ALBERTON NOTES

An investigation was held in the Court House on Tuesday before Magistrate Tanton with the object of securing information as to the cause of the fire which destroyed the building on Church Street owned by Archibald Lewis. Several witnesses were examined, but no material evidence obtained, so that this fire will be added to the list of fires whose causes are unknown.—B.

Mr. E. H. Beer, Fire Marshall was in town Tuesday attending the fire investigation.—B.

Mr. Archibald Lewis desires to convey his thanks to the people whose heroic efforts alone made possible the saving of his residence.—B.

The lobster catches continue fair and the fishermen are expecting still better luck as soon as the immoderate wind makes up its mind to moderate.—B.

Mr. James Miller, now located in Hunter River, was in town Wednesday to attend the marriage ceremony of his sister, Bertha.—B.

The express rate of \$3.50 per 100 lbs. to Boston is practically prohibitive, and with other items showing little or no decrease, the shipping must get a big price on the American market to clear expenses.
