Cape Traverse Rovers Down S'side High 10-8

The Cape Traverse Rovers defeated the Summerside High School at the Bedeque Rink last night by the close score of 10-8. The lead saw-sawed all evening with the Cape boys skating off the ice with a 4-2 advantage at the end of the first period, and the Sum-Hi kids sporting a close 7-6 lead when hostilities ceased in the second. The Rovers came back strong in the final session to score four goals to Summerside's one.

Vance Harris led the Sum-Hi attack with 2 goals and 3 assists. Neil Walker achieved the hat trick with three goals. Gay potted two counters and helped in one, and Laysh Schurman had a goal and two assists. The Cape Traverse goals were divided among eight players, Sheldon Ferguson and Wallace Muttart getting two each, and the other six one apiece. There were few penalties handed out, but after Schurman received one, misconduct late in the third period, the High School management protested the game, claiming that referee Doug Crossman molested the Sum-Hi player.

Let's Talk It Over A Prince County Viewpoint by "d" PHYSICAL EDUCATION We note with interest that the Charlottetown School Board has engaged a director of physical education for the four city schools. This serves as a reminder that here in Summerside at our High School, crowded conditions and lack of proper facilities have made it virtually impossible to carry out a program of physical education with any degree of success, and so the physical aspect of education has been in the doldrums for some years now.

True, our youth are not entirely neglected in the realm of physical education. The Summerside Athletic Association and the local Kinsmen provide programs of physical endeavour for a large number of boys, and a few girls, both in the winter and summer seasons, but regular calisthenic exercises are understood, being largely neglected.

We know that some years ago this matter of regular physical drill for students was considered an important part of the school program. We do not know if these "daily dozens" have declined in popularity or not. It is possible that group games are considered more important, as they teach team spirit, fair play etc. In addition to providing physical activity, Physical Drill, however has one important feature. It includes all the pupils in a school while team games such as hockey, baseball, softball, etc. do not.

S'side All Stars Edge Alberton Regals 4 To 3

Last night at the Alberton Rink the Summerside All Stars managed by Eric Johnston, again won a narrow margin of victory over the Alberton Regals with the score 4-3 in an exhibition game. The teams were very evenly matched as the score indicates with some excellent hockey on both sides. The Regals were playing without their veteran goalkeeper, Perley Hardy, with Fred Millman holding down the net for the first period, followed by Alton Kinch, the Alberton Bay Scout goalie, who did an excellent job, allowing only one goal in each of the last two periods. Millman took up his regular position on centre ice to score the Regals first goal of the game at the thirty second mark of the second period. The first period ended with the score 2-0 for the Summerside boys. In the second Millman scored for the Regals on an assist from Wes Hardy followed two minutes later by Bernard Kinch, the Alberton Bay Scout, who scored on a pass from M. Kinch, denied the twins at the thirty minute mark on an assist from G. Matthews to end the scoring for the second period 3-2 for Summerside.

Wes Hardy tied up the game with a long shot from centre ice which beat the Summerside goalie. With both teams all out to break the tie some fast and furious hockey followed with some heavy checking being dished out. While Shields of Summerside was off the ice serving a major penalty, Ayers on an assist from Grady scored to end the game.

Lineups: Regals — Goal, Alton Kinch; defence, C. Fraser, Wes Hardy, J. Rochford, R. Profit; forwards, Glen Matthews, Steve Murphy, M. Kinch, E. Gavin, F. Millman, N. Gillis, S. Murphy, F. Millman. Two Summerside Youths Sentenced

Two Summerside youths each received sentences of one month in jail when they appeared in Magistrate's Court in Summerside yesterday morning. The two were charged with attempted theft after they had been caught in the garage of a Summerside resident late at night. One had previously pleaded guilty; the other, who gave his age as fifteen, was taken before Juvenile Court and referred back to Police Court for sentence.

The pair engaged in stealing articles from the car and garage, were somewhat surprised when the owner of the car, who has had many similar thefts committed on his property, appeared on the scene.

While police were being summoned, the younger of the two escaped by making threatening gestures toward the car owner, using a hammer that he had picked up. This lad, however, was later apprehended by the Summerside police force. —S

First Ice Race At Summerside

Saturday on the Summerside Harbor in the first ice race of the season, Mr. R. H. Phillips with Assyrian Dale won the three straight heats in a battle royal from the start to the finish line. There was only one class, with the three heats. Due to the very slippery roads horsesmen from the outside districts were unable to bring their horses in.

Ice officials said however, that interest and enthusiasm is running high and at the next meet it is expected that full afternoon card will be run off. Next weekend should provide plenty of thrills for the fans.

Saturday's race proved conclusively that R. H. Phillips is still one of the best and justly deserves his title "One of the foremost reinmen in the Province."
