Ask For Ayer's

Sarsaparilla, and be sure you get it, when you want the best blood-purifier. With its forty years' success in the cure of Blood Diseases, you can make no mistake in preferring Ayer's

Sarsaparilla to any other. The fore-runner of modern blood medicines, Ayer's Sarsaparilla is still the most popular, being in greater demand than all others combined.

"Ayer's Sarsaparilla is selling faster than ever before. I never hesitate to recommend it."—George W. Whitman, Druggist, Albany, Ind.

"I am safe in saying that my sales of Ayer's Sarsaparilla far exceed those of any other, and it gives thorough satisfaction."—L. H. Bush, Des Moines, Iowa.

"Ayer's Sarsaparilla and Ayer's Pills are the best selling medicines in my store. I can recommend them conscientiously."—C. Bickhaus, Pharmacist, Roseland, Ill.

"We have sold Ayer's Sarsaparilla here for over thirty years and always recommend it when asked to name the best blood-purifier."—W. T. McLean, Druggist, Augusta, Ohio.

"I have sold your medicines for the last seventeen years, and always keep them in stock, as they are staples. There is nothing so good for the youthful blood as Ayer's Sarsaparilla."—R. L. Parker, Fox Lake, Wis.

"Ayer's Sarsaparilla gives the best satisfaction of any medicine I have in stock. I recommend it, or, as the Doctors say, 'I prescribe it over the counter.' It never fails to meet the cases for which I recommend it, even where the doctors' prescriptions have been of no avail."—C. F. Calhoun, Nonmouth, Kansas.

Our Civic Rulers.

THE regular monthly meeting of the City Council was held last evening. There were present: His Worship Mayor Haviland, His Honor Recorder Fitzgerald, Chief Engineer Large, and Councillors Morris, Byrne, McRae, Davison, Douse, Large, Eden and Taylor. There was also a large attendance of citizens. After the usual preliminary business was attended to, His Worship submitted the correspondence on hand.

AN ELECTRIC ALARM AND NEW HOSE WANTED.

The first letter read was from the Clerk of the Fire Department, enclosing the resolutions passed at the last meeting of the Board relative to the immediate establishment of an electric fire alarm, and asking permission to sell the condemned hose and old brass couplings. The result of the recent tests of the hose was also set forth, and the quantity of hose on hand (as published in THE EXAMINER several days ago) given.

Chief Engineer Large explained that it was the intention of the Department to ask for 500 feet of new hose, but the matter was overlooked in the letter.

On motion of Councillor Morris, seconded by Councillor Douse, a committee consisting of Councillors Morris, Eden and Douse was appointed to look into the matter of the introduction of an electric alarm and the purchase of new hose, with instructions to report at next meeting.

ANOTHER MAN AFTER DAMAGES.

The next letter read was from Mr. L. P. Tanton, who asked the Board to at once settle his claim for damages sustained by his horse, and caused by a defective bridge, the property of the city. The accident happened in 1887, and Mr. Tanton claimed \$3 per day for board and attendance during the five months the animal was under treatment. If an early settlement was not made he said that he would place the matter in the County Court.

On motion of Councillor Douse a special committee composed of Councillors Douse, Davison and McRae, was appointed to inquire into the facts of the case.

WANTS TO LEASE THE FISH MARKET.

Mr. W. W. Clarke's letter was next read. He offered to lease the fish market building on Queen's wharf for a term of one or more years at a yearly rental of \$80, provided he was given permission to remove the fish boxes therein. Referred to Public Property Committee.

ROAD SIDEWALKS AND CROSSINGS.

The petition of a large number of ratepayers residing in Ward 4 east explained that the plankway between Connolly's pump and McLeod's corner, on Fitzroy street, had been taken up some time ago, and that the people in that neighborhood were now obliged to wade through deep mud in consequence. The petitioners also drew attention to the great need of suitable crossings in the neighborhood. The matter was referred to the Street Committee.

A WORD OF WARNING.

Mayor Haviland informed the Street Committee that there were piles of brick and stone on Prince street (the burnt district) that were not properly protected, and that during the day the pile of brick had fallen down and was now spread across the sidewalk in a dangerous position. He said that if an accident occurred, the city would be liable for damages, and urged prompt action.

IMPRISONMENT WOULD KILL HIM.

The petition of Mr. Charles Harvey, recently convicted of a third offence against the Canada Temperance Act and sentenced to two months' imprisonment therefor, asked that the sentence of the court be not carried out, on the ground that the petitioner was advanced in years and in a delicate state of health, and that imprisonment, no matter for how short a period would result in his death. The petitioner further explained that he had gone out of the liquor business some time ago, and promised not to engage in it again if the prayer of the petition were granted. The petition was accompanied by a certificate from Dr. S. R. Jenkins setting forth that Mr. Harvey was suffering from a complication of diseases and weak lungs, and that imprisonment in jail at this time would seriously affect his health.

Both the Recorder and Mayor informed the Board that they had no jurisdiction in the matter; that the proper course for Mr. Harvey to pursue was to memorialize the Minister of Justice. The petition was, therefore, laid on the table.

THE ASSESSMENT FOR THE YEAR.

Councillor Morris gave notice that at the next regular meeting he would introduce by-laws for the levying of an assessment on real estate and personal property; also for an assessment on real estate, personal property and poll tax for water purposes.

OUTSTANDING ACCOUNTS.

Councillor Morris moved that a committee of three be appointed to prepare a statement of all accounts due and outstanding against the city on the 31st December last, said statement to be submitted at the next meeting of the Board. Councillors Morris, Eden and Byrne were appointed the committee.

THE M'ISAAC-BRADLEY CASE.

Councillor Byrne moved that the amount (\$45) agreed to be paid in the case of John M'Isaac vs. Police Sergeant Bradley, be paid by the Stipendiary Magistrate out of the funds of the Police Court, should he be of opinion that the officers should not be held personally liable in such suit. Carried.

THE CONNOLLY LIQUOR CASE.

Councillor Morris asked the Recorder if the City would be responsible for the expenses in the Connolly liquor suit now on, if the case went to court and the city lost? His Honor said he would look into the matter carefully.

TENDERS FOR NEW PLANE.

On motion of Councillor Morris the Clerk was authorized to call for tenders for the

supplying of between 30,000 and 40,000 feet of merchantable hemlock plank.

DR. WARBURTON'S CLAIM.

Councillor Morris said a letter had been received from Dr. Warburton, in reference to the balance due him for services during the small-pox epidemic. He thought a committee should be appointed to see about the matter.

On motion of Councillor Douse a committee consisting of Councillors Douse, Eden and Taylor, was appointed.

CITY SURVEYOR SMITH DISMISSED.

On motion of Councillor Douse, seconded by Councillor McRae, H. B. Smith was dismissed from the position of City Surveyor, and Joseph Taylor appointed in his stead at a salary of \$400 a year. Councillors Byrne and Large voted against the dismissal.

CLOSING PROCEEDINGS.

After some discussion on the recent false alarm of fire, and His Worship had explained that any person guilty of giving a false alarm was subject to a penalty of \$50, the Council adjourned sine die.

A Word of Warning.

OWING to the continued mild weather, the ice on the harbor and rivers contiguous to the city is getting very bad, and horses are breaking through every day. Several got in yesterday and were rescued with difficulty. Under the City of Charlottetown Incorporation Act of 1888, the harbor when frozen over is constituted or considered as a street of the city, and the Council is directed to make provision for "the safety of persons travelling upon the said harbor when so frozen over." The utmost precaution in this regard should be taken by the city authorities at the present time. Dangerous places in the ice should have warning signals placed at them. In fact, it would be well for watchmen to be stationed near such places to warn approaching travellers and direct them to the safer parts of the ice. Proper forethought in this matter may prevent the loss of valuable property and still more valuable lives. We trust the hint we now throw out will not be disregarded.

Local and Other Items.

COMMENDABLE.—The Lew City Council's method of transacting business without indulging in unnecessary talk.

The bald man's motto: "There is room at the top." This top may be supplied with a good crop of fine hair by using Hall's Hair Renewer. Try it.

STREET CROSSINGS.—Yesterday several new crossings of ashes were laid down throughout the city and more are to follow. This is a step in the right direction.

BOATMEN ARRIVED.—The schooner, Sea Flower, Capt. Febyan Deagle, arrived at Scurie West from Colville Cove. The harbor is clear of ice, and shipping will commence in a few days.

A CHEEKY PAIR.—Two young girls in Moncton have been doing a lively business in shoplifting among the shoe stores lately. When they tried to get from Mr. Hogan the money price of a pair they had stolen, they were discovered.

MISS BESSIE H. BEDDOE, of Burlington, Vt., had a disease of the scalp which caused her hair to become very hard and dry and to fall so freely she scarcely dared comb it. Ayer's Hair Vigor gave her a healthy scalp, and made the hair beautifully thick and glossy.

A GRATEFUL FAMILY.—The Maine Farmer tells of a needy family for whom kind friends took up a contribution, raising \$25 in money. The recipients were grateful for the aid, and the whole family went to the photographer and had their pictures taken to send around to those who had befriended them.

ATTENTION.—Citizens should not overlook the fact that a book is kept in the office of the City Clerk in which all complaints about bad sidewalks, crossings, etc., may be registered. This book is for the information of the Street Committee and City Surveyor who consult it daily for the purpose of finding out just where their services are most needed.

A CURIOUS CASE.—An exchange says that a very curious case is just now attracting the attention of the medical men of a Berlin hospital. The patient is a boy of about twelve years of age, who was suffering from a slight inflammation of the windpipe. On being examined it was found that his heart was not in the left, but in the right side of his chest—a fact of which his parents had been in entire ignorance. The deformity does not, however, interfere with the boy's ordinary well being, and it is only remarkable on account of its great rarity.

A FRIEND AT COURT.—The following letter, which is self-explanatory, appears in a late issue of the Ottawa Evening Journal:—

Editor Journal:—I notice that in last evening's Journal you speak of Prof. J. C. Schurman as being a native of Nova Scotia. Kindly make a correction. Prof. Schurman, like that other good Canadian and anti-annexationist, Archbishop O'Brien, is a native of Prince Edward Island.

Yours, etc.,
Wm. C. DesBrisay.

20 Albert St., Ottawa, March 1, 1889.

PECULIAR WILL.—Among the peculiar wills made recently is one which gives the son and heir an annuity, but he is not to receive the first instalment of the principal, \$250,000, until ten years will have passed, and then on the condition only that he has not been drunk during that time. Ten years later he will be entitled to \$250,000 more on the same condition. But what is peculiar, the son is said to be temperate and with no tendencies, so far as known, to form drinking habits. The latter is not inclined, however, to submit gracefully to the prohibition, and is trying to come into full inheritance at once.—Ez.
