on the Victoria Driving Club ice racing card at North River causeway yesterday afternoon. The chestnut gelding owned by Heustis and MacNeill, Summer-side; Winston's Wish owned by Elmer Clow. Class B Trot and Pace Time Will Tell (Andrews) 1:11 Bob Clegg (Muirhead) 4:3 Pericles (Ramsey) 2:5 Tom Day (Morrisey) 3:4 Chesterway Thomas (Dickie) 5:7 Esso (Smallwood) dns 3 Times:—32.3; 32.3. Jolity's Pride owned by Heustis and MacNeill, Summer-side; Winston's Wish owned by Elmer Clow. There were two other double dash winners. Time Will Tell swept both ends of a B Trot and Pace feature and Kitmat Klity, owned by Gordon MacLean of Hunter River captured both dashes of a B Trot. In the first dash of the Class A Trot Joyland finished first and Cindy's Best came in second but both entries were set back to sixth and eighth spots respectively for beating the gate. The same thing happened in the second dash of the C Pace which saw Cash Money come home in front but set back to last spot for beating the gate. It was Myrna T. Clegg and Partner's Dream sharing honors in the C Pace. A large number of racing enthusiasts turned out for yesterday's program which was run on a near-perfect sheet of ice under ideal conditions. Results are as follows:— Class A Trot and Pace Jolity's Pride (MacNeill) 1:11 Winston's Wish (Clow) 1:12 Myrna T. Clegg (Thompson) 1:13 Myrna T. Clegg (Thompson) 1:13 Partner's Dream (Wm. MacNeill) 1:14 Gartin's Best (L. Smith) 5:2 Miss Ellis (Biggar) 3:3 My Jeannie (Willis) 4:3 Cash Money (Murphy) dns 6 Times:—34.1. Myrna T. Clegg owned by Thompson; Partner's Dream owned by Wm. MacNeill. OFFICIALS:— driver of gate - P. Youmker; starter - Elwood Shaw; Judges - J. Bell, Percy Arbing, Doug MacLeod; timers - Charlie Stewart, Don MacLeod.

Saints Seeking Basketball Title

Saint Dunstan's Varsity basketball squad has a chance to clinch the N.B.-P.E.I. intercollegiate crown on Saturday afternoon at the Red and White gym. The only obstacle is a group of hoopsters from Mount Allison coached by affable Gus MacErlane. The Saints own two victories in three starts this season in the N.B.-P.E.I. circuit. Both came at the expense of the University of New Brunswick who recently hung a defeat on the Mounties. Ed Hilton's boys dropped their opener to the Sackville students but they insist that never should have happened. Coach Hilton is certain his lads can reverse the tables Saturday afternoon and bring the N.B.-P.E.I. intercollegiate basketball crown to the local school of learning. If this happens Saints will get a crack at the Maritime crown. Games time is 8 o'clock.

Silver 'D' Draw Is Announced

SUMMERSIDE — The draw for the Island competition in the Dominion "Silver D" is as follows for Monday, February 12, at the Summerside Curling Club: 9 a.m. — S. Dye (S) vs. B. Smith (M); W. Somers (S) vs. P. Burden (C); D. MacDonald (C) vs. F. Seal (RCAP). 11:30 a.m. — P. Weeks (S) vs. L. Crockett (S); M. Perry (A) vs. J. Hepburn (RCAP); I. McLellan (C) vs. I. Clark (A). 2:30 p.m. — A. Mahar (C) vs. I. Silliphant (S); M. Lea (M) vs. N. Nicholson (M); S. McMillan (C) winner, game 1. 8:30 p.m. — M. McNeill (C) vs. winner, game 2; E. MacDonald (C) vs. winner, game 3; M. MacDonald (C) vs. winner, game 4. Legend — (S) Summerside; (C) Charlottetown; (M) Montague; (A) Alberton. Official opening is at 2 p.m. with a banquet for participating curlers at 6 p.m. All rinks are requested to be ready to play at the times scheduled. Otherwise they will be penalized according to rules of CLCA.

Entries Named For Sat. Card

Victoria Driving Club officials last night announced the entries for Saturday's ice racing program at North River causeway. The first dash is slated for 2:30 sharp and officials ask horsemen to report to judge's stand when they take horse on ice so officials will know who is on hand. Class A Pace: Sarah J. Success Joe, Bifty Silver, Polonaise, Hey You, Granville York, My Hero. Class A Pace: Jolity's Pride, Gert Ozaque, Winston's Wish, Gingerbread Man, Hickory Dock. Class B Pace: High Aces Peter, Jolly Cavalier, Captain Chief, Victory Gallant, Millie Lee, Bob Badlong, Spencer Will, Scott's Pride. Class C Pace: Honest Bruce, True Marion, Barbara Ann Queen, Ann's Clegg, Solitoer Mae, Bronze, Billy C. Ducks, Sabre Direct.

Modern Method

A modern synthetic polyvinyl emulsion-mixed with dry pigments has replaced the raw linseed used by the old masters in painting.

HOCKEY-MINDED FAMILY

The five sons of Mr. and Mrs. Bill Skanes are all hockey players in different leagues at Virgintatow in Northern Ontario. Bill (left) is coach of team on which his oldest son David, 14, plays. The others are: Arthur, 13, a bantam; Allen, a minor bantam; Bobby, 8, a pee-wee; Glen, 6, a junior pee-wee. Mrs. Skanes (right) has been an ardent fan since the family moved from Bell Island, Nfld., in 1952.

Bell-Burke Winner Faces Cameron Quartet Tonight

Defending champion, Doug Cameron and his mates could clinch the Prince Edward Island curling championship tonight and with it the British Consola trophy. Standing in the way is another Charlottetown rink that will be skipped by Art Burke or Myron Bell. Burke and Bell each have one loss in the competition now being staged at Charlottetown Curling rink. The two rinks class this afternoon at 3 o'clock and the winner goes out against the Cameron rink at 8:30 tonight. Should the defending champion falter in this one, a sudden death affair Saturday afternoon will name the winner to represent the province at the MacDonald Brier in Kitchener the week of March 5. Cameron saw no action yesterday and neither did Bell. However Burke had a busy time of it and the youthful skip is hoping for another busy session today. Art ousted airman W.T. Evans in convincing fashion in an afternoon match and then went on last night to put Andy Humphrey and his surprising rink into the consolation bracket. Burke breezed to his afternoon win. Curling in great fashion, Art's foursome counted four in the fourth and tenth and the game was halted after eleven with Burke away in front 13-6. It was just as easy for Burke in the nightcap as he hung a 12-4 shelling on the Andy Humphrey quartet of Charlottetown. Art had a four in the first and was never in trouble thereafter. He put another four together in the seventh. Humphrey took only three ends, a pair in the fifth and singles in the second and ninth. The rinks called it quits after ten ends. Personnel of the three remaining rinks are: Art Burke, Alan Smith, Bobby Dillon and Wayne Roderizer, Myron Bell, Doug Bell, James 'Roach' MacGregor and Wally Rood; Doug Cameron, George Dillon, Allison Saunders and Arnold Llewellyn. Results of consolation matches yesterday were as follows: H Spicer (RCAP) 12, Dr. Giddings (C) 4; F. Hansen (C) 5; G. Stewart (C) 6; H. Spicer (RCAP) 8; G. Kays (C) 6; G. Stewart (C) 8; J. Burden (C) 7. Linescores: Evans (RCAP) 101 001 110 01-6 Burke (C) 020 430 000 40-13 (halted after 11 ends) Burke (C) 400 100 420 1-12 Humphrey (C) 010 020 001 0-4 (halted after 10 ends)

STANDINGS	W	L

Burke (C)	6	1
Bell (C)	4	1

Hawks Blast Bruins; Hull Adds To Total

BOSTON (AP) — Chicago Black Hawks ran their National Hockey League unbeaten streak to nine games Thursday, defeating Boston Bruins 6-2 as Bobby Hull and Red Hay each scored twice before 7,841 fans. The rampaging Hawks, defending Stanley Cup champions, moved to within seven points of second-place Toronto, idle Thursday night. Hull surpassed his last season's total goal output of 31 when he netched his 31st and 32nd tallies. Former Bruin Bronco Horvath, who has scored five of his 14 goals against Boston, broke a 2-2 tie late in the second period. Hull and Hay put the game out of reach in the final period. SUMMARY: First period: 1. Chicago, Hull 31 (McDonald, Hay) 13:25. Penalties — Pilote 10:38, Westfall 13:13. Pilote 18:13. Second period: 2. Boston, Oliver 4 (Bueck, Connelly) 0:59; 3. Chicago, Hay 6 (Mikita, Pilote) 3:51; 4. Boston, Pronovost 12 (McKenney, Williams) 4:12; 5. Chicago, Horvath 14 (Nesterenko, Evans) 13:58. Penalties: Leach 3:04, Pronovost 4:50, Green and Fleming 11:18. Third period: 6. Chicago, Hull 32 (Hay, Evans) 11:45; 7. Chicago, Hay 7 (Hull, Pilote) 13:39; 8. Chicago, Murphy 10 (Horvath) 18:27. Penalties — Pilote 1:30, Vasko 4:23, Mikita 8:20. Pronovost (two minors) and Minita (minor) 11:11.

Alf Flanagan Stars Again As Royals Whip Crystals

Sandy's Royals whipped Summerside Crystals 6-2 last night at the Sports Arena to take a 3-0 lead in their best of seven Island Senior Hockey League semi-finals playoff series. Young Alf Flanagan of the Royals was by far the outstanding player on the ice, pacing the winners with three goals and setting up two others. Flanagan who has developed into one of the best players in the league this season, now has ten goals to his credit in three games. Except for the brilliant play of Flanagan and some outstanding saves by Summerside netminder Irv. Walsh, there was little else for the some 900 fans to cheer about as the game developed into one of the duller contests of the season. The Crystals scored first, Ronnie Gallant lodging the water behind Royal cager Frankie Roper at the 6:56 mark of the initial stanza but playing coach Buck Whitlock got that one back 36 seconds later and from then it was strictly no contest. Crystal passing proved desperate and the cause of it all appeared to be the rugged play of the Royal team. Most of the time the Crystals appeared most timid about crashing into enemy territory and as a result Roper had a very easy night of it in the Royal cage. The Crystals face elimination when they play hosts to these same Royals tonight at the Civic Stadium. Flanagan scored his first goal of the night at the midway mark of the opening frame after passing session with defenceman Stu McClure and he added another counter before the time had elapsed in the period, beating Walsh at the 16:34 mark.

The only marker of the sandwich session came with only fifty seconds left in the period, Whitlock sending Flanagan in all alone on Walsh. The great puckster nearly deked the Summerside netminder out of his skates before lodging the puck into the mesh. Referee Jack 'Sp' Ready and Don Whalen handed out a total of ten penalties, one of them a major to defenceman Eustace Reeves for fighting with Summerside's Ronnie Gallant in the opening period. The Royals were victims on six of the ten occasions. First period — 1. Crystals, R. Gallant (B. Grady, D. Martin) 6:56; 2. Royals, B. Whitlock (D. Carroll, B. Howatt) 7:32; 3. Royals, A. Flanagan (S. MacLure) 10:01; 4. Royals, A. Flanagan (G. Cruwys, G. Noonan) 16:34. Penalties — Josey 9:50; A. Carroll 12:03; MacArthur 13:38; Reeves (minor, major) 17:04. Second period — 4. Royals, A. Flanagan (B. Whitlock) 19:10. Penalties — R. MacArthur 8:24.

Sum-Hi Drubs Montague 9-2

SUMMERSIDE — The Summerside high school hockey team defeated Montague High at Civic Stadium in Summerside last evening by the score of 9-2. Montague had won the first game in their home rink 7-6. Willie Gallant scored four goals for the winners. Paul MacWilliams and Paul Mullin picked up two apiece, and Richard Perry got the other tally. B. Ballem and E. Ellsworth scored for Montague. SUMMARY: First period — 1. MHS, B. Ballem (C. Nicholson) 1:45; 2. SHS, P. MacWilliams (P. Mullin) 3:50; 3. MHS, E. Ellsworth, 11:50. Penalties: G. Smith, G. Herring. Second period — 4. SHS, P. Mullin (P. MacWilliams) 5:29; 5. SHS, W. Gallant 9:15; 6. SHS, W. Gallant 11:16. Penalty, D. Harris. Third period — 7. SHS, W. Gallant 5:05; 8. SHS, P. MacWilliams 6:04; 9. SHS, W. Gallant 8:55; 10. SHS, P. Mullin (P. MacWilliams) 12:05; 11. SHS, R. Perry 17:27. Penalties, A. Ballem, G. Smith, R. Perry, B. Ballem, D. Harris, M. Matheson. Referees, Arnold Driscoll and Art Gallant.

Crystals Host Royals Tonight

SUMMERSIDE — The Parkdale Royals and Summerside Crystals play the fourth game "A" of their semi-final series "A" at Civic Stadium tonight, and fans can be sure the Crystals will be shooting the works in a game that will mean much to them. The Royals, hoping to close out the series tonight will be tough to beat, but the Crystals are a determined lot of players and know that everything depends on their fight and hustle in this all important game. A mighty struggle for victory is assured. Game time is 9:15.

Murray Harbour Has School Sports

The Murray Harbor and district school sports were held in Murray Harbor rink on Friday February 2, with a large crowd of spectators looking on. Those placing first and second in each class will compete in the county meet to be held shortly. BOYS' EVENTS: 6 years and under: 1. Kevin MacLeod, M.H.; 2. Jimmy Bell, M.H.; 3. Donnie Duffy, M.H. 7 years: 1. Donny Harris, M.H.; 2. Glen MacLeod, M.H. 8 years: 1. Fergie Ferguson, M.H.; 2. Fenton Polard, M.H.; 3. Paul White, M.H. 10 years: 1. Ian Nicholson, M.H.; 2. HUNTERS' CORNER

Columnist Checks Diary During Cold Winter Days

During the below zero weather, in January I amused myself looking over my old diaries dating back to 1925. Car driving or hikes along woodland trails are not classed as pleasurable when the thermometer stands at 10 or 12 degrees below zero with a 35 mile per hour trying to blow the jacket off ones back. I have kept a daily diary since January 1st, 1925. The duck shooting we had in the late twenties and all through the thirties was something out of this world when compared to 1961. I was sworn in as a Federal Migratory Bird Officer on March 29th, 1929. It was sometimes amusing to read accounts of my patrols and the 'Characters' I crossed swords with. Many of whom I had forgotten. On the other hand accounts of my opening morning shoots with the Southport Farmer filled me with nostalgia to the bursting point. Here is a sample of the black duck shooting we enjoyed at Fraser's Beaver Dam for years as quoted word for word from my Diary as written on Monday, September 2nd, 1955 "E (The Southport Farmer) and I had the best shoot of our lives this AM. Each of us had our limits before 7:00 AM - D.F. and S done rotten shooting - only had 4 ducks in boat and 3 down in alders at that time - Thousands of ducks came in - E and I excelled ourselves in shooting." I remember that morning as well as if it were yesterday. D, F and S were three characters that used to shoot at the same dam. Sometimes they were on and sometimes off. They were definitely off that morning and I don't feel any better after they saw our take. 19 blacks and one Green-winged teal. The Farmer and I specialized on blacks but I was the one who couldn't resist taking a snap shot at a big drake Green-wing that was fairly burning a hole in the air as it went by. It was going so fast when it collided with the shot charge it doubled into a ball and went twenty yards before losing altitude. Jack, our Irish water spaniel, had quite a swim to where it landed among the cat-tails and then had to do some searching before he brought it to boatside. Fraser's Beaver Dam was large and covered close to a mile from embankment to its head. The beavers built it in the twenties but we didn't find it until 1926. We had our last opening morning shoot there in 1940. The beaver had left and it disintegrated rapidly after that. The morning of the shoot just recorded I was located about a quarter mile south of the Farmer and the other three hunters. I picked my hide at the edge of an alder tangle on the north of an open patch approximately 2

Murray Harbour Has School Sports

The morning of the shoot just recorded I was located about a quarter mile south of the Farmer and the other three hunters. I picked my hide at the edge of an alder tangle on the north of an open patch approximately 2

Fraser's Beaver Dam was large and covered close to a mile from embankment to its head. The beavers built it in the twenties but we didn't find it until 1926. We had our last opening morning shoot there in 1940. The beaver had left and it disintegrated rapidly after that. The morning of the shoot just recorded I was located about a quarter mile south of the Farmer and the other three hunters. I picked my hide at the edge of an alder tangle on the north of an open patch approximately 2
