## Halifax Saints Looking For Backers; Oland Will Not Carry Full Burden

HALIFAX, Sept. 11 — (CP) — Unless Halifax sportsmen form an organization to sponsor a community hockey club, the city probably will not be represented in the Maritime Major Hockey League this season.

Lt. Col. Victor Oland, backer of Halifax St. Marys for several seasons, said tonight he could no longer assume the full burden of keeping the team in the circuit.

A Halifax withdrawal would call for drastic revision of Maritime Big Four plans at the league's annual meeting scheduled for Sept. 27. After Saint John and Moncton pulled out this summer, only Halifax, Charlottetown, Sydney and Glace Bay remained in the loop which last year comprised six clubs.

Dr. F. C. Dougan, president of Charlottetown Islanders, said tonight he was greatly concerned for the future of the league if Halifax did not enter.

In a series of developments which left the door wide open for new sponsorship, Col. Oland offered his interests to the Halifax Forum Commission. The Commission replied it "does not feel justified in using public funds to operate a hockey team."

Alderman J. G. DeWolf, commission chairman, said the body was "most anxious and willing to co-operate with any individual or group of individuals who are prepared to back financially a senior hockey team in this city."

Col. Oland said business interests which would keep him out of the city for most of the winter prevented him from continuing sole sponsorship of the Saints, but he was willing to do all he could to assist the team in time and finances.

## Abbies Start Football Practice; Hopes Bright

Commencing what coaches Gordon Bennett and Jim Coyle hope will be their big year the vanguard of the Abegweit football team are undergoing workouts each evening on the cricket field in Victoria Park.

A number of last year's players started their limbering up exercises on Wednesday evening. They held another session yesterday evening and will be holding daily practices each evening throughout the fall at five o'clock.

The Abbies will be missing a number of their outstanding players of last season, but it is expected that newcomers will fill the gap left by the departure of the veteran players.

Most sorely missed player will be the long ball kicking artist Art Perry. Art injured his knee last year and it has been troubling him periodically when he competes in athletic events since that time. The big fullback, not wishing to aggravate the injury, will retire from the game.

Others who will not be wearing Abbie uniforms are Reg. Rodgers, Jack Bradley, Roy Campbell and Howard Glover. Rodgers is working in Halifax while Bradley and Glover are serving in the Air Force.

Ebbie Devine, stocky scrum man is presently out of the Province, but it is believed that he may be returning this fall in time for the football season. New additions to the team may include Cyril Callaghan who played with St. Dunstan's and Bennet MacDonald who performed with Mount Allison a year ago.

In the practice sessions held to date a number of new players have turned out among them Jim Palmer and Charlie Heustis. Palmer played with Prince of Wales College in his student days while Heustis is a novice at the game.

Among those available from last year's team are team captain Elmer Blanchard, Ray Sark, Noel Wilson, Charlie Ready, Jim Flanagan, Harold Howatt, George Scantlebury, Walter LePage and Bill Ledwell.

Practice sessions in a few weeks time may be held under the lights. It is also possible that the first football game of the season here may be an under the lights affair.

## Ownership Of Black Hawks Changes Hands

CHICAGO, Sept. 11 — (AP) — Ownership of the Chicago Black Hawk hockey team today passed into control of Arthur M. Wirtz, president of the Chicago Stadium; Norris, and Norris' younger brother, Bruce, of suburban Lake Forest.

The deal was announced by William J. Tobin, retiring president of the Black Hawks, at the annual pre-season meeting of the National Hockey League.

Tobin said the elder James Norris, millionaire grain operator, has taken over the interest in the three new Hawks' owners held in Detroit Red Wings, league champions, which Norris controlled. Seven stockholders associated with Tobin in the Hawks' ownership had agreed to sell their stock holdings to the new combination.

The International Boxing Club, which operates in New York City, Chicago, Detroit and other major cities, while Wirtz is a member of the I. B. C.'s board of directors.

Other developments at the meeting were:

1. The Hawks traded their top flight goalie, Harry Lumley, to Toronto Maple Leafs for four players: Ray Hannigan, right winger, Cal Gardner, centre, Gus Mortson, defenceman, and Al Rollins, a goalie once the property of the Hawks.

2. The club owners agreed to a revolutionary new draft setup through which the league's weaker teams can be strengthened by the drafting of certain players from the stronger clubs for \$10,000 each. Clarence S. Campbell, Montreal, president of the league, said the draft would prevent rookie players being held in control of one club too long.

Under the new draft, which will become effective at a meeting in Detroit Oct. 5, each club will have 22 players—two goalies and 20 others—in a protective group exempt from the draft. However, other players owned by the club, but playing elsewhere, may be claimed by another club for the \$10,000 draft price. Once drafted, the player may not be traded or sold for one year. If the purchasing club desires to drop him, it must first ask waivers. Then the player, if claimed, can be purchased for \$7,500, the agreed waiver price.

Campbell said the two lowest clubs in last year's standing—Chicago and Boston—would be given the first two choices with the fourth, third, second and first teams drafting one player in that order. On the second draft round, each team will select only one player.

After the draft, Campbell plans to have the reserve list of each club reduced from 40 to 25, thus making about 100 players available to sign with other major or minor league clubs. Campbell will meet with Emery Jones, pres-

## Bill Durnan To Confer With Hockey Club Officials This Morning

Big Bill Durnan, a six time winner of the Vezina Trophy in the National Hockey League, may sign a contract this morning to coach the Islanders throughout the 1952-53 hockey season.

Durnan arrived here from Ottawa last night and will meet with Club President Dr. F. C. Dougan and other executive officials this morning in a business session.

The former Montreal Star has been coaching Ottawa Senators for the past two years.

If Durnan agrees to guide the fortunes of the Islanders, he will not be a playing coach. He has not played nets since he left the Canadiens for Ottawa two years ago.

In his seven years in the National Hockey League, Durnan was selected for the All Star team six times. He twice played on Stanley Cup teams and four times on the team that led the N.H.L. during the regular season's play.

Durnan spent all his Big-League time with the Canadiens. In that time he established himself as one of the best, if not the best netminder who ever donned the goaltender's pads in the majors.

He was a team-mate of Leo Lamoureux during four of the years he was with Montreal.

## Fans See Good Racing Card Here Last Night

While rain threatened from minute to minute, and Lady Luck smiled on the less favored entries, a card of nine dashes kept the faithful entertained at the Charlottetown Driving Park last night.

Most crowd-pleasing finish of the evening saw Johnny Kalmuck who trailed the class at the three-quarter pole in the 8th dash of the evening, round his field and get the nod after a characteristic burst of speed. His ground devouring final drive drew an ovation. Time 2:11 2-5.

Argot Pointer fooled the wise ones in the first heat of this event, when he closed with a rush on Prince Budlong, A. G. Scott and Babe Britton, and won going away. He paid 21.10 in the mutuels.

Racing gamely from wire to wire Capt. Missouri took the 3rd and seventh events on the card. In the seventh dash he came from far back to nose out Miss Commando in the final strides. Kennedy drove a heady race to get the Captain down in front.

Amico, never in contention in the second dash of the evening, came back in the 6th event to surprise the forecasters and pay \$30.00 in a half game of New York Yankees in the American League pennant battle.

Big Mike turned back Philadelphia Athletics 1-0 on two hits for his 20th victory while Avila accounted for the game's only run with a home run in the fourth inning off Lumberjack Harry Byrd. The Yanks were idle.

In the National League, New York Giants drew to within 3 1-2 games of Brooklyn's pace-setting Dodgers by edging Pittsburgh 5-4 while the Brooks blew an 11-7 decision to Chicago Cubs.

Garcia's near-perfect performance was his third straight shutout and seventh of the season. The husky ace has compiled a string of 28 consecutive scoreless innings.

Ferris Fain, the circuit's leading batter, collected both hits yielded by Garcia. The A's threatened in the fourth inning, loading the bases with two out but Garcia got Cass Michaels to fly out to end the inning.

Byrd permitted only five hits, including two singles by Luke Easter. The blows enabled Easter to stretch his hitting streak to 14 games. The triumph also was the Indians' eighth straight, their longest unbeaten skein of the season.

Home runs by Al Dark, Sal Yvar and a two-run pinch-hit single by Bob Elliott were the big blows in the Giants' triumph but an error by Pirate catcher Joe Garagiola in the seventh enabled the New Yorkers to score their fifth and winning run.

Sal Maglie started and gained credit for his 16th victory but it took a brilliant relief job by rookie Hoyt Wilhelm to seal the verdict. Maglie worked five innings and was tagged for six hits including Ralph Kiner's 34th homer of the season.

## Garcia Hurls Indians To Within Half Game Of Yanks; Giants Gain Game

By The Associated Press

Mike Garcia, California-born righthander of Mexican extraction and south of the border native Bobby Avila, teamed up Thursday to lead Cleveland Indians to within a half game of New York Yankees in the American League pennant battle.

Big Mike turned back Philadelphia Athletics 1-0 on two hits for his 20th victory while Avila accounted for the game's only run with a home run in the fourth inning off Lumberjack Harry Byrd. The Yanks were idle.

## Springhill Wins N. S. Junior Title

SPRINGHILL, N. S., Sept. 11 — (CP) — Springhill Tankers captured the Nova Scotia junior baseball title tonight with a 4-2 win over Glace Bay Altonians after a tight series which went the full five-game route.

The Cape Breton infield threw away the game in the fourth when Tankers loaded the bases on errors. A single scored two runs, putting Springhill in the lead to stay.

Allie Madison held Altonians to seven hits, only one good for extra bases, and struck out 10. Wilton on the Glace Bay mound scattered five hits which Springhill made pay off.

## Defeat Dairymen 8-1 In Series Deciding Game

The Liguorian Youth Club climbed a terrific play-off drive yesterday evening by winning the City Softball League championship with an 8-1 victory over the Sunshine Island Dairy in the fifth and final game of the series.

A substantial lead in the early innings and the brilliant pitching of young Wilf Shephard proved too much for the Dairymen as the Youth clubbers came through with their victory.

Shephard allowed only five hits in hurling the LYC to their victory. The young lefthander, who played third base all season, gave up one run in the first inning and held the door shut in the last seven frames.

The winners picked up one run in the first inning, three in the second, three in the third, two in the fifth and a single run again in the sixth.

Art Ballem started for the Dairymen and worked for the first six innings. He was relieved by brother Charlie in the seventh frame.

Freddy Shephard, LYC right-fielder clouted a home run for the winners with no one on in the sixth inning. It was the only round tripper of the game.

Actually it was a great night for the Shephards. While brothers Wilf and Freddy started on the mound and at the plate, Allan Shephard played an outstanding game at first despite the fact that he worked with an injured hand.

Outfielders Allan MacDonald and Jack Bradley turned in two of the best fielding plays. MacDonald robbed Len Arsenault of a home run while Bradley made a nice running catch off Dunn.

The play-off drive of the Jack Hennessey coached LYC brought the team from the last play-off spot to the championship.

After ending the regular schedule in a three way tie for fifth place they were forced to play a round robin series with Bruce Stewart's and the Maritime Electric before gaining sole possession of fifth position.

In the first play-off round they eliminated the Guardian Angels in four games. They disposed of the Bowery Bombers in two games and won from the league leading Dairymen in five contests.

The LYC won the first two games of the finals but the Dairymen came back to square matters. The first attempt on Tuesday evening to play the fifth game was washed out by darkness with the LYC leading 7-6.

Jimmy Gauthier, who gave yeoman-like service to the LYC on the pitcher's mound, in the early play-off games, played third base last night.

The game was handled by Gene Ward and it was witnessed by a large crowd of fans.
