Milk

Naturally, you eat lightly in hot weather, but see you don't skimp on nourishment. Dairy foods are cool, and quick, and inexpensive, yet they're one of your best sources of valuable food elements. In every serving you get protein that builds and repairs body tissue; Calcium, the tooth and bone builder; vitamin A; and thiamine for healthy nerves. Dairy foods combine deliciously with all of the season's fresh fruit and vegetables. Start now to enjoy more of nature's finest foods!
