

What True Merit Will Do.

The unprecedented sale of Boecher's German Syrup within a few years has astonished the world. It is without doubt the safest and best remedy ever discovered for the speedy and effectual cure of Coughs, Colds and the severest Lung troubles. It acts on an entirely different principle from the usual prescriptions given by physicians, as it does not dry up a Cough and leave the disease still in the system, but on the contrary removes the cause of the trouble, heals the parts affected, and leaves them in a perfectly healthy condition. A bottle kept in the house for use when these diseases make their appearance, will save doctor's bills and a long spell of serious illness. A trial will convince you of these facts. It is positively sold by all druggists and general dealers in the land. Price 75 cents, large bottles.

According to the calculations made by a scientific writer, lately, it requires a prodigious amount of vegetable matter to form a layer of coal, the estimate being that it would really take a million years to form a coal bed 100 feet thick. The United States has an area of between 300,000 and 400,000 square miles of coal fields, 100,000,000 tons of coal being mined from these fields in one year, or enough to run a ring around the earth at the equator 5 1/2 feet wide and 5 1/2 feet thick, the total quantity being sufficient to supply the whole world for a period of 1,500 to 2,000 years.

ADVICE TO MOTHERS.—Mrs. Winslow's Soothing Syrup should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep by relieving the child from pain; and the little shrub awakes as "bright as a button." It is very pleasant to taste. It soothes the child, softens the gums, allays all pain, regulates the bowels, and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle. Be sure and ask for Mrs. Winslow's Soothing Syrup, and take no other kind.

THE PRESENT

IS A GOOD TIME TO BUY

Silver-Plated Ware.

Prices are Likely to Go Up.

The following is contained in a letter just received by us from a manufacturer: "There is a regular boom in trade. Cannot send my wares out, have to keep them home to help to get out orders. Everyone crazy about goods. The whole west is in a ferment and prices are going to be higher, as it is utterly impossible to make the goods required."

The above state of the market is the exact measure due to the fine exhibits of Silver Ware made at the Colonial Exhibition in London and the consequent popularity and demand for Canadian goods. We have a splendid show of Sugar, Butter and Cream Dishes, Cans and Mugs, Ice Pitchers, Pickle Dishes (colored and plain), Casters, Napkin Rings, Spoons, and all kinds of goods.

HOW LOST HOW RESTORED!

JUST published, a new edition of DR. CUL J. VERWELD'S LECTURED ESSAY on the radical cure of SPERMATORRHOEA or Seminal Weakness, Involuntary Seminal Losses, Impotency, Mental and Physical Incapacity, Impediments to Marriage, etc., also CONSUMPTION, EPILEPSY and FITS, induced by self-indulgence, or sexual extravagance, &c.

The excellent nature of his admirable essay, clearly demonstrates from a thirty years' successful practice, that the alarming consequences of self-abuse may be radically cured; pointing out a mode of cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and radically.

This Lecture should be in the hands of every youth and every man in the land. Sent under seal in a plain envelope, to any address, post-paid, on receipt of four cents or two postage stamps. Address
