

MEMORANDUM

TO: Members of the University Community.
 FROM: Senate Nominating Committee
 RE: Nominations for the Academic Priorities and Long-Term Academic Planning Committee.

At the fifth meeting of Senate held on 28 October 1982 the composition of the Academic Priorities and Long-Term Academic Planning Committee was approved as follows:

This committee is to be a nine-person committee composed as follows:
 five faculty members

three students, one alumnus.

The Senate Nominating Committee, Roger Black, Chairman, pro tem, will receive nominations for this committee until NOON on FRIDAY, NOVEMBER 12, 1982. The Committee plans to meet later that day so that all names received, and the Committee's recommendations, may be circulated to members of Senate well ahead of its next meeting on Thursday November 18, 1982.

Some members of Senate have indicated that it would be useful to them if nominees to this very important Committee would provide a

statement of their personal philosophy of University education and the role that the University of Prince Edward Island should play in its context.

JOCK TALK CONTINUED

In closing we'd like to offer congratulations to Vince Mulligan who was chosen as the A.U.A.A. Soccer Coach of the Year ... a distinction he certainly deserves.
