Dominion Royal 8

the **Tubeless Tire** that's totally NEW!

Buy one or more for your present car
Specify them for your NEW car

- Exclusive Air Lock Keeps Air In!** Designed by automotive and tire engineers working together, Dominion Royal 8 combines air-tight Airwall construction with "Super Safety Bead Seal" which locks the tire to the rim, providing a chamber from which no air can escape!
- Exclusive Bead Design Locks Tire To Rim!** When a Dominion Royal 8 Tubeless Tire is installed and inflated no amount of punishment can dislodge it from the rim. The air pressure, plus the "Super Safety Bead Seal" create a permanent rim-lock that cannot be broken.
- Exclusive Puncture and Blowout Protection!** Dominion Royal 8 Tubeless Tires feature greater body strength, higher heat resistance, plus exclusive Airwall construction for proven protection against sudden air loss by blowout or puncture.
- Original Equipment!** Dominion Royal 8's are original equipment on many of today's leading automobiles. If you're buying a new car, specify them by name!
- Fit Standard 15-inch Rims!** Dominion Royal 8's can be installed in a jiffy, and give an air-tight fit on any car — new or old — with standard 15-inch rims. Make your next tire replacement a Dominion Royal 8 Tubeless Tire!
- Cost Less Per Mile!** Dominion Royal 8's cost no more per set than ordinary tires with tubes, yet give up to 25% more mileage — and all of it safer, surer, smoother!

8 big reasons why DOMINION ROYAL 8 is the best TUBELESS TIRE you can buy!

- TOTALLY NEW TUBELESS CONSTRUCTION!** Exclusive Airwall construction makes the tire itself a permanent air container. Exclusive "Super Safety Bead Seal" locks tire to rim, gives positive air retention.
- TOTALLY NEW SAFETY!** If tire body is punctured by nail, Airwall construction tightly hugs object and prevents rapid air loss, practically eliminates necessity of roadside tire changes! Airwall construction, plus greater overall body strength, prevents blowouts. Even when tire is damaged, there's no tube to blow... any air loss is gradual!
- TOTALLY NEW STYLING!** Streamlined with graceful beauty, Dominion Royal 8 is the only tire that matches today's trends in car styling... gives new look for your car, old or new!
- TOTALLY NEW RIDER!** In the most important step ever taken in tread row arrangement, narrow ribs are on the outer edges, with rib widths increasing toward center for greater absorption of road irregularities. First for in riding smoothness!
- TOTALLY NEW SILENCE!** New, narrow silencer rows and quiet-roll rib design eliminate tire chatter and squeal on corners, reduce tire hum on highways!
- TOTALLY NEW VALUE!** More, better tread of Dominion Royal 8, plus centre "King Row" at centre of tread provide additional rubber protection at exact spot where wear is fastest. Millions of miles of fast driving prove Dominion Royal 8 wears slower, more evenly, gives you a bonus of 250 miles of driving over and above every 1,000 you get from ordinary tires with tubes... get Dominion Royal 8 Tubeless Tires and save!
- TOTALLY NEW STEERING BASS!** Wide, new, rectangular road contact, unchanging throughout long life of tire, makes this great new tire steer and turn with greater ease and precision. Four stabilizer rows respond immediately for perfect steering control.
- TOTALLY NEW TRACTION!** Scientifically engineered and spaced tread ribs form the new Dominion Royal 8 tread... new stepping features, without side pull or skid... helps the griping power of the tread.
