Fight Uphill Battle

Davey Fires Four Goals As Saints Stop Montague

Paul (Buck) Davey fired four goals to lead S. D. U. to a 10-6 victory over the Montague Primroses in the final game of the Island Senior League at the Sports Arena last night.

It was an uphill battle all the way for the Saints as they fell 3 goals behind in the very first period. The Saints scored one more in the first to make the score read 4-2 going into the second and tied the score with a pair in the first 11 minutes only to see Montague take a 5-4 lead before Saints deadlocked the score once again at 1:05 of the third only to see Montague go out in front 6-5, thirty-eight seconds later.

After that though it was S. D. U. all the way as the winners tossed in 5 straight goals to rack up their win.

Davey scored the first S. D. U. goal and twice tied the score in the third with markers. His final one came in the last minute of play. Rodney MacInnis and Veilleux each scored two for the Saints and Ed MacDonald and Gaston Roy got singles.

Cecil "Bobby" Dowling and Billy Hughes continued in the scoring roles for Montague shooting two goals apiece. Hard working Dick Carroll and Sammy Trowsdale got the others. Hughes picked up an assist with his two goals but fell well short of overtaking the league's leading scorer Allie Carver.

BACKFIRING PENALTIES

It was a game marked by backfiring penalties. Montague scored three of their goals while Saints held a man advantage and the

Saints turned the tables on the Primroses in the third scoring twice while Arnold Mullins was cooling his heels in the last three minutes of the game.

Referees Don Whelan and Maurice Goodwin called 11 penalties in all, 6 of which went to Montague.

It looked like a runaway in the first period as Montague built up a 3-0 lead in a little over 9 minutes of play. Billy Hughes scored two quick goals in 37 seconds when teammate Cy Gregory was serving a tripping penalty and at 9:09 Sammy Trowsdale made it 3-0 at 9:32.

Coach Dowling set up both of Hughes' goals breaking up an S. D. U. attack at the Montague blue line to send Billy into the clear for the first goal and engineered the second as he dazzled S. D. U. players around the net with a neat piece of stickhandling.

Buck Davey put the Saints on the scoreboard at 9:55 as he fired a shot from almost behind the net as he sped by Cy Gregory who was sent again to 10:15 for holding and it was a signal for another Montague goal as Dowling grabbed the puck at the Saints blue line and almost shifted Ray Hache out of his skates as he sailed right in on Shepherd to beat him easily.

The Saints were to get the last word in the period though and Rodney MacInnis made it 4-2 when he beat Ward from 35 feet on a shot that never left the ice.

SAINTS TIE SCORE

At 8:44 of the second Jack MacDonald laid a short passout on Ed MacDonald's stick and the shifty Saints center-scored to put the Saints within one goal. Saints tied the score when Jean Veilleux fired a long one that goalie Ward didn't see until it was in the net and Dick Carroll gave the Primroses a 5-4 lead at the end of the second after a passing bout with Hughes and Dowling.

Davey tied the score again when he battled in Jack MacDonald's rebound Dowling scored from Carroll at 1:43 but after that came the deluge as the roof fell in and Saints poured five goals behind Ward. Davey scored his third goal on a wicked shot from inside the

Dowling - Watson Do Not Rest On Withering Laurels

As we read somewhere at some time "nothing withers so quickly as laurels that have rested on."

Phil Watson fiery scotch-frenchie and coach of the Manhattan Bluebirds, as the Rangers are sometimes known, and Montague Primroses coach Bobby Dowling apparently think along those lines and see the inherent truth of the statement. Watson really blew his stack when Rangers dropped two straight games, a 9-4 slaughter in Montreal and 3-0 shutout at New York to the Bruins and was threatened with suspension.

Watson and Dowling showed allround displeasure in mind were high scoring Andy Bathgate and Dave Creighton.

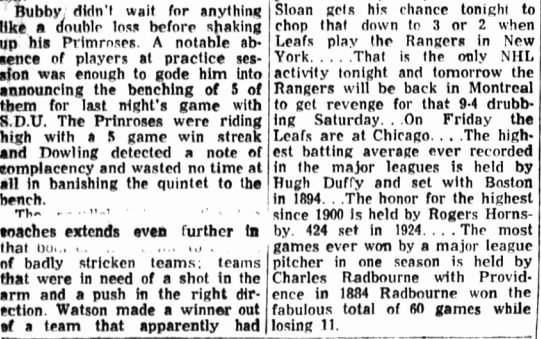

Bobby didn't wait for anything like a double loss before shaking up his Primroses. A notable absence of players at practice session was enough to goad him into announcing the benching of 5 of them for last night's game with S.D.U. The Primroses were riding high with a 5 game win streak and Dowling detected a note of complacency and wasted no time at all in banishing the quintet to the bench.

The coach extends even further in that he benched the players of badly stricken teams; teams that were in need of a shot in the arm and a push in the right direction. Watson made a winner out of a team that apparently had

nothing in the way of talent and Dowling just in time to take over the reins of a Montague club that was feeling pretty good after a great early season rush. Watson put the Rangers right up with the leaders and has them a sure bet to get into the post-season playoffs and Dowling inspired the Primroses to greater things and has them in a position now where almost every fan concedes them a chance to take everything and some will say, without batting an eye, that Montague will win the playoffs hands down.

AROUND AND ABOUT

...Tod Sloan needs only 4 more goals to tie the Toronto goal record for a year held by Gaye Stewart. Sloan gets his chance tonight to chop that down to 3 or 2 when Leafs play the Rangers in New York. That is the only NHL activity tonight and tomorrow the Rangers will be back in Montreal to get revenge for that 9-4 drubbing Saturday. On Friday the Leafs are at Chicago. The highest batting average ever recorded in the major leagues is held by Hugh Duffy and set with Boston in 1894. The honor for the highest since 1900 is held by Rogers Hornsby, 424 set in 1924. The most games ever won by a major league pitcher in one season is held by Charles Radbourne with Providence in 1884. Radbourne won the fabulous total of 60 games while losing 11.

Red Wings Dump Boston 4-1 To Take Over Second Place

DETROIT (CP) — Blanked for two periods, Detroit Red Wings came to life with a four-goal burst Tuesday night to defeat Boston Bruins 4-1 and take over second place in the National Hockey League standings.

Ted Lindsay, Dutch Reibel, Gordie Howe and Alex Delvecchio fired successive goals in the wind finish after the Bruins had taken their lead in the second period on Marcel Bonin's score.

It marked the 19th straight game in which the Bruins have gone winless in Detroit's Olympia. This one was a heartbreaker. The Bruins had their eye on at least a tie for even that would have been good enough to break a fourth-place deadlock and cap a late season surge which started with the Bruins 12 points out of fourth spot.

Bonin and goalie Terry Sawchuk two of the many Detroit castoffs in the Boston lineup, kept the Bruins' victory chances alive for 47 minutes.

Bonin got his tally by pushing Detroit goalie Glen Hall and the puck over the goal line on a rugged play off Jerry Toppazzini's rebound.

Sawchuk gave a whirlwind goaltending demonstration and stopped a total of 41 shots to Hall's 21.
