1881 --- to --- 1956

75 years of unbroken --- faithful service. From the small shop opened in 1881 by the founder, the late L. E. Prowse, has grown this community institution and its phenomenal growth is due to the policy originated by the founder --- a square deal to everyone and good dollar value for every dollar spent here, coupled with this, unequalled service to catering to the people of Prince Edward Island, as it was the policy in 1881, so it is --- even more so today.
