Trinity Church Annual Picnic Held Yesterday

The annual Congregational and Sunday School picnic of Trinity United Church was held Wednesday afternoon at the picnic grounds, National Park, on the North Shore. It was the largest attended outing in the history of the church with over fifteen hundred taking part and enjoying a day on the beach.

The sports program was run off efficiently under the direction of Mr. Wendell Beaton. The many events were keenly contested and the older folk entered wholeheartedly into the spirit of the occasion. There were the usual refreshments, sandwiches, cakes and ice cream, etc., to delight and satisfy the appetites of all.

The band of the Prince Edward Island Regiment (17th Recce) furnished music, which added much to the gaiety of the occasion.

About twenty-five children from Mount Herbert Orphanage were guests of Trinity Church picnic Wednesday afternoon.

Attending the picnic and adding to its enjoyment were the Rev. H. C. Rice, D.D., and Mrs. Rice, the Rev. T. E. McLennan, D.D., and Mrs. McLennan, Montreal, Mr. Warner Norman, Montreal.

The picnic was held under the auspices of the Men's Association of the church, of which Mr. Fulton Pearce is the president. Committee chairman was Lt.-Col. A. W. Rogers.

Prizes were presented by Mr. Justice George J. Tweedy.

Results of the sports program follow.

State Commission Fines Sugar Ray

SCRANTON, Pa., July 16—(AP)—Sugar Ray Robinson was fined \$1,000 by the Pennsylvania State Athletic Commission for failure to keep a 15-round engagement against Jose Basora here tomorrow night.

The action was taken by commission chairman George J. Jones, Jr., several hours after Robinson had signed a contract to defend his world welterweight title Aug. 9 against Charley Fusari at Jersey City.

Jones also ordered Robinson to reimburse promoter Ernest Gennell for expenses incurred in promoting the bout. The fight was to be for the Pennsylvania version of the middleweight title now held by Sugar Ray. Gennell said his expenses might run as high as \$5,000.

The Pennsylvania commission also suspended Robinson until he honors his contract with the Scranton club but directed that the suspension not be effective until after the Fusari fight.

Jones said he is asking the National Boxing Association, of which the Pennsylvania body is a member, and the New York commission, with which it has a working agreement, to concur in the suspension.

Scout News and Notices

Maids at the Henry Hudson Hotel in New York were astonished recently when they discovered that 500 guests had made their own beds before checking out. — The guests were 500 Boy Scouts en route to the National Scout Jamboree at Valley Forge, Pa. — An old Scout tradition: Always leave a camp ground as neat as you found it!

To provide practical training in Boy Scout leadership some thirteen Gilwell Courses are being conducted in Canada this summer. They will be held at Hammond River, N. B., Noranda, P. Q., Tamaracouta, P. Q., Dunrobin, Ont., Blue Springs, Ont., Prince Albert, Sask., Camp Bernard B. C., and Lake Osprey, B. C.

AUTOMOBILE LOTTERIES

The attention of the public is directed to section 236 of the Criminal Code of Canada which reads in part as follows:—

"236. Lotteries.—Every one is guilty of an indictable offence and liable to two years' imprisonment and to a fine not exceeding two thousand dollars who—

(a) Printing Lottery.—Makes, prints, advertises or publishes, or causes or procures to be made, printed, advertised or published, any proposal, scheme or plan for advancing, lending, giving, selling or in any way disposing of any property, by lots, cards, tickets, or any mode of chance whatsoever; or

(b) Selling Tickets, etc.—Sells, barter, exchanges or otherwise disposes of, or causes or procures, or aids or assists in, the sale, barter, exchange or other disposal of, or offers for sale, barter or exchange, any lot, card, ticket or other means or device for advancing, lending, giving, selling or otherwise disposing of any property, by lots, tickets, or any mode of chance whatsoever."

It is to be distinctly understood that September first, next, is the absolute deadline for lotteries in this Province. Some cars were given away by lot this summer, despite these provisions of the Criminal Code, and prosecutions were not proceeded with because of the plea that all arrangements had been made and the cars purchased for such disposal for charitable purposes, but with the distinct understanding that this summer would see the last of such lotteries. Accordingly, the Police have been directed to prosecute without delay any and all violations of this section which come to their attention after September first, 1950.

THAT DATE MARKS THE END OF CAR LOTTERIES.

Scouts were busy at the American Scout Jamboree at Valley Forge early in July, thousands of others were heading for troop and district camps.

Some Canadian Scouts go far afield for their summer fun: Eighteen New Brunswick Scouts are this month canoeing and salmon fishing on the Tobique River; Quebec Rover Scouts are holding their annual Rover Moot at Tamaracouta, while a number of western Scouts are guests at an Alberta Ranch.
