

Tiger-Cats Romp To 26-17 Win Over Toronto Argos

TORONTO (CP) — A three-touchdown outburst in the third quarter, including a spectacular Bernie Faloney-to-Harry Lampman score off a fake field-goal play, gave Hamilton Tiger-Cats a 26-17 victory over Toronto Argos in a Big Four football game here Friday night.

A crowd of 26,781, biggest of the season at Varsity Stadium, saw the league-leading Tigers, break out for 20 points after their ground attack was bottled up in the first half when Argos took a 10-6 lead.

Hamilton touchdowns were scored by Tommy Grant, in the second quarter, and Gerry McDougall, Lampman and Paul Dekker in the third quarter.

C. R. Roberts ran 85 yards on a quick-opening play in the second quarter for one Argos touchdown and Joe Trivisonno fell on a blocked kick behind the Hamilton goal line in the final quarter for another.

The victory increased the undefeated Tiger-Cats' league lead to six points over Toronto, Ottawa and Montreal, each of whom have

one victory so far. Argos scored first when, with less than four minutes left in the half, Roberts broke quickly through the centre of the Hamilton line and ran 85 yards straight down field for a touchdown, converted by Kristopaitis.

Lorne Kelly had another good night, winning dash 1 with Fortune's Pride, Bonnie's Girl (J. Arsenault) 2, Nellie J. (Dickie) 3, Vivian Strong (A. Burbine) 4, and four other starters, time 2:18 winner owned by Lester Jobsen, Fortune, Lorne also won dash 2 with Ken's Pride, TransCanada (C. O'Brien) 2, Bobby Brook C. (C. Smith) 3, and five other starters, time 2:19.15; winner owned by S. J. MacDonald, Souris East.

The dainty, little trotter, Connie French, driven by owner Sid Stead, won dash 3 from the former Maine trotter, Dexter Scott (C. Smith) 2, Tara Boy (L. Neill) 3, four other starters, time 2:18.35. Joe Hennessey showed the old time driving skill when he piloted Taurida Bay to wins in dashes 4 and 7, with Jolly Bud (H. Poulton) 2, Gay Spirit (Gay) 3.5, Tribune (C. Smith) 4.4, and four other starters, time 2:14.15 and 2:13; winner owned by Ray Stewart, Murray Harbour.

Dashes 6 and 8 were greatly enjoyed and many were pleased to see Just Betty's Mark driven by Dave Wiseman, heading Sir Joseph (D. Constable) in the wire with Dunlop B. (E. Bernard) 4, My Darling (J. Hennessey) 4.4, and Downtown (J. Bernard) 5. Time 2:12. In the final dash, Sir Joseph just nosed out Just Betty's Mark in the final strides, My Darling a very close third, Downtown 4 and Dunlop B. 5 - time 2:11.11. It was a cold night, and the track was damp and heavy. We would call it about two seconds slower than a Saturday night in July. Just Betty's Mark is owned by Mrs. Don Seaman, Charlottetown, and Sir Joseph by H. R. Bevan, Charlottetown.

Lions Defeat Irish 8-7; Darkness Halts 3rd Game

The Irishmen are in hot water. The way things stand now the Lions are in position to take the lead in this much talked-about final series of the City Softball League.

Barry's squad held off the Shamrocks in their bid to capture the second game of this series. The game which had been halted in the seventh inning Tuesday night due to darkness with the score 8-5, ended with the Lions still holding a one run advantage, the final tally being 8-7. This put the series tied at 1-1.

Had it not been for those costly

errors in the Shamrock outfield, a different story might have been told. Immediately following the end of that fixture the third game of the series got underway. Again the game was called for darkness, this time in the top of the sixth.

Beagan's boys were trailing by eight runs, the score reading 9-1 when the game was finally halted. This contest will be continued today at Memorial Field commencing at 2:30 sharp. Immediately following this, another game will get underway, this one to last nine innings.

Errors played a big part in this game also. The Irishmen pulled a few bogies that resulted in the Lions getting unearned runs. The Shamrocks have a long hill to climb in order to win this third game today and only 1½ innings to do it in, which is a big order to fulfill.

The Lions' moundsman, Ced Bailem, went the distance. Beagan started the game with Dalziel, laboring on the mound for the Irish, but he was relieved early in the first inning by Thistle, after having given up three runs and walked three.

Tigers Down Athletics; Redlegs Defeat Phillies

DETROIT (AP) — Righthander Paul Foytack pitched a sparkling five-hitter and Detroit Tigers defeated seventh-place Kansas City Athletics 4-1 Friday before 1,883 spectators, the smallest Detroit crowd in two seasons.

It was the only daytime game played in the major leagues. A scheduled National League game San Francisco at Chicago, was postponed because of rain. Foytack's mates staked him to a 3-0 lead in the first inning and he sailed to his 12th triumph with no difficulty.

The only run off him came in the fifth inning when Kansas City loaded the bases on singles by Hal Smith and Harry Chiti and a base on balls. Bill Tuttle drove in the run with a fly ball. Foytack struck out eight batters and walked four in defeating the Athletics for the fourth time this season.

Garver VICTIM — The Tigers started their first inning scoring after ex-ex-ammate Ned Garver retired the first two batters. Al Kaline hit his 14th home run and Frank Bolling drove in the other two with a double.

Garver then blanked the Tigers until he was lifted for a pinch-hitter in the seventh. Jack Urban, who relieved him,

yielded the other Detroit run in the eighth. PHILADELPHIA (AP) — Cincinnati Redlegs collected 13 hits off four Philadelphia pitchers, good for five runs in the sixth inning alone, and won 3-4 over the Phillies Friday night.

Gus Bell and Jerry Lynch each drove in three of the Redlegs' runs as the Phils suffered their fourth straight downfall. Robin Roberts was clubbed for his 13th loss, against 14 victories. Don Newcombe got credit for the win, his sixth against 11 losses.

NEW YORK (AP) — Relief ace Rube Duren walked home three runs with two out in the ninth inning that gave Washington a 6-3 victory over New York Yankees Friday night after the Senators had blown a 3-0 lead built on home runs by Roy Sievers and Albie Pearson.

It was the first defeat since July 19 for Duren (6-4), who came on in the ninth after 20-game winner Bob Turley had been lifted for a pinch-hitter as the Yankees tied it 3-3 in the eighth.

Dick Hyde (10-3) was the winner in relief. CLEVELAND (AP) — Chicago White Sox came from behind with a three-run rally in the seventh inning Friday night, defeating Cleveland Indians 4-3. A game-winning single by Jim Laddis scored Sherm Lollar, who had tied the score with a two-run double.

Larry Doby drove in all three Cleveland runs with a home run and a single. Al Smith homered for Chicago. Early Wynn picked up his 13th victory to go with the same amount of losses.

BALTIMORE (AP) — Boston's heavy batting artillery belted Baltimore pitching for 14 hits and a 1-2 victory Friday night. Bill Renna, a .167 hitter going into the game, spearheaded the Red Sox attack with a pair of

doubles that drove home four runs. Righthander Tom Brewer kept a tight check on the Orioles until his wildness helped to leak a run in the eighth and ninth innings.

Sharing batting laurels with Renna were Pete Runnels, whose double and single drove in three runs, and Dick Gernert, who rapped three singles and a double and scored three times.

PITTSBURGH (AP) — Pittsburgh's Bill Virdon broke up a tight pitching duel between rookies Carlton Willey of Milwaukee and George Witt of the Pirates Friday night when he gave a 10th-inning home run that gave the Pirates a 1-0 victory.

The victory in the first of a four-game series with the Braves here moved the Pirates into a tie for second place with San Francisco Giants.

EVERY A SNAKE HAS ITS USES

SALEM, Conn. (AP) — A snake made the supreme sacrifice Friday. The result was an unexpected extra day's vacation for Salem elementary school pupils.

The snake wrapped itself around the electric motor that controls the school's water system. No water, no school said principal Raymond Wilson when the youngsters arrived this morning.

HALIFAX (CP) — The navy announced Thursday the Frigate Outremont discovered four uncharted islands during a recent 5,000-mile trip through Eastern Arctic water. A naval spokesman said the islands are in the Ungava Bay and Cape Osborne area.

Basilio Stops Aragon In 8th

LOS ANGELES (AP) — Rugged Carmen Basilio, 15½, of Casagtoia, N.Y., dealt out the cruellest sort of punishment and knocked out Art Aragon, 152, Los Angeles' golden boy of boxing, in the eighth round of their scheduled 12-rounder in Wrigley Field Friday night.

Referee Tommy Hart stopped the one-sided brawl after 1:27 of the round as a crowd estimated at 20,000 appealed for him to halt the slaughter. Earning a chance to regain the world middleweight championship he lost to Sugar Ray Robinson last March, the 31-year-old ex-union farmer had Aragon battered and bleeding from bad cuts of both eyes.

Referee Hart did not bother to

count out Aragon. Under California rules, a match can be stopped if a fighter is helplessly beaten. It goes into the books as a knock-out.

Coach Brian Lewis requests all his Junior Legionaires to meet at Ments this afternoon at two o'clock. Cars will pick up team members here and take them to Mount Stewart for this afternoon's junior game.

SPORTS FRONT

By PIUS CALLAGHAN

The finals for the Junior Baseball championship of Prince Edward Island open this afternoon at the home of the King's County representatives, Mount Stewart, with Brian Lewis' Charlottetown Legionaires the other party in the tussle.

King's County boys are venturing into a new field this season when they compete for top junior baseball honors in the province. We are not in a position to compare the merits of today's opponents but the Legionaires should be favourites after their tough series with Summerside MacLellan Pontiacs.

We don't want the good folks of King's to get us wrong. We are not suggesting that better ball players come out of Queen's or Prince as compared with King's. Indeed this eastern section of the province has produced a great number of pretty capable players and they are continuing to produce them.

We do think however that in this series the Mount Stewart lads will have a hard time indeed upsetting the Legionaires. Mount Stewart's invasion in the junior circle is an experiment—but an experiment that is indeed welcome as far as baseball is concerned. There is no reason, whatsoever, that the juniors in King's County should pass up a chance to get a crack at the Island's junior baseball crown.

This will probably not be the year that the championship goes down King's way but if the idea of junior ball is continued in this area, it shouldn't be too long before King's County has a winner. Mind you this could be the year, but the odds are against such an occurrence. We feel the baseball public of King's don't expect things to happen that quickly.

Mount Stewart and Legionaires renew their feud Sunday afternoon at Memorial Field.

Halifax, a real hotbed for hockey when the St. Mary's and Atlantics clubs were in business, is trying to get something started in the way of senior hockey.

Right now John Mullan and H. R. Nick Nicholson are on a Maritime tour which they hope will drum up interest in a senior league. Mullan was one of the guiding lights of the Halifax Wolves that represented Halifax in senior circles since the death of the Big Four. Nobody seemed to care whether this independent club won or lost and the Wolves' backers naturally can't see much future continuing this way. Hence the Maritime tour.

What success Mullan and Nicholson will have, we wouldn't venture a guess. We do know that those who have had senior hockey on a large scale will be mighty cautious before going along with any new plans.

Here in Charlottetown, Sports Arena manager Earl Nicholson knew nothing about the tour of the Halifax sportsmen. Earl didn't appear too interested and no one could blame him after the way the Amherst-Summerside-Charlottetown loop blew up last season.

Charlie Hogan, Civic Stadium manager in Summerside, said the Halifax idea was new to him. Personally, Charlie felt that Summerside wouldn't be interested even if approached by Mullan and Nicholson. Like the Sports Arena, Civic Stadium has unpleasant memories of last season's senior loop and Hogan and his associates certainly found it a poor business proposition.

Who is the best hurler on Casey Stengel's staff? You could probably get several answers to that question and all of them would sound fairly reasonable. But Cleveland manager, Joe Gordon, thinks there is only one answer.

Joe has no doubt, whatsoever and puts his answer this way: "Whitey Ford is the best pitcher in baseball. If I had him he'd win 30 games because he'd be pitching every fourth day. The Yankees just don't need him that often."

That's a mouthful, Mr. Gordon

DOWN THE BACK STRETCH

We have a request for information on Jolly Lad, p. 2,08 2-5, winner of the \$2,000 Maritime Pacing Championship at Sackville Downs last Monday night. He is seven years old and his sire is Jolly 2.05 1-4; his dam is May Abb, by Abner T. Clegg, 3, 2.04 1-2, dam Mignonette by Great Britain 2.02 1-2.

Last year he made 35 starts and was 14 times first, 6 times second and 7 times third with earnings of \$3,293. This year he has been racing in fast company and is getting his share of wins for driver Ermer L. Smith of Hunter River P.E.I. and owner Mrs. Keith Thomas, Halifax.

The beautiful five-year-old trotting mare, Gratis Hanover, 3, 2.04 1-5, has been sold by R.J. Logue, Sydney, N.S., to Pudge Bros. Montreal. Mr. Logue bought her as a yearling at the Harrisburg auction in the fall of 1954. In 1955, as a two-year-old trotter she made 23 starts and was 11 times first, 3 times second and 4 times third, meeting some of the best two-year-olds in the world; her winnings that year were \$31,529 and she took a record of 2.05 2-5.

In 1956, as a three-year-old, she won \$11,899 and reduced her record to 2.04 1-5. Last year she won \$6,503, making a total of \$49,931, won in three years racing. This season she has been winning her share of money at Roosevelt Raceway and looks capable of handling many of the better trotters she will meet on Montreal tracks.

GREATEST EVER
We estimate that with this season's winnings, Gratis Hanover will have a total of \$55,000 to her credit, and we believe we are quite safe in stating that Mr. Logue has the honor of having won more money with Gratis Hanover than has ever been won by a harness horse owned by a Maritimer. The previous record was held by Brewer's Gallon 2.00 4-5, owned by the late B.C. Cruikshank of Halifax—\$44,113. However it must be remembered that Brewer's Gallon raced for a considerable time in the Maritime provinces where the purses were small, and in the years he was campaigning in the United States, purses were much smaller than they are today.

Brewer's Gallon, and driver Joe O'Brien, and the very fine gentleman, B.C. Cruikshank, who passed on last fall, will go down in Maritime race history as the greatest trio of all time for horse-driver-owner.

Bob Ryan, well-known driver who has raced on practically every track in the Maritimes and whose campaigns with Jolly Girl 2.07 2-5 were so eagerly looked forward to by Maritime race fans is racing at Richelieu track, Montreal, and on Monday night won the 8th race, purse \$1,400 with Joe Mac in 2.06 2-5.

Jolly Girl, when retired to the breeding ranks this year, had \$19,715 in her bankroll.

MA
This season's racing programs of the Cape Breton Turf Club have been the greatest in years with top attendance and pari-mutuels clicking merrily. Aubrey Keizer gives the credit to president Ralph DeYoung and other Turf Club officials, who were determined to make the 1958 season the big one.

Last Monday night's program saw Richland, a black 12-year old pacing gelding owned by Ernie Smith of Sydney, driven by his son Dave Smith, winning both ends of the feature event, times 2:13 and 2:12 3-5. Here are some of the pari-mutuel payoffs: \$41.40, \$20.50, \$11.00, \$106.80 (daily double); \$121.40 (exactor).

OOD PROGRAMS
Good programs are being raced at Moncton Raceway, and last Wednesday night Johnnie Russell won the 5th and 8th dashes in 2:11 2-5 and 2:13, with Lakeside Abb Mite 2-2, Forever Rosecroft
