

HOROSCOPES

GUIDE TO THE WEEK AHEAD

AQUARIUS (JAN.21 to FEB.19)

This week could contain some confusing aspects that will make you go stir crazy if you do not take them in stride. Work hard this week, and you will reap the rewards by next month.

PISCES (FEB.20 to MARCH 20)

Someone close to you may be depending on your advise a wee bit too heavily. Try to curb your financially reckless nature. Pay close attention to your personal relationships this week.

ARIES (MARCH 21 to APRIL 20)

Your boundless energy may be fizzling this week. What little motivation you do have, however, should be directed towards your academic life. Granted, this may seem extremely boring, but by next week you will be back to your driving ram-like ways and can do whatever the heck you want to.

TAURUS (APRIL 21 to MAY 21)

Throw away any frustrations or limitations this week. This is the time to let loose. By midweek, certain courses will probably pose overwhelming probs, but don't let it stress you too much. Remember that hard work usually pays off in the long run.

GEMINI (MAY 22 to JUNE 21)

Try to kill any insecurities that stand between you and your significant other. Don't forget that you are always your worst critic. Examine your psychological motivations. This is the week to meditate on your life, but not to worry, next week will be more eventful.

CANCER (JUNE 22 to JULY 23)

This week is actually going to be exciting. Don't forget to rave your ideas to targeted people. Try to smooth a few feathers that may have gotten ruffled last month. Even ol' sensitive you can be a real crab sometimes.

LEO (JULY 24 to AUG.23)

Chill your self-destructive tendencies and maybe things will not be so rough. This week is primo for a long awaited nap time; but try not to neglect your responsibilities on the homefront while you are snoozing.

VIRGO (AUG.24 to SEPT.23)

Expect a few changes in your social circle this week. Try to touch base with people you have not talked to in a millennium. Self-deception may rear its butt-ugly head in regards to a luv interest. Try not to bawl on too many shoulders.

LIBRA (SEPT. 24 to OCT. 23)

Try not to be pressured into a life-altering decision. This is the perfect time to evaluate your opportunities and grab the one that seems best for you. Don't contemplate for four years on a decision should only take three seconds to decide.

SCORPIO (OCT.24 to NOV.22)

The wisest move this week is to hold off on commitments until later. Cope with the emotional issues that have been bothering your brain. This is a good time to plow through all of the emotional baggage that has been weighing you down and keeping your blood pressure up.

SAGITTARIUS (NOV. 23 to DEC. 21)

Take advantage of the generous nature of others; offers will not be there indefinitely. Look for ways to improve your earning capacity. Confusions should be clarified by the weekend, but remember to weigh advise given to you by close associates.

CAPRICORN (DEC.22 to JAN.20)

Mundane chores will beckon you this week. Try not to ignore them or they will escalate into major stress-related events. A possible prob might arise midweek, but no need to worry, it will probable fizzle out on its own. Remember to take your multivitamins in order to stay healthy and strong; you will need lots of brute strength to cope with next week.
