Dan is now nursing a pair of very sore eyes, a disfigured face, and two burned hands. Some necessary repairs are also being made to the house.

Mr. Sawyer was unable to move it, and called assistance. It required three men to extricate the woman, who was in a paralyzed state, her spine having been severed. She lived until Sunday afternoon.

The bride looked charming, and was attended by Miss Mary McDonald, while the groom was supported by Mr. John McQuay. At the residence of the bride's father a sumptuous repast was partaken of by a number of friends shortly after the ceremony. In the evening the bridal party and about one hundred and twenty guests assembled at the residence of the father of the groom where music and dancing were kept up until the wee small hours. A magnificent supper was provided at the new residence of the groom, close by. The wedding presents were both numerous and valuable. The Examiner joins their many friends in wishing this happy young couple a prosperous and joyous journey through life.

BURNS ANNIVERSARY CELEBRATION.

The anniversary of the birth of Scotland's bard, Robert Burns, was celebrated last evening by an entertainment in the rooms of the Caledonian Club, MacEachern's building. The place was filled, and the splendid programme prepared for the occasion was carried out in a most satisfactory manner. The oration on "Robbie Burns," by Rev. T. F. Fallerton, was excellent. The rev. gentleman, in eloquent language, reviewed the life of the Bard of Ayr—the poet of the people—referring especially to his broad sympathies, his distaste of shams, etc. Rev. Mr. Campbell also made an address, referring to the poet and his life, and to Scottish character in general. Both addresses were listened to with the closest attention, and were frequently interrupted by applause. Mrs. Rennie sang two Scotch songs, "My Nannie's Awa" and "The Will McGregory Slogan," in an excellent manner. Mrs. Byrne's rendition of "Will You Come Back Again," was splendid, and the two duets by the Misses Webster were capitally given. Mr. William McKay's rendition of "Burns and Scotland Yet" (sung for the first time in Charlottetown) was greatly appreciated; as were also the vocal solos so well sung by Messrs. Charles Hermans and James Davidson. Mr. T. A. McMillan recited "The Stowaway," and Mr. McIsaac the scene between Douglas and Marjorie. Each recitation was well rendered. Mr. Fletcher played "Annie Laurie" as a corollary and played well; and Mr. Ferguson's pipe music was excellent. Mrs. Davison, Miss Brown and Mr. Blanchard presided at the piano during the evening. The programme closed with the singing of "God Save the King" and "God Save the Queen." The President of the Caledonian Club, James Paton, Esq., presided.

SKATING RACES LAST NIGHT.

Broke an enthusiastic audience of about eight hundred persons the first skating races of the season came off last night in the Hillsborough rink. Long before eight o'clock, the hour appointed for the first event, the rink was crowded, standing several tiers deep around the promenade. The ice was in perfect condition. The first race was the three mile championship. In this there were nine starters, divided into two heats. In the first heat were P. C. Rattray, R. P. Gaudet, L. Newsom, C. Large and B. Stumbles. Newsom led for about the first mile, and was then passed by Rattray, who came in first, with Gaudet second, Newsom third, Large fourth, and Stumbles fifth. In the second heat the starters were Harry Moore, Craupaud, Lorne Unsworth, William Duncan and Wm. Davies. The heat was finished in the order named, in 14:30.

Then came the boys' race under sixteen years. The starters were E. M. Arnaud, E. Cook, J. Davies, Jr., and B. Foley. It was won by Arnaud, who skated a pretty race, with Cook second and Davies third. Time, 5:03.

The one-mile race for the championship of the Island was next called. The starters were F. C. Rattray, Harry Moore (Craupaud), Lorne Unsworth, O. Weeks, C. Large and Wm. Duncan. Rattray took the lead at the start, Weeks second and Moore third. The former skated a good race and made some splendid starts, winning the race in 4:04. Moore second and Weeks third. In this race Moore claims to have been "jockeyed" by two of the contestants. At the start they were told by the judges they would have to "pass" on the outside, on the inside at the point of fouling. Two of the contestants disgraced themselves by their conduct in the race, one on the outside not leaving room enough to pass, as agreed at the start by the judges there would be, and the other on the inside. It was evident to the spectators, and during the race they were warned by the judges, but continued their mean pranks, and should have been ruled off the ice. As if to further substantiate his claim, Mr. Moore issued a challenge to the winner for a race for the one mile championship of the Province. Like a true and honest sportsman, he has accepted and the race will take place in the near future.

There were ten starters in the race for boys under 14 years. It was won by G. A. McLean, with A. Worth, second and S. Doyle third.

In the half mile backward race the contestants were C. Weeks, Lorne Unsworth, and C. Large. C. Weeks took the lead at the start, and won easily in 2:21, Unsworth second and Large third.

The next event was the obstacle race, which proved interesting and exciting. It was won by E. M. Arnaud, E. L. Cook second, and W. Stevenson third.

The sack race had three entries, and was won by E. Davy, with John Gillis, Jr., second and Levi Smith third.

Then came the funny donkey race, in which "Mary" and "Old Whistler" were the starters. The latter won the race in good time, but "Mary" was first for good looks.

The final and most exciting event of the evening was the last heat of the three-mile championship race. The first and second in the two preceding heats started. Rattray the start took the lead, with Unsworth second, Moore third and Gaudet fourth. Moore soon took second place, and shortly after by a fine spurt secured the lead and gradually widened the distance until the applause and shouts of the excited spectators. Rattray and young Unsworth made a gallant fight for second place. On the last lap the lad spurred and cheered by the crowd took second place. Moore won the race by about a lap, and at the finish was "bounced" by his friends and carried to his dressing room. Time 13:23.

During the evening Galbraith's band furnished good music. Messrs. Dawson and Rogers are to be congratulated on the success of the evening, and the judges Messrs. Ings, Weeks, Keating, McDonald, Crable, Dingwell, Bartlett, Reddin, Large and Wheeler, for their impartial conduct and decisions.

SUPREME COURT. Hon. D. Ferguson vs. The Patriot Publishing Company. Action for libel. This case was given to the jury last evening. This morning at 8 o'clock the jury returned to the courtroom and reported that they could not agree upon a verdict and were discharged.

George Bell vs. Daniel Readon. Action for the return of a cow under distress warrant. This case was given to the jury at one o'clock.

Verdict for plaintiff for \$11.85. Stewart, Q. C., for plaintiff; Hazard, Q. C., for defendant.

Prince Edward Island ELECTRIC COMPANY. With a view of meeting the numerous applications recently made by the residents of Charlottetown for Electric Lights, this Company begs to inform the public that it will increase its plant in the course of May next, if the number of new subscribers for Electric Light justifies the outlay.

With a view also of lowering the cost of Electric Lighting, the Company will furnish to its consumers from this date the Packard Incandescent Lamps at cost, i. e., 35 cents each.

THE CHAMPIONSHIP RACES LAST NIGHT.

Sin.—It is an undeniable fact, that after the completion of the "One Mile Championship Race" all present were decidedly of the opinion that Moore (Craupaud) would have been the "victor" but for the "gaffe" and "caldish" way in which he was treated by Large and Duncan during the race. Their "blocking," etc. must have been quite apparent to the judges, who should have warned these "young bloods" at the first sign of same, which they do not appear to have done, and, if they did, it proved of little effect.

This sort of thing prevails in races of almost every kind here (especially in skating) and competitors acting in this manner should, without doubt, be ruled out of all future ones, as it completely ruins the interest of the race to the spectators. It is hardly fair that hundreds of spectators should be compelled to witness the demoralization of a good race to satisfy the whims of those "dog in the manger" sports (?) who, when they cannot themselves win take an evident delight in keeping a very probable winner from doing so.

I am sure I voice the sentiments of all those present in saying—Our visitor deserves better treatment in Charlottetown. Let the next races here be fair and honorable throughout. So say I, so say all.

CITY SPORTS.

GENERAL TELEGRAPHIC NEWS. LONDON, Jan. 21.—The Daily News (government organ) denies the report that the Cabinet contemplates a naval loan of £25,000,000. It confirms the announcement made last week that large sums are to be employed for permanent fort works at Gibraltar and Portsmouth.

LONDON, Jan. 24.—The bark Petrel, loaded with government stores, consisting chiefly of ammunition for Nordenfjeldt and Gatling guns, blew up near Gravesend this morning. She had a crew of five men. Not a trace of one of them is to be found.

ROME, Jan. 24.—It is highly probable that before the parliamentary election next spring amnesty will be granted to prisoners condemned by the military court in Sicily and Massa Di Curia. About 1500 men were found guilty of sedition in connection with the revolts last winter, and more than 1,000 are still serving sentences. The summary manner in which they were tried and condemned has been one of the subjects of agitation against Premier Crispi. A general pardon is regarded in government circles as the best means of mollifying the radicals. It is thought the amnesty decree will be published March 14th, King Humbert's birthday.

LONDON, Jan. 24.—The Chronicle's Rome correspondent says fourteen Catholic priests have been arrested in Warsaw, Russian Poland, and the Pope has requested an explanation from the Russian minister to the Vatican.

An old Darkey Preacher. Once said in his pulpit: "Brethren, you can't tell how long de suit will wear by de size ob de advertisement ob de maker." But you can tell a good deal about it from de reputation of de maker. Our reputation for good workmanship has been built up by degrees and is sustained by strict adherence to the principle never to allow a misfit to go out of de shop, or permit a patron to go away dissatisfied. When a man wants a suit of clothes he wants it by a certain time and he does not want to have to return it to have it refitted. Our patrons are seldom troubled thus as we do our work right at first.
