Senate meets on Friday

The third meeting of the Senate of the University of Prince Edward Island for 1984-85 will be held on Friday, 16 November 1984 at 3 p.m. in the Board Room. Kelley Building.

Committees filled and vacant

Students appointed to committees this week at the Student Union:

Athletic Complex Committee: Heather Scott (chair), Randy Gass, and Paul Peacock.

University Centre Committee: Heather Love (chair), Heather Hickey, and Jim Mutter.

Sub-organization Policy Committee: Howard Beattie (chair), Kevin Wisener, David Brennan.

An impromptu committee to find ways of improving attendance at SU general assemblies: Michelle Doresy, Norman Beck, Karen Blacquierre, Tracey Prendergast, Liz Yeo, and Robert Hanf.

Darlene Greenan was appointed Student Council Alumni Liaison.

The Student Union is also looking for a student to represent it on the Charlottetown Winter Carnival Committee. Insiders say this is an excellent chance to meet influential Charlottetown business people.

Another committee

Three student representatives (any year, any faculty) are needed to sit on the Senate Committee to Review the University Act. No experience is needed, just interest. Contact the Student Union office in the Barn now.

English Student's Society Notice

The U.P.E.I. English Students' Society formed early in September an executive committee for the 1984-85 academic year: Renee Blanchette, Ru-ying Chiang, Barbara Ching and Joanne MacKinnon. James Gormley is an ex-officio executive member.

The English Society usually meets on Friday afternoons in the English Lounge, Main Building; all students of English literature and

language are invited to attend and become involved in the forthcoming activities. Items which may be of interest to English majors are summarized below.

The students elected as representatives for the English department's monthly meetings are Barbara Ching (senior rep.) and James Gormley (Junior rep.) As the English student's representatives, they will attend the departmental meetings, voice students concerns and report

on the issues discussed.

Preparations are currently being made to host the 5th Annual Atlantic Universities' Undergraduate English Conference at U.P.E.I. on January 25th and 26th, 1985. Anyone interested in participating and/or able to billet a visitor, may contact the student conference coordinators, Ru-ying Chiang and Joanne MacKinnon, through Carol Francis, the English department secretary.

The Society has gathered information on graduate programs in English and types of financial assistance available. Graduate calendars and application forms for major Canadian, American and British universities are available in the English Lounge, as well as application forms for various scholarships and bursaries.

Students interested in these resources are encouraged to explore the options available to them.
