ADVISORY GROUP HEARS OF EMPLOYMENT PLANS

Strong objections to the proposed erection of a 48,000 gallon gas and oil bulk storage plant on Alberton's Main Street were raised at a meeting of the Alberton Fire Brigade last night. A complete lack of equipment for fighting a major oil or gas fire, in the heart of the town, the proposed location near a dairy, restaurant, skating rink and private homes and the unsightly appearance of the tanks near the main business section of the town were among the objections to be forwarded to the town council for consideration. The provincial fire marshal is also to be contacted for advice on the matter. John Rochford was elected secretary - treasurer, replacing Clayton Travers who will shortly be leaving the town. Leslie Hardy and Herbert Matthews were approved as members of the regular fire brigade. A hearty vote of thanks was extended to the retiring secretary Clayton Travers for many years of service as a member of the brigade. Fire Chief Percy Hardy presided at the meeting which was held in the Legion Hall.

S'side Will Be Site Of Legion Dominion Command Bonsel

Summerside's Civic Stadium this winter will be the scene of the 1960 Canadian Legion Dominion Command curling competition. The bonsel will be held March 14-17 and participants will include teams from all sections of the Dominion. Captain Andrew McEachern, M.C., Island representative on the Dominion Command of the Legion said yesterday that acceptance of the Island invitation by the Legion's Executive Council was a "real shot in the arm to the entire Island Legion set-up." Only other Command to bid for the big Legion 'spiel was New Brunswick, he added. **POTENT ARGUMENT** In extending the invitation during the executive meeting held last week in Ottawa, the Island representative based his argument on the fact that in the foreseeable future lack of sufficient accommodation would make it impossible to hold a national Legion convention here. Last year almost 2,500 attended the Edmonton convention, he said. In a letter sent to the Island provincial command prior to the September executive meeting in Ottawa, Summerside branch had asked that the invitation be put forward, Captain MacEachern added.
