RUINOUS DYSPEPSIA

Is Banished Forever by the Use of Dodd's Dyspepsia Tablets.

The "Cranky" Individual Becomes a New Being After Using Them—Strength Succeeds Weakness, Vigor Replaces Languor, and Health Replaces Disease.

Dyspepsia has broken up many a once happy home. It has earned for many a man the undesired title of "tyrant," or crank.

The business man, worried by the cares and anxieties of trade, and tortured by Dyspepsia, has a great deal to bear up against.

It is not to be wondered at that he sometimes loses his temper, and speaks and acts gruffly and crossly to those about him.

But when he does so, it is not the fault of the man, but of the disease that is gnawing at his vitals.

In such cases, Dodd's Dyspepsia Tablets are a veritable Angel of Mercy, for they restore a man's health, give back refreshed and reinvigorated, all his vital forces, and make him gracious and pleasant in temper and actions.

A man enjoying perfect health is seldom unsoberable.

And a man who enjoys perfect health must enjoy perfect digestion.

Dodd's Dyspepsia Tablets give perfect digestion, because they digest the food themselves.

Pure, cool blood, is the first essential to good health.

Pure cool blood is the positive result of perfect digestion.

Perfect digestion, (and, therefore, pure cool blood) is the inevitable result of the use of Dodd's Dyspepsia Tablets.

Dodd's Dyspepsia Tablets are sold by all druggists, at fifty cents a box, six boxes \$2.50; or sent on receipt of price by The Dodds Medicine Co., Limited, Ont.

AGUST THE 11TH.—Don't forget that the greatest night's sport ever held in the city will be celebrated by electric light on the new grounds of the Athletic Association. All the fastest men in the provinces will take part.

Many persons cannot take plain cod-liver oil.

They cannot digest it. It upsets the stomach.

Knowing these things, we have digested the oil in Scott's Emulsion of Cod-liver Oil with Hypophosphites; that is, we have broken it up into little globules, or droplets.

We use machinery to do the work of the digestive organs, and you obtain the good effects of the digested oil at once. That is why you can take Scott's Emulsion.

THINK NOT AGAIN OF ME.

Dark sorrow's wings brood o'er my soul,
And 'neath their baneful power
My hopes have withered like the dews
Upon a blooming flower.
No more I roam the realms of bliss,
From pangs of anguish free.
Thy love must ne'er, ne'er be mine.
Think not again of me.

When in the halls of revelry,
Of music and of mirth,
Oh, I would have thee to forget
That e'er we met on earth!
I would not wreck thy bark of life
Upon an unknown sea.
Go share thy love with some fond heart
And waste it not on me.

The shell 'hat is by ocean cast
Upon the sandy shore
Still in its secret, deep recess
Keeps echoing its roar.
So in my heart, which fate has thrown
Upon love's hidden reef,
Still echoes my lost loved one's tones
Amid my tears of grief.
—New York Ledger.

THE OLD CLERK.

A Pathetic Picture Too Frequently Presented in the Business World.

He is a familiar figure in almost every business house—the old clerk. White haired, thin, with clothes that are always of decent black and scrupulously brushed, he sits behind the same desk or stood behind the same counter for dear knows how many years, growing thinner and older and mustier as the tin's went by. Sometimes we meet him in the early morning going down to office or store, walking the same route he has trod for 20 or 30 years with a regularity so perfect that the very policeman on the beat might set his watch by his movements. Often, late at night, when we are going home from the theater we see him through the iron grated window, still bending over his ledger, for he works slowly nowadays and must work overtime to make up his accounts. His eyes are growing dim and he fumbles with his glasses, his hands are losing their trick of deft penmanship, and his brain its swiftness. He does not understand it, but the fly boys all about him, young enough to be his sons, rush through their tasks and are out and gone while he is still laboring over his. Slowly but surely it is being borne in on him that he cannot compete with them.

In the manager's office he is already becoming a problem. Customers have begun to complain of his slowness. A man, not intentionally cruel, called out that he wanted somebody who was alive to wait on him; not that old fossil. A woman complained that he had not matched a sample and asked why they kept blind people. The old clerk heard them, and it sounded like the knell of his own foreboding. He knows that the time is coming when he must go. He has seen it happen before with others. First he will be retired to some other department, with less work and less pay. They will remember for a time the many years of faithful service in which he has seen the firm grow from small beginnings to present wealth.

Then after a time they will forget even that, and one day when he has been slower than usual or some mistake has passed unnoticed by his dim eyes they will send for him to come to the president's room, and he will be told that they think it best to put a boy in that department—somebody who is young and quick and can get about swiftly. Sometimes they give him a little pension, oftener not, but in either case he goes out a poor, heart broken old man. They talk to him of enjoying leisure, but he has never learned the art of idling, and so he hangs about the store after he is dismissed, walking by it through sheer force of habit. To others it is a commonplace enough store or office. To him it is the mausoleum where lies buried his youth, with all its dreams and hopes and ambitions, and there is a tear under the smile on his wintry old face as he says that he has left Blank & Blank's and has got too old to work.—New Orleans Picayune.

THE MORGAN CASE

How it Appears to the People of Brookfield Village.

Such a Case Need Never Occur Again—No Man Need Suffer From Kidney Disease—For Dodd's Kidney Pills Cure it Always.

BROOKFIELD, N. S., July 29.—The man who would die of hunger while there was abundance of nourishing food within reach does not deserve to live.

A man who suffers the agony of disease and finally dies a miserable, untimely death, with the unfeeling means of cure in reach, does not deserve to live.

The person who suffers from any form of Kidney Disease, is on a par with him who starves with plenty of food in the house.

The reason is plain and simple. He can cure himself as easily as a hungry man can eat!

All he needs to do is to use Dodd's Kidney Pills. They will cure any and every form of Kidney Disease, as surely as food banishes hunger.

Mr. John S. Morgan, of Bridgewater, N. S., is a living testimony to the efficacy of Dodd's Kidney Pills.

Eighteen years ago he began to feel slight back aches, and pains in his legs.

He thought nothing of these symptoms, till a more advanced stage of his disease brought such agony that he became alarmed and sought medical advice.

The doctor could not help him. Then he had recourse to various patent medicines; these also failed.

He was now in a very serious state. He had lost forty pounds in weight, was weak nervous, crippled.

Hopeless, he tried Dodd's Kidney Pills and felt almost immediate relief. Twenty boxes cured him, as they will cure any other victim of Kidney Disease.

Dodd's Kidney Pills are sold by all druggists at fifty cents a box, six boxes \$2.50, or sent, on receipt of price by The Dodds Medicine Co., Limited, Toronto, Ont.

HUMAN SACRIFICES

On the Altar of Diabetes, Saved by Dodd's Kidney Pills, Only.

Hardly a family in the country is free from Diabetes. Great thirst, failing sight, numbness in the thighs, bleeding gums, swollen ankles, emaciation, nervousness, pale or turbid urine, loss of sexual power, decaying teeth, pains in the loins or small of the back, are all positive signs that Diabetes is in the system.

Do you know how it ends? IN DEATH. A premature, horrible, agonized, pitiful death. The victim has no peace, no ease in life. His days are filled with tortures. His nights are waking dreams of agony. He longs to die, yet fears the terrors of his end. He lies, a bloated, fetid, repulsive mass of corruption. That is the only end of unchecked Diabetes. Dodd's Kidney Pills will cure it. They drive it out of the system thoroughly, create new, clean blood, rebuild the diseased kidneys, and restore robust health.

The Reason Why
Shorey's Ready to Wear Clothing...
Is better in style and finish than what I can get from my tailors.
Of course a large concern like Shorey's can keep a staff of experienced workmen upon one class of work from year to year until they become absolutely perfect, while a tailor's hands produce a sack coat to-day, a dress coat to-morrow and so on, consequently they cannot be expected to attain the proficiency of Shorey's workmen.
Shorey's Guarantee Card in the pocket of every garment shows that the firm is bound to give perfect satisfaction in every instance.
