

Educational Entertainment.

A very good and very pleasing entertainment was given in the upper hall of the Upper Prince Street School last evening...

Hon. David Laird took strong ground against the "Cramming system" and against dabbling in the higher branches to the neglect of the elements of all education.

Rev. Mr. Hamlyn delivered an exceedingly interesting address, in which he called to mind the anecdote of the farmer who said in reply to a question, that the reason why he had such a good flock of sheep was that he took care of the lambs...

The chairman, referred, at the close to the portrait of the late Professor LePage (painted by Mr. R. Harris, R. C. A.) which now adorns the rooms of the Association, and spoke in the highest terms of the virtues of the deceased teacher.

Presentation of the Cup.

At 9 o'clock on Thursday evening the beautiful cup presented by John Davies, Esq., to the winner in the stallion race, was presented to A. C. Bell, Esq., of New Glasgow, Nova Scotia...

Mr. Bell replied in a very happy speech. He was quite overwhelmed with the beauty and value of the presentation. He would never part with it except to the Sheriff, and as he hoped it would never be demanded by that official, it would be handed down as an heirloom in the Bell family.

Mr. Greely said it was a great pleasure to preside over a race on so well furnished a track, and where the spectators as well as the contestants acted in so friendly and honorable a manner.

Dr. Grensides, of Guelph, Ontario, made some highly complimentary remarks regarding the horse show. Excepting at the Industrial at Toronto, there had in his opinion been no such collection of horses exhibited in any show in Ontario as was placed before him for judgment at this exhibition.

Senator Montgomery is in the city looking hale and hearty. It is pleasing to learn that Dr. K. Henderson, of Clyde River, has quite recovered from his recent severe illness and is now able to attend to business as usual.

John Arbuckle, Esq., Inspector of Schools for Prince County, who has been in town attending the Educational Institute, and seeing the Exhibition, left for home this afternoon.

The Balmoral Choir.

This celebrated choir of Scottish singers gave one of their entertainments in the Lyceum last evening, to a full house. The performance throughout was excellent.

The entertainment began with a capital rendition of that good old ballad "Scots Wha Hae," by the choir. This was followed by "The Star of Robbie Burns," sung by Mr. Fulton, the leading tenor of the organization, which was deservedly applauded.

Madame Stewart's song, "The Flowers of the Forest," was simply delightful, and well deserved the rapturous encore it received. Madame Stewart is certainly one of the best soprano singers we have heard in Charlottetown for some time.

Wedding Bells.

The Presbyterian Church and manse presented an animated and beautiful scene last evening when Mr. Robert A. Anderson, of Vancouver, B.C., (formerly of P.E. Island) was united in marriage to Miss Alice A. Percival, only daughter of Rev. W. W. Percival, one of Richmond Hill's most popular and estimable young ladies.

The altar of the church was beautifully decorated with trailing vines of autumn leaves revealing here and there rich clusters of mountain ash berries very delicately arranged. Long before the time appointed for the ceremony the church was filled with people.

Prices of Potatoes.

Potatoes will command good figures this winter across the border. The crop in the West is almost a failure. The Boston Daily Advertiser says: The crops in New Hampshire and Maine are reported to be very good, and the farmers are going to realize, all they can out of them, as they are well aware of the condition of crops in the West.

Religious Services.

Rev. John Read returned from Montreal last evening. He will take the morning and evening services in the First Methodist Church to-morrow.

Mr. Suteliffe and the Mission Band will go to Stanhope to-morrow, on invitation of Rev. Mr. Spargo.

Dr. Fitzgerald, late rector of St. Paul's Church, will conduct divine service in St. James Church to-morrow forenoon at 11 o'clock, and Rev. Mr. Mahon, St. Peter's Road, in the evening.

Remember the Railway Gospel Meeting to-morrow afternoon at 4 o'clock in McLeod's Hall. Strangers always welcome. Lesson—Matthew 13:51: "Jesus saith unto them, Have ye understood all these things?"

Services in Zion Church to-morrow will be conducted by Rev. Wm Scott at 11 a.m. and 7 p.m. Prayer meeting at 10.15 a.m. Sabbath school and bible classes at 2.30 p.m.

Those of our citizens who patronized the Agent of J. F. Gorry & Co., Portrait Artists, while here a few days ago may expect very nice work, as the firm have taken first diploma for portraits at the World's Exhibition at St. John.

CAMPBELL'S SKREI BRAND OF

Cod Liver Oil.

THIS IS THE FINEST COD LIVER OIL EVER BROUGHT OUT. Cod Liver Oil usually has such a disagreeable taste, and is to many so difficult of digestion, that its excellent nutritive and medicinal qualities are not experienced. The Skrei Oil is free from these objections, being beautifully clear, pale and bright, almost tasteless, and readily assimilated by children and the most delicate invalids. Sold by

W. R. WATSON, Dispensing Chemist, QUEEN STREET, CHARLOTTETOWN.
