Ramblers And Daks Tied In Playoff Game

The PMQ Ramblers and the Airforce Daks tied the first game of their final series for the Summerside Ladies' softball championship, the game ending with a 4-4 count at the Airport diamond last evening. Marilyn Major allowed the Daks only two hits and struck out thirteen. Control, her old bugbear, played a large part in snatching victory from her grasp. However, she walked ten batters. Three of them in the crucial seventh inning when, with the score 4-1 against them, the Daks, famous for their strong finishes, scored three runs to tie the ball game. Clark's high throw to the plate allowed Chisholm to score the tying run.

The PMQ's got five hits off two Dak pitchers, Joe Thomas and Ruth Chaster. Thomas gave up 3 hits in 4 frames, struck out four and walked one. Chaster allowed two bingles in three innings, whiffed five and issued one free pass. Finnegan and Jackson led old batters with two hits in three tries. Finnegan's bingles being a triple and double, the only extra-base blows of the game.

Chambers got the other hit for the Batter Halves. White and Crowe were the only Dak hitters to register hits off Major.

The PMQ's committed three errors, two by Johnson and that crucial one by Clarke. The Daks had two outfield bobbles, by White and Johnson. Babcock made a fancy catch off Chambers' fly in the second inning.

ber of entries although not too much is known of their quality. For the Abbies men like George Walters, Wendall Barrett, Harry Younker, Ron Atkinson and possibly George Cass will be leading the way.

Younker, who is a good 100 and 200-yard man will be running under the Abbies colors as will another chap who is coming up with Harry from Bermuda.

One of the features of the meet will be the six-mile race which will star such competitors as Stewart MacMillan of Halifax, Roy Appleton of Glace Bay, Joe Richard of Saint John and Russell Doyle of Charlottetown. It was hoped that the race could be run under the lights but it is doubtful if the lights will be installed in time for the meet due to the non-arrival of equipment which was supposed to be here this week.

Of the fifteen track and field records for Memorial Field five of them are held by Island athletes according to information received here last night from George Watson of Charlottetown.

West Prince Teachers Hold Convention

Mr. Earl Jelly, B. A. O'Leary, was re-elected president of the West Prince Teachers Association at the convention held August 26 and 27 in O'Leary High School.

Other officers are: Vice-President, Mr. Terence Gavin; Secretary, Mrs. Mary McIsaac.

Among the resolutions discussed and adopted were, resolved the Teachers Federation make provision for the setting up of a Teachers' Aid; resolved that the Department of Education be asked to consider the setting up of a departmental publication which would contain directives as well as methods and education matters generally; and resolved that a payment be made to teachers at the end of August.

The well attended meeting heard an address by the President which dealt mainly with the sessions held at the Teachers Federation convention at Winnipeg to which Mr. Jelly was a delegate.

Helpful joints of interest stressed by Mr. Merritt Callaghan, B. A., supervisor were, study thoroughly the supplement to the course of studies; do not try to overstep the amount of work to be done in each grade; have all pupils of school size in-rolled; and be punctual in sending attendance reports to the local supervisor.

Committees were appointed as follows: Press, Mrs. Albert McIsaac, Mr. James Currie, and Robert Thompson; Resolutions, Louis McKenzie, Mrs. Thomas Duncan, and Mr. Terence Gavin; Nominations, Mrs. John Matthews, Mrs. Harold Doyle, and Mrs. Ken Campbell.

Vice-President Terrence Gallant gave a report on the activities of the Prince Edward Island Teachers Federation for 1951 and 1952. Following a discussion of the question of the observance of Education Week across the island, a resolution was passed to have public meetings in March to discuss the subject.

The meeting approved its being held in late winter or early spring.

Messrs. Earl Jelly and Alvin Hardy were elected to the Board of Governors and both made short addresses.

AFTERNOON SESSION

The afternoon session was called to order by Mr. Jelly and the Chief Supervisor, Mr. Malcolm McKenzie addressed the meeting. Among other matters he mentioned the following: in spelling teachers may use the old text, in geography there is no new text authorized for use. Several texts were recommended by the speaker. These could be bought for the school library. Mr. Louis McKenzie, Principal of the O'Leary High School presented a most interesting paper on language.

Points of much interest were brought out. A discussion period followed with questions being answered by the Chief Supervisor and Merritt Callaghan. A paper on "arithmetic" was then given by a local teacher.

The first speaker on the second day of the convention, August 27th was Dr. L. W. Shaw, Charlottetown. His subject was the "teaching of science". He said the purpose was to acquaint pupils with an understanding of their natural environment, and secondly the development of good citizens. The fields of science were, biology, chemistry and physics.

Dr. Shaw's address was most interesting and instructive.

The chairman introduced Mr. Muford, director of music, whose subject was "music in the schools." Musical training gives the children confidence and coordination. A Sing-song led by Mr. Muford followed.

The next speaker was Miss Bowness, director of Junior Red Cross. Her address was on the importance of Junior Red Cross work.

Mr. McKenzie, chief supervisor of schools gave a very helpful report of the readers of entrance examination papers for 1952.

Miss Helen Yeo, B. A. gave a talk on English. Many problems were dealt with and questions asked.

Miss Mona Clay of the Department of Health spoke on mental health.

WASHINGTON, Aug. 28 —(AP)—The National Boxing Association said today it can not act on a request to suspend light-heavyweight champion Joey Maxim and his manager Jack Kearns until a formal report is made by the British Boxing Board of Control. Returns From Training Cruise

Lieutenant Commander Clarence Mercer, R.C.N.R., and supervisor of Summerside High School, returned to Summerside on Wednesday evening after completing an 8-weeks course in astro-navigation, during which time he participated in a two weeks southern cruise on H.M.C.S. Brockville.

While travelling south on this cruise, Lt. Commander Mercer was in charge of a ship's watch that won the ship's prize for predicting time of landfall at Bermuda and its bearing at that time.

This was based on three days' observation of star and sun sights, and their calculation were only 30 seconds out on time, and less than 1 degree of bearing in error. While in Bermuda they enjoyed shore leave before leaving on return to Halifax on Sunday morning, arriving there on Tuesday evening.—S.

FLAMING FEATHER AT THE CAPITOL

A suspenseful saga of a mysterious white man whipping the Ute Indians of the Old West into a bloodthirsty frenzy is effectively set forth in Paramount's "Flaming Feather", which opens today at the Capitol Theatre. This Technicolor thriller concerns itself with the siege of destruction and murder unleashed by the elusive outlaw and his headfeathered friends, the grim hunt for him, and the men who finally bring him to justice.

There are also several high-calorie romances tucked into the explosive doings, but "Flaming Feather" aims chiefly for action and neatly hits the mark. Sterling Hayden, Forrest Tucker and Arleen Whelan head the ample and able cast in this Nat Holm production.

Hayden is the frontiersman who guns for the renegade white after his ranch has been ruined by the rampaging Utes; Tucker appears as the cavalry officer who has been leading his troops in a futile search for this desperado known as the Sideshow; and Miss Whelan portrays a frontier dance hall darling who knows more about the Sideshow than she cares to tell.

Starring: STERLING HAYDEN, FORREST TUCKER, ARLEEN WHELAN, BARBARA RUSH, VICTOR JORY, RICHARD ARLEN, BOB BUCHANAN. Color by TECHNICOLOR. Directed by RAY ENGLISH. Story and Screenplay by GERALD DRAVSON ADAMS. Additional Dialogues by FRANK CRIBBER. Produced by NAT HOLM. A PARAMOUNT PICTURE.
