Social Festivities and Amusements.

A series of very pleasant social events concluded last evening with the ball given by Mr. and Mrs. Newbery, at their residence, Dundas Esplanade. Among the guests were Admiral Watson and officers of H. M. S. Bellerophon, Capt. Rolfe and officers of H. M. S. Pylades, General Sir John Ross, General Sir Frederick Middleton, His Honor Lieut.-Governor Macdonald and Mrs. Macdonald, and many of our principal citizens.

The ships of war Bellerophon and Pylades weighed anchor about noon to-day. It is pleasing to learn that the Admiral and his officers were delighted with the attention and hospitality they received while here—and hope to come again next year.

Personal.

General Sir John Ross left this afternoon on board the Bellerophon.

Rev. Mr. Hinson has declined a call to the First Baptist Church in Ottawa.

General Grenfell has been promoted to the full rank of Major-General for distinguished service in the field."

Prince Alexander, of Battenberg' has been appointed to the command of an Austrian regiment in Styria.

The Emperor of Germany isn't so bad a man, after all. He prefers a pipe to a cigar, and detests a cigarette. That detestation alone should outweigh a thousand faults, though he were ten times an Emperor.

On Wednesday last Rev. Francis Partridge D. D., Rector of St. George's church was installed as Canon of St. Luke's Cathedral by the Bishop of the Diocese.

The German Emperor may be congratulated on having made his visit to England in the nick of time. A month later and he would have found the kingdom convulsed over the Maybrick case and careless of Emperors and their doings.

Mr. J. McCarey, of the Post Office Department, left Halifax for Boston, New York, and other American cities, on Saturday. He will return via Montreal.

We are glad to learn that His Lordship the Chief Justice is very much better since his return from the country. The *Patriot* has been misinformed.

The steamer Damara sailed from Halifax for London on Tuesday morning. Mr. Horace Haszard and sister were amonst the passengers.

It is pleasing to learn that the health of Rev. D. M. Gordon, B. D., of St. Andrew's Church, Halifax, has greatly improved, as a result of his trip abroad. The rev. gentleman sailed from London for Japan this week. He will not return to Halifax until November next.

Mr. D. R. McLennan, who has been "doing" the Hrlifax carnival, returned home on Tuesday evening. He reports the carnival "a great success."

The popular and widely-famed Conductor of the Windsor and Annapolis Railway, Joe Edwards, is attending the session of the Grand Lodge I. O. O. F. here.

The venerable Grand Treasurer of the Grand Lodge I. O. O. F., Henry A. Taylor, Esq., of Halifax, N. S., who has held the position for many years past, is in the eightieth year of his age, and is also Grand Treasurer of the Masonic fraternity and the Sons of Temperance.

A western correspondent writes: "His Honor Mr. Justice Young is at present making his annual summer tour of this part of the Island. I learned from him that he has already made a similar tour of the eastern end of the Province. The fact that His Honor who has had so many opportunities for sight seeing abroad, prefers a quiet drive by carriage to view the beautiful scenery of our Island home, speaks volumes for P. E. Island as a summer resort for tourists. Nothing could be more enchanting than a morning or evening drive at this season along the roads skirting our magnificent sea coast. His Honor enjoys these drives immensely, and also takes great delight in noting the progress of the husbandman along the route. He thus sets on example worthy of emulation by all who desire to imbue the rising generation with a spirit of patriotism."

LETTERS TO THE EDITOR.

A Brutal Husband.

SIR,—The monotony of our quiet, every day life was broken to-day by an event, the like of which seldom, if ever before happened in our midst. A party of gysies, in passing throngh this settlement, stopped on the road to cook their noonday meal, about half a mile from the village. Of course water was required, and the wife of the lazy rascal started to a creek, where, no doubt, she thought to fill her cans. To her dismay, there was no water to be found. On returning and making known the fruitlessness of her search, she was immediately taken to task by her lord and master, who, seizing a large stone, hurled it at her with the precision of a well-trained arm. The projectile struck the poor woman on the back. Not satisfied, the wretch threw two more with ffeect. Then, seizing a large stick, madr after her with fearful imprecations falling from his lips. The children, four in number, set up a screaming which was piteous to listen to, the three great, burly brutes of dogs joining in the din. After a short, but sharp race, the gypsy succeeded in catching up with the woman. One or two well directed blows with the stick felled her to the earth. After a couple of savage kicks, he left her with bleeding face and unable to walk for some time. Your correspondent who was at work in a field near by rushed, as did others, to the scene, and was only prevented from laying violent hands on the wretch by the dogs, who seemed to share the terrible temper of their master. The poor woman, when last seen, was sitting by the roadside, sobbing like to break her heart, nursing a child a few months old. We call the attention of the proper authorities to the matter.
