

U. S. Troops Storm To Top Of Triangle Hill

By George A. McArthur... (AP)—U. S. 7th Division troops, attacking through mist and fog, stormed to the top of Triangle Hill in Central Korea today.

Slight Earthquake In Maine, N.B., Que.

FORT KENT, Me., Oct. 14 (AP)—A light earthquake shook the Fort Kent area of Northern Maine for several seconds late today and the tremor was felt 40 miles away in Tinker, N. B.

There were no reports of damage. "The ground seemed to shake just long enough to let you know the quake was there," one Fort Kent resident said.

The Columbia University seismograph in New York recorded the earthquake at 6:06 p. m. EST. Dr. Frank Press, seismologist, said the tremor was of moderate intensity.

QUEBEC, Oct. 14 (CP)—An earth tremor that lasted "two or three seconds" shortly after 5 p. m. was reported here today.

Police said they received many calls from persons who said they felt chairs shake.

A police station in lower-town St. Sauveur district reported lights swung back and forth from the ceiling.

WHITEHEAD—At the Prince County Hospital, October 1st, 1952, to Mr. and Mrs. Marshall Whitehead, Graham's road, a daughter, Marsha Gail.

Her remains are resting at the Cutcliffe Funeral Home where a short service will be held Thursday afternoon at 1 o'clock followed by service in St. Stephen's Anglican Church, Irishtown at 3 o'clock. Interment in Irishtown Cemetery.

MACDONALD—At the Charlottetown Hospital, Tuesday, Oct. 14, Henrietta MacDonald, formerly of Pisiquid, in her 82nd year. The remains are resting at the A. A. Hennessey Funeral Home until 3 o'clock today (Wednesday) and will then be transferred to the residence of her niece, Mrs. Joseph Barrett, Glenroy. The funeral will take place on Thursday morning at 8:45 to St. Andrew's Church, interment in church cemetery.

Annual Meeting Of Navy League

The October meeting of the Charlottetown Ministerial Association was held on Tuesday afternoon, October 14th, in the Y. M. C. A. building with the president, Rev. Henry Barber in the chair and the secretary, Mr. F. B. Gamble, at the desk.

The regular non-jury sitting of the Supreme Court for October began in Charlottetown yesterday. Mr. Justice George J. Tweedy presided. The Excise Act appeal of James George Clark, Charlottetown, which was adjourned from the last court was set down for hearing Monday.

Mr. J. J. Morris (above) was re-elected president of the Navy League of Canada (Prince Edward Island Division) at the annual meeting of the organization held at H. M. C. S. Queen Charlotte last night.

Other officers elected included Messrs. C. M. MacLean, Vice President; treasurer, G. Dennis; secretary, "Bert" Campbell; and chairman of the Sea Cadets, Captain J. J. Connolly V.R.D. The president presided.

Present for the meeting was Lieutenant Commander P. K. Wilton, Maritime Sea Cadet Area Officer of Halifax, Lieutenant J.D.W. Smallwood, Commanding Officer of the local Sea Cadet Corps, Capt. Connolly, and Sea Cadet Lieutenants Ralph Breaud and Lloyd Grant.

A resolution was passed at the meeting urging Mr. Morris to impress on Navy League officials at Toronto during the annual meeting of the organization there this fall the necessity of having an organizer sent down to the Province.

In his report, the president paid high tribute to the efficiency of the local Sea Cadet Corps and the officers in charge. He told the meeting that he had contacted Mr. Cameron, Principal of the Summerside High School with a view to organizing a corps there.

Mr. Morris also suggested that a Ladies Auxiliary might be formed to assist in the work in connection with the Navy League.

In conclusion Mr. Morris noted with regret the passing of Major O. W. Campbell who for many years had been active in Navy League activities.

Reporting as Commanding Officer of the Corps, Lieutenant Smallwood told the meeting that the Corps began activities in September, coinciding with the opening of the schools. The complement of the Corps, he said, had increased from fifty to one hundred on the recommendation of the Navy League.

The Commanding Officer mentioned the activities of the Corps during the past year, mentioning in particular the role the Cadets played in the various parades.

In conclusion, Lt. Smallwood said he felt a more thorough training could have been given the Corps if more officers had been available. It is hoped in the coming year more qualified officers will be admitted to the Corps, he said.

Prior to the annual meeting two films were shown at Prince of Wales College. Both were brought over here by Lieutenant Commander Wilton. One was entitled "The Navy League Makes A Signal and the other was "The Canadian Royal Visit."

Miss Mary A. Clarke, B.A., M.A., the president of the Canadian Home Economics Association, will arrive in Charlottetown at noon today.

Miss Clarke has served as an elementary school teacher, as an instructor in Home Economics at Macdonald Institute, Guelph, as Superintendent Women's Institute Branch, Ontario Dept. of Agriculture, and is presently Inspector, Vocational Branch, Ontario Dept. of Education.

This afternoon Miss Clarke will visit the Vocational School and Provincial Building as well as other places of interest.

"Tonight she is to be the guest speaker at the annual meeting of the Prince Edward Island Home Economics Association which is being held at Villa Waters, North River Road.

Before leaving for Halifax tomorrow Miss Clarke will visit the Home Economics Dept. of Summerside High School.

TORONTO, Oct. 6 (CP)—Leslie Morris, national executive member of the Labor-Progressive Party, is in Moscow attending the 19th Congress of the Communist Party as an observer. L. F. P. headquarters here announced.

Cape North, the northern extremity of Prince Edward Island, was originally called "Cape Des Sauvages" by Jacques Cartier in 1534.

Mr. Cudmore said that next year he intended to fight for better sidewalks especially in Ward 5 where there are many of the wooden variety. He also supported Councillor MacDonald who mentioned that there was a bad sidewalk condition on lower Grafton Street.

Police Chief MacArthur said that he believed that next summer the newly acquired motorcycle would be of great value to the city. Because of shortage of manpower he was unable to keep one man on the job steadily. Considerable discussion developed over the possible appointment of a special policeman to aid in cutting down the high rate of speeds on the city streets. All councillors felt that the rates were excessive and concurred in suggesting some course of action to curb them in future. The Police Committee will meet this week to seek a solution to the problem.

Ch'town Ministerial Association Meets

To Attend Ottawa Meetings On Uniform Company Legislation

The Federal-Provincial Committee on Uniform Company Law will reconvene in Ottawa on October 20th. Organized pursuant to resolution of the Federal-Provincial Conference of 1935, this committee continued to operate until wartime conditions interfered with further periodic meetings. The project was revived in 1947 and a further meeting was held at Ottawa in November of that year, at which all the provinces were represented.

The committee has in view the drafting of a uniform Companies Act suitable for enactment by Provincial Legislatures and the Parliament of Canada. Mr. J. O. C. Campbell, Q.C., Deputy Attorney General, leaves for Ottawa this week to attend the meeting. The Attorney General, Hon. W. E. Darby, expects to attend some of the sessions.

Practically Completed
Councillor Storey said that the work of better reconstruction on our streets has been completed. There are a few minor touch-up jobs, to be finished by the contractor, but he expected that this would be completed this week.

All Councillors were present last night at the meeting presided over by Mayor J. D. Stewart at a wide variety of subjects were introduced. Among them was the matter of moving the City Weigh Scales from their present location on Queen Street. Councillor Storey stated they would not be moved this year, but would likely go to a new site on Edward Street.

It was also suggested that the new wading pool in Victoria Park come under the heading of the Playground Commission. Another thought was advanced that members of the Commission come to the City Council with an overall plan for bringing all activities connected with playgrounds into the Victoria Park area. Councillor McCormac said that at present the City Squares were neither squares nor playgrounds, but he favored the leaving of the swings for the smaller children.

A request was read from the truckmen of the city asking for an increase in the trucking rates of 25 cents per load. The higher cost of living was cited as the reason for the request. Councillor Arthur Gormley is to investigate and report back to the Council on his findings.

Parking Meters
The parking meters installed now have a favorable balance of \$7,200 in the bank since the start of the year, while the Civic Pension Fund has grown from \$3,986 to \$8,177.

Mr. Cudmore said that practically all departments are remaining within the budgets set for them. Councillor E. C. Johnstone reminded all chairmen of committees that the Council had given the taxpayers an agreement on what would be spent. The Street Councillor to Councillor Storey is approximately \$112,000 over its estimates, but much of this amount has to be charged to capital expenditure.

Mr. Cudmore told the Council that it was his opinion that more money should be spent on the public rest rooms. While those existing in the Market are kept clean and neat, he did not believe they were adequate for a city of this size.

When Councillor Arthur Gormley reported for the Light Committee he noted that the spread of electricity had greatly brightened the light. It was suggested that an expert electrician be hired to investigate the situation to determine if the city is getting proper value in light for the money being spent.

Art Society Holds Opening Meeting of Season

The Prince Edward Island Art Society held its opening meeting of the 1952-53 season last evening with a well attended open meeting in the Harris Memorial Gallery. The program consisted of colour movies on painting and featured "Lismer" and "Seven Landscape Artists of Quebec."

In "Lismer", the great elder Canadian artist, Dr. Arthur Lismer, was shown working with classes of all ages, along with a sampling of his work, revealing the changes in style in an artist's lifetime. "Seven Landscape Painters" presented a brief but intimate glimpse into the activity of some of the finest Canadian landscape artists of the day. Two lighter pictures much enjoyed were "Folk-song Fantasy" and "Isle of the Dead." Films were furnished through the courtesy of the local office of the National Film Board.

Visitors were welcomed by the president, Mr. Vic Runtz, who explained the presenting this showing was one of several ways in which the Art Society hoped to serve the community. He said that while the chief aim of the society at present lay in the creation of works of art, consideration was also given to appreciation of art.

Mr. Runtz spoke of a fine exhibition, the R. C. A. Diploma Works which the Society will sponsor later in the season. He mentioned as well some of the work the group would like to do in making the gallery more presentable to the Islanders and the public. In having a water tap installed the Society was already working toward this goal.

Parkdale Water Supply Inquiry

A public inquiry into the water supply situation in the Village of Parkdale was opened yesterday morning in the Court House by Judge C. St. Clair Trainor who was recently named Commissioner for that purpose.

Judge St. Clair stated that the purpose of the preliminary meeting was to acquaint all parties with the object of the inquiry and to set in motion machinery for the co-ordination of the different points of view involved.

Present at the hearing were Messrs. J. O. C. Campbell, Q.C., who represented the Department of Health and Welfare, K. M. Martin, Q.C., representing the Commissioners of Sewers and Water Supply of the City of Charlottetown, Alban Farmer, representing the Commissioners of the Village of Parkdale. Other present included City Commissioners W. D. Gillis and Stewart Ives, Parkdale Commissioners Maurice McAleer, Henry Douglas, Ernest Lord and Edwin Cook, and Mr. R. Donnelly, Sanitary Engineer for the Provincial Department of Health.

During the brief hearing yesterday Judge Trainor suggested ideas regarding the obtaining of water from the City mains could be advanced as the mains passed through Parkdale from the pumping station.

Mr. Martin expressed doubt that the City should be represented at the hearing, but said he was present only by request of Commissioner Trainor. Mr. Farmer said that being a City Councillor he might have to withdraw from the proceedings but would notify the

advocated "more interest and increased action on all levels of the Catholic Women's League in making and administration of the laws of our country."

She urged members to "foster among Catholic women of Canada, an intelligent interest in public affairs and to afford an opportunity for those women who are capable of doing so to take part in public matters."

Miss Grace L. Caughlin of Woodstock, N. B. national press and publicity convener, discussed the value of publicity and the magazine published by the C. W. L. "If our members value their activities and their achievements sufficiently to send reports to the press, the press in turn is very willing to co-operate," Miss Caughlin said.

Commissioner Trainor stated that a hearing would be held on November 17 at the Court House. At this hearing it is expected that submissions will be offered by engineers for the Village of Parkdale.

Active Year For Kiwanis Club

A recent executive meeting of the Kiwanis Club, presided by Lt. Col. A. W. Rogers, the president, dealt with the projects which this aggressive club have successfully handled during the past year, and their objectives in the near future.

The completion of the salt water pool 15 x 40 for the young children in Victoria Park, stands out as an achievement of magnitude for such a small club. When the approach to the pool is graded and ready for the official opening in the early summer, a sum approximating \$7,500, will have been expended.

Considerable playground equipment has been supplied to both the orphanages and a substantial contribution made to the Mayor's Radio Fund for the Provincial Sanatorium. Numerous deserving charitable donations have been granted to other causes by the club. The executive, in an all-out effort to liquidate the indebtedness incurred to reach their objective in all the fields of community service undertaken, expect shortly to carry on a White Elephant Sale, which will run for several weeks.

The services of Mr. W. P. Bruce have been secured to take charge of the office which will be opened in a few days, with authority to represent the Kiwanis Club in all matters dealing with the Sale. In addition to President Rogers, vice president Dr. W. H. Soper, secretary A. E. Richard and treasurer Robert B. Szazelle, are taking an active part in organizing the members into a team of workers who cannot fail to make a success of the White Elephant Sale.

Report Snow In Wyoming, Neb.

CHICAGO, Oct. 14 (AP)—Freezing temperatures and snow up to three inches in depth were reported in parts of Wyoming and Nebraska today. The U. S. Weather Bureau reported three inches of snow at Cheyenne, Wyo., and Sidney, Neb., and an inch at Scottsbluff, Neb. Temperatures in the area dropped to the freezing point.

Observe 90th Birthday At Home In Hampton

Seated in his favorite armchair. Mr. William A. MacQuarrie, of Hampton, graciously received the many Island friends who called at "Grove Cottage" to offer their congratulations on Friday, October 10th, it being his 90th birthday.

Mrs. H. B. Wood assisted her father in receiving the guests. Bouquets of colorful zinnias added a festive touch to the spacious rooms of this fine old homestead where Mr. MacQuarrie has resided these many years.

At four o'clock P.M. by special request, the Rev. Dr. Waldron A. MacQuarrie, Hopewell, N.S., baptized two great grandchildren of Mr. and Mrs. MacQuarrie, Wendy Lee and Kim Suzanne, daughters of Mr. and Mrs. Murdoch MacBachern.
