

RACES AT SUMMERSIDE.

Large Attendance and a Good Day's Sport.

With fine weather, a good track and a large attendance the races at Summerside were a success.

The free-for-all furnished the best sport of the day. After six hard-fought heats Harry Morris' Sir Richard, captured the big end of the purse, with Minnie second. Parkland won the third and fourth heats, and his driver, Rockford, for trying to tell the judges that he won the fifth, was fined five dollars. When the horses came out for the sixth heat Parkland was left in the barn, and "Rocky" was fined \$25 for drawing his horse without the judges' consent.

The three minute class was won by Parklo, a good-going pacer, owned by Patrick Reid, Hope River, with Crabbe's Bruno second.

The two-forty class was won by Henry Hooper's Joe Murphy in straight heats. After the fourth heat of the free-for-all the starter announced an exhibition of speed by the trotter, Ned Wallace. He gave the exhibition but showed no speed. The judges were L. B. Grady, (starter), H. Horne, and A. C. Rogers.

CRICKET YESTERDAY.

A Good Game—Military vs. All-Comers

Although on account of the military sports little else of a sporting character was arranged for yesterday, a good game of cricket was played at the park in the forenoon. The teams were Military vs. All-comers, the former going first to bat. Some very good plays were made but no big scores were run up. Our cricketers should get in as much practice as possible during this week as no doubt when the ships come the sailors will want to have a game and our men should be in trim to meet them—and defeat them. The following are the scores made in yesterday's game:

Local and Other Items.

ARTILLERY—No. 1 Co will meet at the Drill Shed at 7 p. m., to go to the Park for battalion drill.

MUTTART's steam riding gallery will be operating at the Orange tea to be held at O'Leary on the 12th July.

FUNERAL ON SUNDAY.—The funeral of the late Mr. John McLean took place on Sunday afternoon. The city Orangemen attended. The burial was in the People's Cemetery.

ARTILLERY.—No. 2 Co., C. A., will meet this evening at 7 o'clock, to march to the Park for Battalion drill with the other companies of the Battalion. Every man must be present.

KLONDYKE GOLD.—We were to-day shown a nugget, one of a "beautiful" that Mr. Charles Vessey, son of Mr. Robert Vessey, of Little York, has sent home. It is a fine sample and we are glad to learn that Mr. Vessey's operations in Dominion Creek have resulted in such a good yield.

AN OLD RESIDENT GONE.—Mr. John Cameron, an old and well-known resident of Charlottetown, departed this life on Saturday evening, and his mortal remains were laid to rest yesterday morning. The funeral was attended by the Caledonian Club, the deceased having been for many years an active member of that society.

KELLYS CROSS TEA.—"The Mammoth Tea at Kelly's Cross on the "Glorious Fourth." (of our Yankee cousins) will be no misnomer, judging by the preparations being made, and the reports from all sections of the big crowd coming to enjoy themselves thereat. This picturesque spot is now looking its best at this season, and for hospitality the people of St. Joseph's will consent to give first place to no others in the entertainment of their patrons on the Fourth."

CARD OF THANKS.—The Mother Superior of Notre Dame Convent desires to offer most grateful acknowledgments to the ladies and gentlemen who took so active a part in the tea and fancy sale held last week for the benefit of the institution. In a special manner she thanks the Benevolent Irish Society for the use of their hall, the manager of the Royal Electric Company for furnishing light and the gentlemen of the press for helping to make the fancy sale a success.

CHURCH PARADES.—There were two church parades on Sunday morning, one being to St. Dunstan's Cathedral and the other to Zion church. The militia in camp was reinforced by the two city companies of Artillery and the Charlottetown Engineers. The two regimental bands also participated, and the turnout in each instance was large notwithstanding the wet and disagreeable weather. At St. Dunstan's Cathedral High Mass was celebrated by Father Reardon, of St. Paul, and Dr. Morrison preached an able sermon. In Zion church Rev. D. B. McLeod officiated and his sermon was an excellent one.

AT THE NORTH RIVER MEETING.

Sir,—Having attended the meeting at North River on Saturday evening last, I was much pleased to find that, notwithstanding the numerous officials of the Government who were present and seemed desirous of preventing the Conservative speakers from getting a hearing, the electors of that place were actuated by such a sense of justice and fairplay that the best of order prevailed,—and each speaker obtained a most attentive hearing. I was much surprised that no attempt was made to deny that this Province is \$600,000 in debt although \$48,000 per year has been obtained in taxes since 1894. When a man has voted Liberal for 28 years, as I have done, it is very difficult to break party ties; but when Dr. Taylor saw fit to leave his home in the city and take the platform and advise us to vote for the Liberal candidate giving as his only reason that he knew Dr Douglas to be an honest man, it is more than I can stand, and when I find such professional men leagued together to advance their own interests it behooves the farmers of this district to consider the situation and to vote for a man of their own calling and support Mr. Wise, as I intend doing, on the 11th inst.
