To SELL or to LET,

To which an unquestionable Title will be given,

THE FARM OF BROWNSTON, situate on Lot 49, fronting the Pisiquid Road, and one mile from Vernon River Inn. It contains 434 acres of the best description of Land in this Island, having abundance of Firewood, pine, spruce and fencing poles. Fifty acres are under cultivation, and in the best condition, and Twenty additional acres are enclosed of natural pasture, which could be easily cleared for the plough, the growth of wood being only young bushes. There is a large Garden and Orchard, planted with apple, plum and cherry trees, &c. of 5 years' standing. The whole is well fenced, and there are gates on every enclosure, as well as the court-yard. The House is very comfortable for a small family, and contains kitchen, small parlour, good bedroom, servant's sleeping room, closets, and a cellar underneath. The House is as good as new, as are the offices, which consist of a large Barn, a Stable, and Cow-house, Poultry-house, Dairy, and Green-houses for potatoes and turnips; an excellent Spring of Water is near the House, and the fields are watered by a brook running through them.

The whole will be let together, or in one Farm, for such term of years and on such conditions as may be agreed on; or the property will be divided into Farms to suit the views of offerers; or, if preferred, the one half (217 acres), including all the improvements, will be sold separately. Apply to

THE Subscriber having by the last Packet received full power to sell and convey the Lands on Lot 54, belonging to the Assignees of HENRY WINCHESTER, hereby gives notice, that he is ready to dispose of the same to the occupiers, or others, on reasonable terms. Dated the 15th June, 1840.

J. H. PETERS.

N. B.—A good title can be seen at the Office of the Subscriber.

Man! Take care that you get a good Title!!!

THE Subscriber cautions any person or persons against having any thing to do with the good title of which J. H. Peters, Esq., speaks in his notice of the 15th inst.

Perhaps, on inquiry, they may find a Sheriff's Deed without a Sheriff—a Sale without an Appraisal, and one of the Executions (for there were two) an Equity of Redemption, which this extraordinary sale was intended to satisfy, of which there is no judgment on record; and the amount of sale was probably sufficient to liquidate a dozen Executions, which appears to be a manifest contravention of the Act.

ROBERT MEARNS,

Proprietor of Township 54.

Cardigan, 20th June 1840.

N. B.—After seven or eight years' prosecution, which I have suffered, standing alone as it were—I think this circumstance argues much in favour of the goodness of my title, particularly considering the weight of the parties opposed to me.

PRINCE EDWARD ISLAND.

THE Cunard Atlantic Steamers having commenced plying between Liverpool, England, and Halifax, Nova Scotia, a new era is formed in the History of the North American Colonies. This expeditious mode of conveyance will, doubtless, bring to their shores a number of individuals in search of healthful and fertile locations; and the Advertiser, therefore, solicits such persons, having agricultural views, to visit Prince Edward Island, so justly styled by writers "*The Granary of British North America*." It is situated in the Gulf of St. Lawrence, and is only two days' travel by Coach and Steamboat from Halifax, N. S. This Colony, with respect to salubrity of climate, fertility of soil, and excellent waters, is second to few, if any, in the British Dominions. The capitalist who determines on emigrating, may here purchase wilderness lands from 15s. to 25s. per acre; or improved Farms, in different sections of the Island, at from £2 to £6 per acre, according to situation, and the value of the Buildings erected upon the property. The soil of this Island produces nearly all kinds of grain, hay and vegetables; and cattle, as well as agricultural implements, suitable to the Colony, can be obtained at moderate prices. There are twelve Agricultural Societies, established within the last few years, actively employed in introducing from different countries the most improved breeds of Live Stock, Agricultural Implements, &c. suitable for the farmer.

To the Emigrant, even though but a small capitalist, Prince Edward Island offers many advantages.—First, its general prosperity, which is sufficiently proved by the increase of its exports, and its steadily improving revenue. Second, a healthy climate. Third, a plentiful supply of good water throughout the whole Island. Fourth, the fertility of the soil, and its freedom from all taxes, burthensome to the Settler. Fifth, the convenience of settlement, whereby the ruinous expenses which are sometimes incurred, to a place to travel hundreds of miles, after landing, by a long and tedious journey, are almost totally avoided. Sixth, a certain remuneration for the labours of the Agriculturist, by a sure market, and a fair price, for all the surplus produce of his farm. Seventh, the labourer readily meets with employment, and receives liberal wages. Eighth, to the British Emigrant it offers the enjoyment of the benefits to be derived from the laws, language, customs and manners of his native land; and he preserves in himself an identity of interest with that of the parent state. Ninth, Prince Edward Island is now only thirteen days' travel, by *Cunard's line of Atlantic Steamers, from England*; and, if a Colony affording regular opportunities of speedy intercourse with the mother country, and possessing the advantages before enumerated, be desirable, the Advertiser, who has spent twenty years in the Island, thinks he may safely venture to invite such individuals as have resolved, or shall determine to emigrate, to pay it a visit; and should they be induced to establish themselves and families here, in preference to a foreign state, they will have the satisfaction to know that their posterity will be scions of the British Empire.

Persons desirous of purchasing either Improved or Wilderness Lands, are respectfully solicited to apply (if by letter, post paid) to the Advertiser, at his Office, Charlottetown, Prince Edward Island.
