Is 2 months' salary  
too much to spend for something  
that lasts forever?

If you had to put a price on a priceless moment, 2 months' salary is just about where you should be. Because that's what a beautiful diamond engagement ring should be worth nowadays. And that's not a lot, when you consider it's the one thing your fiancée will wear every day of her life.

It comes down to a question of priorities. And what's more important than the woman you love?

A diamond is forever. De Beers
