Wood Islands Boat Races Huge Success

A thrilling boat race program was witnessed at Wood Islands yesterday afternoon when four fast classes and one special race were run off amid the loud applause of the large gathering.

An ideal location for the races was chosen outside the bar-passageway, thus permitting the people to gather on a cleared promontory for a perfect view of the races. Viewed from above, all the boats and their positions were in clear view of the spectators. The promontory had been cleared to allow parking and standing space, and also room for the dining saloon, refreshment booth, dancing platform, and sports area.

The races were the big drawing card and were run off efficiently by the officials in charge, without hold-ups or accidents.

At the conclusion of the race program, the crowd enjoyed a delicious supper prepared by the ladies of the Women's Institute of Wood Islands, West and East, Bellevue and Melville. The Highland pipers Bill Bears and Hugh MacPherson, were on hand to delight the crowd with the very popular highland pipe music.

The latter part of the afternoon was taken up with field sports under the direction of Brig. W. Reid and Art Perry, of the Department of Physical Fitness. Each class was well represented, and competition was keen. The married women's race captured the interest of the spectators, as the nimble ladies tore down the runway with plenty of speed. The shot-put completed the afternoon's sports with a 30-foot put by Stewart MacMillan.

The light 6 cylinder race, the first one of the afternoon was a close run all the way with the four boats in close following order. At the finish the boat owned by Laurie Herring, Murray Harbor, pulled to the front to cop the first prize.

The heavy 6 cylinder had two entries which gave the spectators a thrilling time as the two boats raced parallel almost to the finish before the boat owned by Vincent Turpell of Pictou Island pulled out to take the race by half a length.

The V-8 race was won by Angus MacNeil of Murray Harbor, who had little difficulty in taking the lead right to the finish. The last two boats owned by Henry Richards of Wood Islands and James Singleton of Belle River gave a thrilling race, the two boats coming in with almost a photo finish.

The free-for-all was the most spectacular race of the afternoon with eight boats maneuvering for position. At the second turn all boats were still in close and only on the home stretch did Angus MacNeil pull away from the pack to lead them home.

A special race between the boat owned by Angus MacNeil and Vincent Turpell was run, with both boats bow to bow to the home stretch where MacNeil took the lead to the finish.

The officials in charge who put a great deal of work into organizing this first meet, were commended for their splendid efforts, which were crowned with success, and it is expected that next year will see an even bigger meet at ideally located Wood Islands.

The following are the results of the races:
Light 6-cylinder — 1, Laurie Herring, Murray Harbor; 2, William Bell, Belle River; 3, Jack Dougherty, Pictou; 4, Rennie Gay, Royal.

Heavy 6-cylinder — 1, Vincent Turpell, Pictou Island; 2, Sandy MacPherson, Flat River.
V-8 — 1, Angus MacNeil, Murray Harbor; 2, Stanley Livingston, Wood Islands; 3, Henry Richards, Wood Islands; 4, James Singleton, Belle River.

Free-for-All — 1, Angus MacNeil, Murray Harbor; 2, Laurie Herring, Murray Harbor; 3, Vincent Turpell, Pictou Island; 4, Henry Richards, Wood Islands; 5, Stan Livingston, Wood Islands; 6, William Bell, Belle River; 7, James Singleton, Belle River; 8, Sandy MacPherson, Flat River.

Royals Defeat C. And B. To Top S'ide League

The R.C.A.F. Royals went ahead in the leap-frog race that is being waged between the three teams in the Summerside A. A. A. League by defeating the Curran and Briggs Juniors at the recreation grounds last night by the score of 9 to 4. Carl Embrett, the big southpaw of the Royals, had too much on the ball for the Juniors, although he was in some trouble in the fourth and sixth innings. He allowed only four hits and struck out fifteen men.

The Armen got to "Lefty" Lefurgey in the first inning, banging three hits off of slants and getting two free hits to first. Colin Grady who came in to relieve him with none out in the initial frame, settled down to pitch gill-edged ball, allowing no further hits until the sixth frame when Boylan, R.C.A.F. left fielder who won the Victory Cleaners "Bating" Award with eight points, sent a long ball into left field that was good for three bases. The Airforce stickers really got to Grady in the seventh, banging out four singles.

Gerard Dalton's defensive play in right field was a feature of the contest, the youngster getting three smart catches. The Juniors pulled off a brilliant double play in the sixth. Boylan had a triple, a single, a walk and a run batted in for his eight points.
