

**THE**

**CADRE**

**“If freedom of expression is dying,  
it’s not because of us.”**

In a democratic society it is through education that we are able to learn what freedom of expression means.

But, it is through journalism that freedom of expression *lives*.

The communicating of news and ideas to the people around you is one of the most important jobs in a democracy.

*Journalism*, the job that communicates your freedom of expression.
