ALL CURES MADE EASY  
BY  
HOLLOWAY'S OINTMENT  
Bad Legs, Ulcerous Sores, Bad Breasts.  
No description of wound, sore or ulcer can resist the heal-  
ing properties of this excellent Ointment. The worst case  
readily assumes a healthy appearance whenever this medical  
agent is applied; sound flesh springs up from the bottom of  
the wound, inflammation of the surrounding skin is arrested  
and a complete and permanent cure quickly follows the use  
of the ointment.  
Piles, Fistulas, and Internal Inflammation  
These distressing and weakening diseases may with cer-  
tainty be cured by the sufferers themselves, if they will use  
Holloway's ointment, and closely attend to the printed in-  
structions. It should be well rubbed upon the neighboring  
parts, when all obnoxious matter will be removed. A poultice  
of bread and water may sometimes be applied at bed  
time with advantage; the most scrupulous cleanliness must  
be observed. If those who read this paragraph will bring it  
under the notice of such of their acquaintances whom it may  
concern, they will render a service that will never be forgot-  
ten, as a cure is certain.

Rheumatism, Gout and Neuralgia.  
Nothing has the power of reducing inflammation and sub-  
duing pain in these complaints in the same degree as Hollow-  
ay's cooling Ointment and purifying Pills. When used  
simultaneously they drive all inflammation and depravities  
from the system, subdue and remove all enlargement of the  
joints, and leave the sinews and muscles lax and uncontracted.  
A cure may always be effected, even under the worst  
circumstance, if the use of these medicines be persevered in.  
Eruptions, Scald Head, Ringworm, and  
other Skin Diseases.  
After fomentation with warm water, the utmost relief and  
speediest cure can be readily obtained in all complaints affect-  
ing the skin and joints, by the simultaneous use of the Oint-  
ment and Pills. But it must be remembered that nearly all  
skin diseases indicate the depravity of the blood and derange-  
ment of the liver and stomach consequently in many cases,  
time is required to purify the blood, which will be effected by  
a judicious use of the Pills. The general health will readily  
be improved, although the eruption may be driven out more  
freely than before, and which should be promoted; perseve-  
rance is necessary.  
On the appearance of any of these maladies the Ointment  
should be well rubbed at least three times a day upon the  
neck and upper part of the chest, so as to penetrate to the  
glands, as salt is forced into them; this course will at once  
remove inflammation and ulceration. The worst cases will  
yield to this treatment by following the printed directions.  
Scrofula or King's Evil and Swelling of  
the Glands.  
This class of cases may be cured by Holloway's purifying  
Pills and Ointment, as their double action of purifying the  
blood and strengthening the system renders them more effec-  
tual than any other remedy for all complaints of a scrofula  
nature.
