PERSIANS LOVE MIRRORS

Persia is the ideal place for a looking glass peddler to live and move and have his trade, for the Persians are as fond of the shiny reflectors as are savages of beads. Every year immense numbers of mirrors of all sorts and kinds are shipped into the country of the shah. Germany, France and Belgium furnish most of the supply. In addition to having a fondness for seeing themselves as looking glasses show them the Persians know no more pleasing parlor decorations than brilliant mirrors in gilt frames. Some of the Persian drawing rooms are so completely hemmed in by great pier glasses that visitors often become bewildered and try to walk through the glasses down the long aisle that seems to stretch in front. So bumped noses, knees and toes are not uncommon in that land of oriental splendor and mystery.

Settled It.

He (a suitor) - Grammarians have never been quite sure of the proper distinction between "I shall" and "I will," but to my mind there is no difficulty.

She - I don't quite know the distinction myself.

He (thinking he sees his opportunity) - Well, take the question, "Will you marry me?" Supposing I ask you, your reply would be not "I will," but -

She (emphatically) - I won't! - Judy.

To Make the Eyes Bright.

The simple plan of bathing the eyes with cold water every night at bedtime and the first thing on getting up in the morning will make the eyes both clear and bright. The application of cold water causes the blood in the numerous little blood vessels which surround the eyes to circulate freely, and in consequence the eyes will become stronger and brighter.

Tea Drinking.

Tea drinking was regarded as one of the feminine vices of a hundred years ago. The Female Spectator of that period observes: "The tea table costs more to support than would maintain two children at nurse. It is the utter destruction of all economy, the bane of good housewifery and the source of idleness."

Rather be sweet in spirit than strong in muscle.

The CHARM OF BEAUTY

Not in the Features so much as in the Grace and Vitality of a Healthy Body - Dr. A. W. Chase's Nerve and Blood Pills make Women Beautiful.

There is a certain charm of beauty in the graceful, elastic movement and clear complexion of a healthy woman in which the features do not play an important part.

The pale, sallow complexion and dull leaden color of the skin, dark circles under the eyes, headaches, pains in the back and sides, dull eyes, weakness, nervousness, despondency and low spirits are symptoms of weak, watery blood and improperly-nourished nerves.

No woman can be beautiful until the blood is enriched and the nerves strengthened. Dr. A. W. Chase's Nerve Food is a food for the blood and nerves.

Dr. A. W. Chase's Nerve Food restores the energy and strength to a run-down system. Note your weight before using them, and the increase week by week as the brightness returns to the eyes, the color to the cheeks and the form rounds out with firm, healthy flesh, the natural result of rich, pure blood and a healthy nervous system.

Face cut and facsimile signature of Dr. A. W. Chase on every box of the genuine. See box, all dealers, or Edmanson, Bates & Co., Toronto.

JURY & CO'Y.

LUKE II FROM THE 8th to 15th VERSE.

The joyful break of lingering dawn,
The weary shepherds wait;
But all was dark that wintry morn
As holy words relate.

But ah! what means that sudden light,
For which which the watchers bend -
They view with wonder and afright
An angel form descend.

His glory filled the darkened plain
With radiance from on high;
And, struck with awe, that humble train
In vain essayed to fly.

Their wandering senses he recalls
And bids them not to fear;
Whilst his annunciation falls
Like music on their ear.

Fear not ye men of lowly birth!
Let praise your tongues employ,
For lo! I bring to all the earth
A message fraught with joy.

For unto you this very morn
In David's city fair;
The Lord and Saviour, Christ, is born,
Creation's God and heir.

And this the sign - the Babe you'll find
By love maternal laid
Within a manger rude reclined
In swaddling clothes arrayed.

Then, suddenly, a hymn of praise
Burst on the listening ear;
And countless hosts their voices raise
In numbers sweet and clear.

"Glory to God, o'er all supreme;
On earth, let praise abound
To men good will," - what nobler theme
Could lips seraphic sound.
