

# Proposals Coming Next Year For Medical Care Program

**GDN GEN PROPOSAL.** In OTTAWA (CP)—The government hopes to submit proposals to the provinces next year for a nation-wide medical care program. Prime Minister Pearson said in the Commons Wednesday.

Answering opposition questions, Mr. Pearson said the government hopes a meeting of the provinces will be held soon to discuss recommendations of the royal commission on health services headed by Supreme Court Justice Emmet Hall.

But when Kidon Williams (PC—Bow River) asked how much money the federal government is prepared to contribute to a medical plan, Mr. Pearson said the question is "a little premature."

T. C. Douglas, New Democratic Party leader, asked whether the government has accepted the Hall commission recommendations in view of the Health Minister's statement Tuesday that the government hopes to have a medical care insurance program next year.

**Ex Ambassador Is Sentenced**  
NEW YORK (AP)—Salvador Pardo-Bolland, 61-year-old former Mexican ambassador to Bolivia, was sentenced Wednesday to 18 years in prison for conspiracy to smuggle \$13,500,000 worth of pure heroin into the United States.

During his federal court trial, the government had termed him "completely amoral... an arch criminal."

Pardo-Bolland also was fined \$40,000 on the charge. Two others also were given stiff sentences by Judge John M. Cannello.

René Bruchon 48-year-old Frenchman who is in the U.S. illegally, received a 15-year prison term and a \$40,000 fine. He had been deported from the U.S. in 1949.

U.S. Carlos Ariza, 61, formerly of the Uruguayan state department, was given a 10-year sentence and a \$40,000 fine.
