These days most people work under pressure, worry more, sleep less. This strain on body and brain makes physical fitness easier to lose—harder to regain. Today's tense living, lowered resistance, overwork, worry—any of these may affect normal kidney action. When kidneys get out of order, excess acids and wastes remain in the system. Then backache, disturbed rest, that "tired-out" heavy-headed feeling often follow. That's the time to take Dodd's Kidney Pills. Dodd's stimulate the kidneys to normal action. Then you feel better—sleep better—work better. Ask for Dodd's Kidney Pills at any drug counter. 53

## Urges Action On Immigration

MONTREAL (CP) — Mayor Maurice Lacharite of suburban Ville Lasalle says public interest must be aroused to "excessive immigration problems".

Referring to the hunger strike by 163 Hungarian immigrants at nearby St. Paul L'Ermite, Dr. Lacharite told a council meeting: "These experiences prove expensive to the Canadian taxpayer. It is time to arouse the public interest into problems caused in Canada by excessive immigration."

He said many of these immigrants complained they could not get work, and yet the Canadian government was arranging to bring from Yugoslavia another group of Hungarians.

Discontent of immigrants might be caused by inaccurate information about Canada.

**DAILY CRYPTOQUOTE — Here's how to work it:**

A X Y D L B A A X R
is L O N G F E L L O W

One letter simply stands for another. In this sample A is used for the three L's, X for the two O's, etc. Single letters, apostrophes, the length and formation of the words are all hints. Each day the code letters are different.

## 66 Hungarians Leave For Home

MONTREAL (CP) — A first batch of dissatisfied Hungarian refugees, smiling and waving, left Montreal airport shortly before noon Wednesday and are scheduled to arrive in their Communist homeland in time to celebrate a Christian holiday—Christmas.

A government spokesman said all appeared to have money in their pockets and seemed "glad to leave." Some of the 66 who left Wednesday had joined in a 24 - hour hunger strike which ended Tuesday at the government hostel in nearby St. Paul L'Hermitem the strikers demanded that all 163 refugees at the hostel be returned home for Christmas.

Two other government - sponsored flights—the last scheduled for Dec. 30—will complete the repatriation of 20K who fled Hungary during the 1956 October rebellion. About 36,000 others have chosen to remain in Canada.

Opening lead—six of diamonds.

When the 99th rubber of the Lens-Culbertson match started, the Culbertsons were leading by 17,000 points. It was during this rubber that Culbertson gave a fine demonstration of his skill as both card player and psychologist.

He won the diamond lead with the seven and continued with the ace and another diamond. Lens took the king and shifted to a heart. Culbertson held up his ace until the third round of hearts.

He had eight ready tricks. The ninth could come from a finesse in spades or clubs. Failure of either one would mean defeat.

The maestro decided against a finesse and played for a squeeze instead. He led a club to the ace and cashed the queen of diamonds, at which point this was the position:

Jacoby had to choose a discard when the jack of diamonds was led. If he selected the heart a club return would finish him. So Jacoby discarded the low spade. It did him no good. Culbertson sensed the situation, cashed A-K of spades, caught the queen, and took his ninth trick with the jack of spades.

Culbertson afterward explained his play: "When I won the heart, Jacoby settled back in his chair visibly relaxed. I decided the reason was he had both key cards. Of course, it was possible Jacoby was simply taking a rest, but it seemed strange to me that a man who is usually so tense should select that crucial moment to relax. As you see, I was right."
