

Engewood RHS Has Graduation

Over 600 people attended Engewood High School's third commencement exercises on Monday night in the school auditorium. Elmer, chairman of the board of school trustees presided. Miss Diane MacPhee, Clyde River, delivered the valedictory.

The Island Hymn was sung by the school Glee Club and the principal, Desmond Connolly, reviewed the activities of the past year.

The address to the graduates was given by Rev. Bryer Jones, who told the graduates that the world and society need a man's contributions from them. "Some," he said, "look on the world as an epitome of success. You will soon find it in a form of insecurity.

"Young people going out into the world should know themselves. Go out into the world with some idea of your own worth and utility, for this is a sign of maturity. Set your mind upon great purposes—this is the way of mature people."

The following is a list of the graduates: Miriam Roberta Crawford, North Tryon; Beverly Joan Hansen, Cornwall; Donna Ruth MacDonald, Long Point; Mrs. Stanley Delaney and Mrs. New Dominion; Sandra Lynn MacDonald, Bonshaw; Ann MacDonnell, Westport; Margaret Kathleen MacPhee, Cape Cove; Mary Lynda Diane MacPhee, Clyde River; Carol Elizabeth Matheson, Appleton; and Diane Cathy Roberts, North Tryon.

GRADE 9
Highest aggregate in grade nine division one, Connie MacDonnell, North Tryon; second highest, Brenda Sturdy, Crapaud; second highest division one, David MacDonnell, Westport; division two, Ben Taylor, Cape Traverse; third highest, Gloria Thomas, North Tryon; division two, Barbara Molyneux, Crapaud; second highest, Lincoln Argyle, North Tryon; division two, Nina Mile Creek, French; Jean Dingwell, Crapaud; Science, Donald Sturdy, Westport; Latin, social studies, Connie MacDonnell, application, Wendy MacDougal, Cape Traverse.

SWEDISH HELP
More than 1,000 persons were rescued from major sea mishaps off the Swedish coast in 1963.

GO PLACES I GO NAVY!
Life in the Royal Canadian Navy is a rewarding challenge for young Canadians who join as seamen.

Concentrated basic training is followed by service in modern naval ships for practical experience and on-the-job training during the first recruitment period of three years.

Seamen draw pay and allowances which increase with experience, training and responsibility. They receive free medical and dental care, 30 days' annual leave, and if service is continued on a career basis, pension on retirement.

If you are 17-28, single, physically fit and have at least Grade 9 education, learn TODAY how to qualify by contacting your Naval Recruiting Office at:

Past Lt.-Gov's Grandson Receives BA

Eric B. Loth, a grandson of the late Lieutenant-Governor Joseph Bernard, of P.E.I., recently received his bachelor of arts degree from Bowdoin College, Brunswick, Maine, the Guardian learned yesterday in a letter from his mother, Letitia Bernard Loth of Boston.

Mrs. Loth said that her son lived at Government House here for several years as a young child.

He is the nephew of Mr. and Mrs. Henry Gallant, Euston Street; Mrs. James I. Higgins, Parkdale; and Harold Bernard.

Prize for physics: Michael Gallant.
Prize for French: Jeannette Gallant.
Prize for school spirit: Diane Gauthier.

Bootlegging Draws Word From Premier

Commenting on bootlegging operations in Charlottetown which, City Council has told Monday, are markedly on the increase, Premier Walter Shaw suggested Tuesday that police action be taken by the city on the matter.

If council is aware of the increase he said, the city has knowledge of the outlets and the council should take appropriate action in providing the cooperation the attorney general's office has asked for.

The premier elaborated on his feelings.

Control of bootlegging has always been a problem "with us," he said. "It should be recognized that proper and decent control in the use of liquor is a matter that involves all classes and groups of people who have a sincere regard for sobriety in the province."

School Grounds Are Landscaped

GEORGETOWN—Work has been in progress for the past several days to landscape the school grounds in Georgetown.

A large amount of top-soil has been trucked on the grounds and machinery is spreading and levelling this in preparation to eventual seeding of the area for a lawn.

To the north the ground will be ditched and sloped, to prevent cars and other vehicles from travelling over the lawn, which has been a problem in the past.

While the machinery is available it is also expected that a running track will be built for the track and field events on Centennial Day.

When the entire grounds have been landscaped, it is the intention of the school board, working on a financial basis of a 55 percent contribution from the Centennial grant to erect on the grounds in front of the school facing Kent Street, to erect a steel flag pole on a cement base. This will be commemorated as the permanent project to commemorate Centennial year.

ANNUAL INCREASE
The population of the United States is increasing by more than 3,000,000 a year.

NAVY HOSTS S'SIDE DIGNITARIES

Civic dignitaries along with numerous other Summerside residents were guests of the crew of HMCS New Waterford at a reception Monday night. Here (left to right) Commander Robert Brown appear to be enjoying an anecdote told by Mayor W.E. Jenkins (second from left).

This contest is open to ages 18 and under with each contestant providing his own "bottle made car".

The average Canadian eats approximately three-quarters a ton of food each year.

WIVES ALLOWED
Inhabitants of Somaliland are allowed to four wives each.

Soap Box Derby To Be Feature At Festival

MONTAGUE — Thursday, July 17, will be children's day in the Montague Regional Strawberry Festival to be held on July 15, 16 and 17. For the little girls there will be a doll carriage parade, with prizes given for originality and beauty. There will be with the decorated bicycle contest also with prizes.

The big event will be the soapbox derby which should provide thrills for all as it gets underway at 10.30 in the morning on Fraser Street in front of the high school. Each contestant will be allowed one assistant to four wives each.

CHIEF JUSTICE SPEAKS

One of the largest crowds in the history of the town of Summerside turned out for the official opening of Memorial Fountain here yesterday.

Grads Addressed By Dr. Bonnell

SUMMERSIDE — In addressing the 31-member graduating class at Athens Regional High School here Monday night, Rev. Dr. J.S. Bonnell, offered the graduates three precepts for living in the ever-changing world of today.

He stated that a person needs faith to live with and be able to live with himself and with others and must have a purpose to live by.

"You will always need faith to live by," he stated, "because we're living in a generation that is lacking in self control and in an age of astronomical intimidation." "Man today," he said, "has a tendency to feel that his life is worthless and that he is extremely small in the eyes of God. This is not so."

Dr. Bonnell said that if a man must have purpose and that this purpose shouldn't be just to make money.

SERVICE TO OTHERS
He stated that the trend today is to measure success by the amount of money a person earns. "This is not the case," he stated. "Success in life is measured not in what we have accumulated ourselves, but in what service we render to others."

Taxpayers Ass'n Elects Officers

Frank MacMillan was elected president of the Charlottetown Taxpayers' Association last night at a public meeting held at Birchwood High School.

Other officers chosen were: Paul Kay, vice president; Mrs. J. O. C. Campbell, secretary; and T. Milton Brabant, treasurer.

The executive are: J. W. MacKenzie, William Campbell, Alec Scott, Frank Hansen, and Vincent Leonard.

Formation of the organization stemmed from a public meeting held after the city of Charlottetown brought in its new tax assessment earlier this year.

Association objectives, as outlined in the newly drawn up constitution, are the promotion of the interests of Charlottetown taxpayers, the development of a close liaison between the taxpayers and city hall, the fostering of citizens' interest in city hall activities, and the promotion of good candidates for City Council seats.

Does were set at one dollar. The annual meeting is to be held in November, and executive meetings will be held frequently.

To put muscle in your ad message...

say it in newspapers where you get mass coverage and maximum attention, where you reach more people than you can with any other medium. (86% of all homes in America receive a newspaper every day.) Your message reaches every segment of the market... people of every age and income level, in city and suburbs. And 71% of the people read their paper page by page. The median reading time per paper is 37 minutes, and the average adult reader sees 1.4 newspapers on a typical weekday. The newspaper is a part of daily life... that's why it's the No. 1 advertising medium, with more dollars invested than all other major media combined!

Medium	Ad Dollars
Newspapers	\$2.9B
TV	\$1.9B
Magazines	\$1.3B
Radio	\$1.1B

More money is invested in newspapers than in all other major media combined!
